.SECTION 01011
GENERAL PARAGRAPHS

PART 1 GENERAL

1.1 SPECIFICATIONS, STANDARDS, AND CONTRACT DOCUMENTS

A. The latest edition, at the time of award, of Specifications and Standards referenced in this specification apply as though wholly incorporated herein, unless otherwise noted. In case of differences between the referenced Specifications and Standards, and between these Specifications and the accompanying Drawings, and between these Specifications and the Construction Quality Assurance Plan, these Specifications and the accompanying Drawings shall govern. The CONTRACTOR is responsible for providing the necessary referenced documents.

B. Maintain two complete sets of the Contract documents (including Drawings and Specifications) at the job site.

C. Maintain one copy each of the Virginia Erosion and Sediment Control Handbook, latest edition, and the Virginia Department of Transportation (VDOT) Road and Bridge Specifications, latest edition.

1.2 ITEMS FURNISHED TO CONTRACTOR

A. Ten sets of full-size Drawings and 10 sets of Specifications will be provided without charge. Publications incorporated into the technical provisions by reference will not be provided. Compare all Contract Drawings with the site and verify the dimensions and conditions at the site before laying out the work and preparing shop drawings.

B. One copy of any changed documents due to addenda or Contract modifications will be provided to the CONTRACTOR.

C. One copy of all OWNER forms referred to herein will be provided to the CONTRACTOR at the Precon for reproduction.

D. Electronic files of the construction plans will be made available to the CONTRACTOR after contract award.

PART 2 MATERIALS - NOT USED
