Preventive Health Services Work Group
No Report

Safety Net Work Group
This work group is working on verifying the contact information of those organizations identified as currently serving Loudoun's vulnerable population.

Loudoun Lyme Disease Commission
The Loudoun Targets Lyme initiative is set to launch in April 2013 and includes a number of actions to increase awareness of Lyme disease in Loudoun County. A new Lyme disease

website page and Facebook page in support of this initiative are up and running. There will be over 25 events around the county, including a Lyme Disease Forum hosted by Congressman Frank Wolf. Clarke Mosquito control was awarded a contract to conduct a Lyme disease risk assessment at all county parks. There will be a Lyme disease survey going out in May or June. The Commission is also working on getting a Proclamation for Lyme diseases awareness month by the Board of Supervisors. The Board of Supervisors did not approve the Loudoun Lyme Disease Coordinator position.

2013 Health for Life Day Event
This work group met at Gum Spring Library to work on the vendors' layout and selection. Health Council members received a copy of the Health for Life Day Applicants list for review. Dr. Goodfriend emailed all previously accepted and rejected vendors of their status. Health Council members voted to send notifications of acceptance to participate to four additional vendors that had pending status (14-0). Health Council members signed-up how much time they will be able to volunteer for this event.

Hot Topics

- LCHD will be mailing postcards to all septic tank owners over the next five years to remind them of the requirement to get their systems pumped out, and the recommendation to test their well water periodically.
- Jackie Ondy announced that there would be training on hoarding that Loudoun APS will be sponsoring on May 15, 2013.
