Below are the total number of passengers per run per day. The numbers at the top of each chart refer to the run. If you are not sure of the run that you normally take, you can look at a schedule and search for the time and location that you board the bus. On the schedules, at the top of the rows are the same run numbers that are listed below. You can use these numbers to see which buses are full and which have seats available. For your information, each bus is equipped with 55 seats.
