Loudoun County Landfill Waste Disposal

Closed New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Eve (call first), and Christmas Day.

The Loudoun County Solid Waste Management facility is a one-stop disposal and recycling option for Loudoun Residents and Businesses. The facility includes a state-of-the-art 300-acre landfill for municipal solid waste and construction waste, with an estimated life expectancy of 60 years. The facility has both fee and non-fee collection centers for recyclable materials including automotive fluids, auto batteries, bottles and cans, mixed paper, cardboard, scrap metal, and yard debris. The facility is owned and operated by Loudoun County and is supported by user fees. The facility also operates a free mulch depot subject to mulch availability.

WASTE ACCEPTED

- **Household Waste**
- **Commercial Waste**
- **Construction Waste** including clean dirt, concrete, road pavement, brick and block
- **Demolition Waste**
- **Institutional Solid Waste**
- **Propane Tanks** from 1 lb. to 100 lbs
- **Scrap Metal** including appliances, grills, bed frames, bicycles, and others
- **Tires** from cars, trucks and tractors
- **Vegetative Waste** under 3' diameter x 8' length

WASTE ACCEPTED WITH CONDITIONS

- **Large Animal Carcasses** with prior approval.
- **Latex Paint** must be dried before disposal. Dry paint by adding cat litter/absorbent material, or by adding a paint hardening product found at a hardware store.
- **Storage/Fuel Tanks or Drums** must be empty, cleaned and cut in half.

WASTE NOT ACCEPTED

- **Asbestos**
- **Ammunition**
- **Radioactive Waste**
- **Liquid Waste**
- **Compressed Gas Cylinder**
- **Hazardous Waste** (see www.loudoun.gov/hhw)
- **Waste originating from outside Loudoun County**
- **Oil Based Paint and Wood Stains**
- **Regulated Medical Waste**
- **Petroleum Contaminated Soil**
- **Septic Tank Clean Out Waste**

RECYCLE FIRST — NO FEE

If you need to recycle, you should **first** go to the **RECYCLING CENTER**. The following materials should be placed in their proper recycling container:

- Used Motor Oil
- Used Antifreeze
- Automobile Batteries and Lead-Acid Batteries
- Bottles and Cans
- Newspaper, Magazines, Catalogs, Phone Books, Office Paper and Junk Mail
- Cardboard and Paperboard

IMPORTANT DISPOSAL INFO

- **Be Patient.**
- **Wait your turn** to go over the scales. Only one vehicle on scales at a time.
- **Make all declarations and tell the scalehouse operator** what you have to throw away (i.e., regular household garbage, tires, construction materials, propane, appliances).
- **Follow the directions and signs** to the proper location for disposal.
- **Traffic in scale bypass lane has the right of way** over traffic leaving the scales.
- **Traffic patterns change regularly.** Follow directional signs to disposal area.
- After disposal, use the **wheel wash** to remove the mud and dirt from your vehicle tires.
- **Return to the scalehouse and pay** the disposal fee unless you are a Saturday **FastTrash** customer.
- **Cash and Visa and MasterCard credit/debit cards accepted. No checks.** Credit accounts are available to businesses with prior approval.
- **Items dropped off cannot be picked up or removed** after they are disposed.
- **No Scavenging.**

Disposal Fees

Cash and Visa and MasterCard Credit/Debit cards accepted.

Base Tonnage Rates

Waste Disposal	$60 per ton, $5 minimum per vehicle
Construction/Demolition or Vegetative Waste delivered in trucks with two or more rear axles	$65 per ton, $200 minimum per vehicle

Declarations, Additional Charges & Fees

Customers must declare all items to the scalehouse operator before disposal. Additional fees are charged for items that require further regulatory action:

- Refrigerant Containing Appliances $15
- Car Tire without Rim $1
- Truck Tire without Rim $2.25
- Small Tractor Tire without Rim $13
- Large Tractor Tire.....$25
- Tire with Rim.....$25
- Improper Disposal of Household Hazardous Waste, Appliances, Wet Cell Batteries, Tires per unit $25

FastTrash $5 per vehicle

(Saturdays only, maximum ten 33 gallon bags)

- Fast Trash is a Saturday only, $5 cash flat-fee program for household waste designed to continue quality service at the Landfill during peak user hours.
- Customers will be directed to Convenience Area #1 and will exit the Landfill, bypassing the scale house. This direct exit provides time savings for customers who normally would wait to weigh out at the scales.
- ONLY CASH – NO CHECKS AND NO CREDIT/ DEBIT CARDS.
