Quick Reference - Permitted Solid Waste Collectors

The quick reference guide provides links to tables by material collected. All of the currently permitted solid waste collectors are identified in at least one of six tables. The contact information is for the solid waste collectors currently permitted to operate in Loudoun County from April 1, 2012 until March 31, 2013.

Some collectors may appear in all the tables because they offer a wider variety of services. Click on the **Table** for immediate access to the Table.
