Purcellville Volunteer Fire Department, Inc.

Doug Rambo, Chairman, Fire and Rescue Commission
Loudoun County Department of Fire and Rescue
16600 Courage Court
Leesburg, Virginia 20175

Chairman Rambo:

On September 12, 2005 the membership of the Purcellville Volunteer Fire Company voted to ask the Department of Fire and Rescue for an additional eight personnel. The intent is to have staffing in the station twenty four hours a day, seven days a week. Our goal is to combine career staffing and volunteer staffing to assure the rapid deployment of both the engine and the tower. It is our hope that this letter will set into motion the planning phase for increasing the staffing level in our station.

I look forward to meeting with you in order to further discuss any questions or concerns that you may have

Respectfully:

Richard Reaves, President
Purcellville Vol. Fire Co.
