SUBJECT: SIGNIFICANT INCIDENT REPORT/Q4 FY2020/Sheriff’s Office

STAFF CONTACTS: Sheriff Michael L. Chapman
Colonel Mark Poland, Undersheriff

BACKGROUND: The Sheriff’s Office compiles a variety of reports to ensure information dissemination to senior staff and affected personnel of significant incidents, crime analysis and traffic issues. Because many of these reports contain sensitive and confidential information, they are not released outside of the department. Additionally, State law governs the dissemination of records, criminal history and other law enforcement information and provides penalties for improper release. To inform the public, a brief activity summary that complies with applicable law is prepared daily by the Sheriff’s Office Media Relations and Communications Section and disseminated to the media, the Board of Supervisors and other interested parties.

The statistics that are summarized in the Sheriff’s Significant Incident Report and submitted to the Board of Supervisors on a quarterly basis are Significant Incidents, Continuing Trends, Part 1 Crimes and Agency Highlights. *Crime statistics are based on reports submitted to RMS as of August 10, 2020.*

Arrests in July Homicide

Two men were arrested and charged in connection with the July 8 homicide of a 24-year-old Winchester man following an investigation conducted by the Loudoun County Sheriff’s Office.

The suspects, Gavin C. Collins, 21, of Sterling and Joshua M. Hunter, 22, of Woodbridge are both charged with First Degree Murder, Conspiracy to Commit Robbery, and two counts of Using a Firearm while in the Commission of a Felony (Robbery and Murder). Collins is also charged with Possession of a Schedule I Narcotic, Felon in Possession of a Firearm, Possession of a Firearm while in Possession of a Schedule I Narcotic, an outstanding Capias (Loudoun), and a Probation Violation (Prince William).

During the early morning hours of July 8, the victim agreed to meet Collins in the area of Emerald Point Terrace. Both Collins and Hunter showed up. During the course of their encounter a dispute occurred and the victim was shot and killed when Collins and Hunter attempted to rob him. Both Collins and Hunter then left the area, taking the victim’s car.

The victim, Jose I. Escobar Menendez, was later located deceased in the roadway along Emerald Point Terrace near Winding Road around 3:30 a.m.

During the course of the investigation, the victim’s vehicle was located in Prince William County and a third suspect, Handy N. Colindrez, 24, of no fixed address, was arrested as part of the investigation. Colindrez has been charged with Grand Larceny (Auto Theft).
Newark Man Faces Federal Charges After LCSO Investigation

An LCSO investigation into a Newark, NY man who solicited a Loudoun juvenile over social media led to federal charges against the suspect. The U.S. Attorney’s Office of the Western District of New York announced in July that Matthew Holland, 28, was arrested and charged by criminal complaint with production, receipt, and possession of child pornography, and online enticement of a minor. The charges carry a minimum penalty of 15 years in prison, a maximum penalty of life, and a $250,000 fine.

Ashburn Man Arrested in Connection with Series of Indecent Exposure Cases

An Ashburn man was arrested in July after he exposed himself to an adult female. Detectives with the Loudoun County Sheriff’s Office have connected him to a series of indecent exposure cases dating back to November 2019.

On July 14 the suspect, identified as 24-year-old Jerson Montoya-Mendoza, pulled up in his vehicle next to two adult females who were walking in the area of Ashburn Village Boulevard and Pavilion Parkway. The suspect exposed himself and was performing a sexual act while watching pornographic material on his cell phone before he drove off.

The suspect was located by members of the Loudoun County Sheriff’s Office and a traffic stop was conducted on the suspect’s vehicle.

As part of the ongoing investigation, Montoya-Mendoza was connected to six additional cases. The first occurred on November 8, 2019, with additional cases reported in April, May, and June of this year. Three of the cases involved juveniles.

Montoya-Mendoza is charged with seven counts of Obscene Sexual Display in Public, one count of Indecent Liberties with a Child, and one summons for Display Obscene Image While Inside a Vehicle. He is being held at Loudoun County Adult Detention Center without bond.

Sterling Man Practicing Unlicensed Dentistry Faces Additional Sex Assault Charges

A Sterling man charged earlier this year with the sexual assault of a juvenile and practicing dentistry without a license now faces eleven additional charges after a continued investigation by the Loudoun County Sheriff’s Office Special Victims Unit.

Juan Ramos Jacobe was charged in July with an additional 1 count of Assault & Battery, 5 counts of Sexual Assault, and 5 counts of Practicing Unlicensed Dentistry. The additional charges stem after an additional 5 victims came forward.

Ramos Jacobe was initially arrested on March 26, 2020, after a juvenile victim told her family the suspect assaulted her while she was at his home earlier that week. She reported she was mildly sedated at the time to have dental work performed. The age of the victim is not being released to help protect her identity.

An investigation conducted by LCSO determined Ramos Jacobe was operating a makeshift dental clinic out of his home in the 700 block of N. York Road. It was determined Ramos Jacobe has been conducting unlicensed dentistry from his home since 2016.

Ramos Jacobe continues to be held without bond at the Loudoun County Adult Detention Center.
Our Commitment to the Community

As the nation reflected on the tragedy in Minneapolis, the LCSO received and answered numerous questions from our community regarding the reprehensible and criminal actions of the officers with the Minneapolis Police Department surrounding the death of George Floyd.

The Loudoun County Sheriff’s Office has been at the forefront of de-escalation training, and in partnership with the Northern Virginia Criminal Justice Training Academy and its 17 member law enforcement agencies, we meet or exceed nationally recognized best practices in law enforcement. ALL of the policies in the #8CANTWAIT campaign have been in practice and remain as longstanding policies of the Loudoun County Sheriff’s Office.

Additionally, the LCSO has implemented many proactive programs and training for the safety of our residents and staff - Some are Listed Below:

- Mandatory Diversity Training for all Deputies
- Nationally Recognized & Model Crisis Intervention Training Program
- Accredited Through VLEPSC Since 1999- Called Model Agency in Commonwealth
- D.A.R.E. Decision Making Model for Elementary & Middle School
- Enhanced Community Outreach (Citizens’ Police Academy-Public/Child Safety Day
- Nationally Recognized & Model School Resource Officer Program
- McGruff Safety Camps & Other Youth Educational Programs
- Wellness Program with Chaplain & Peer Support Team

To further assist our community with questions and to continue our efforts to be transparent in our actions and policies, the LCSO developed a webpage to help answer many questions.

The page includes information on our commitment to the training of our deputies to protect and preserve life, and the most frequently asked questions received from our community of the agency’s Body Worn Camera (BWC) program, de-escalation training, and response to resistance (use of force) investigations.
Virtually Keeping Children Safe

For the first time in its 30-year history, the LCSO and Loudoun County Combined Fire and Rescue System held a virtual McGruff Camp.

The campers were provided short educational videos developed by LCSO and LC-CFRS personnel for each day of the camp. Some of the topics discussed included Fire Safety, Using 9-1-1, and Crossing the Street.

The camp included activity worksheets and concluded with a special drive-thru graduation was held for the campers at the end of the week.

Over 350 Loudoun residents signed up for the virtual camp.

Adult Detention Center Receives 100% Compliance

The Loudoun County Sheriff’s Office Adult Detention Center (ADC) received 100% compliance after a four-day audit of the Virginia Board of Corrections’ Compliance Standards for local correctional facilities.

The ADC and its employees achieved 100% compliance this week following the completion of this intensive audit. The audit reviewed documentation from the last three years of operation and ensured compliance with 128 strict compliance standards, including 43 Life, Health and Safety standards, necessary for certification.

Since the LCSO opened the state-of-the-art adult detention center in 2007, the LCSO has continued to receive 100% compliance through the Commonwealth of Virginia.

The audit was conducted by the Department of Corrections Compliance and Accreditation Unit.

The Adult Detention Center includes LCSO administrative offices and the Loudoun County Magistrate’s Office within the facility.

The Adult Detention Center uses both the direct and podular remote methods of inmate supervision.
LCSO Prescription Pick-Up and Delivery Service Continues to Serve Loudoun
The Loudoun County Sheriff’s Office made its 100th prescription medication delivery in June. As of August 16, the LCSO has made over 138 deliveries.

The LCSO announced the prescription pick-up and delivery assistance program in April for the county’s senior residents and those who are more vulnerable to Coronavirus (COVID-19).

Members of the Loudoun County Sheriff’s Office (LCSO), in coordination with the resident, or their family, as well as local pharmacies, pick-up prescription medications from Loudoun pharmacies and deliver the items to private residences in the county.

The service requires the resident to pre-pay for the prescription and confirm their pharmacy allows third-party pick-up for the medication. For health considerations, the LCSO cannot deliver to assisted living communities, care facilities, senior centers, or group homes.

The Loudoun County Sheriff’s Office welcomed 14 new recruits today in a special combined graduation ceremony.

The ceremony honored those who graduated from the 142nd session of the Northern Virginia Criminal Justice Training Academy (NVCJTA) and Class 6 of the Skyline Regional Criminal Justice Academy (SRCJA).

Deputy Velasquez was second in the class for the Emergency Vehicle Operator Course (EVOC) and Deputy Jarvis and Deputy McGlynn were second and third overall in the class in firearms proficiency.

The Loudoun County Sheriff’s Office continues to attract highly qualified candidates and has attained the lowest vacancy rate for sworn personnel in the agency’s history. The agency has also hired over 70 pre-certified law enforcement officers from other jurisdictions in just the past two years.
Taking the Lead

Deputy First Class Jeremy Krapfl recently received his certification as an approved motorcycle instructor. DFC Krapfl, a member of the Loudoun County Sheriff’s Office Motor Unit, successfully completed the Fairfax County Police Department Instructor School in July 2020.

The training included off-road/adverse terrain, advanced riding skills, surmounting obstacles, defensive riding skills, high-speed curve negotiations, and instructor training.

The certification will allow the Loudoun County Sheriff’s Office Unit to conduct in-house training and will increase the proficiency of the LCSO motor unit.

The Motor Unit holds a unique position within the LCSO. Their primary duties include traffic enforcement, special assignments such as VIP escorts or funerals, parades, special events, and community events.

Captain McDonald Graduates from Southern Police Institute

Captain Easton McDonald graduated in May from the Southern Police Institute (SPI), University of Louisville, Louisville, KY Administrative Officers Course.

The intense twelve week accredited college educational program for police command personnel is designed to develop informed, effective, ethically and technically competent law enforcement managers who are capable of assuming positions of leadership in their respective agencies. “This program increases the professionalism of our leadership staff and enables the agency to network with other large law enforcement agencies throughout the country,” said Loudoun County Sheriff Mike Chapman.

Captain McDonald, a 19-year veteran of the Loudoun County Sheriff’s Office, currently serves as the Assistant Division Commander in the Operational Support Division.

The 143rd Administrative Officers Course included courses on leadership, police administration, legal issues, and organizational performance and behavior. Graduates of the Administrative Officers Course are well positioned to help improve their communities and their organizations.

This comprehensive development program provides instruction in law enforcement issues, diagnostic problem solving, and administrative law. The varied methods of instruction used by the faculty permit participants to engage their individual creativity and initiative through the analytical examination of issues and problems faced by contemporary law enforcement executives. This course is required as a prerequisite for appointment to the position of police chief by many government jurisdictions throughout the United States. Numerous graduates of the Administrative Officers Course are among today’s law enforcement leaders directing agencies throughout the United States and abroad.

SD Cenate is a School Resource Officer at Eagle Ridge Middle School. Deputy Cenate and all LCSO School Resource Officers are a mentor, teacher & guardian of all students.

Saluting Our Heroes

The LCSO was honored to join first responders in Loudoun County and Northern Virginia to thank health professionals and essential personnel at Inova Loudoun Hospital and StoneSprings Hospital Center for their dedication. The salute to healthcare workers was held during their shift changes.

Welcome Ginny!

The Loudoun County Sheriff’s Office welcomed the agency’s newest member in May. Two-year-old Ginny and her partner Deputy First Class Chris Shore graduated from Explosive Detection Canine (EDC) School this past Spring.

DFC Shore is a 20-year veteran of the Loudoun County Sheriff’s Office and has been a member of the Loudoun County Bomb Squad for 15-years. K9 Ginny, a Labrador Retriever, and DFC Shore completed an intensive 16-week, 7-day a week training course which consisted of imprinting on explosive odors and refining handler techniques and searching skills.

DFC Shore and K9 Ginny will assist with searches during bomb threats, investigate suspicious packages, help with security at special events, and assist with future searches associated with the Silver Line section of METRO.

The training was also attended by Deputy First Class Erik Dimas, who served as a co-trainer in the class, to work towards completing the mandatory requirements set forth in obtaining his Explosive Detection K9 Trainers Certification through the United States Police Canine Association (USPCA).

D.A.R.E. Calendar Winners Recognized

Deputy First Class Dawn Harding, an LCSO D.A.R.E. Instructor, had the pleasure of recognizing Sabrina Metzler from Lovettsville Elementary School as the 2020-2021 D.A.R.E. calendar cover winner.

Each year the LCSO selects drawings from 5th grade students that they create during the school year as part of the D.A.R.E. program. Out of the over 6,000 students only 13 are selected for our official D.A.R.E. Calendar, with one for each month and one for the cover of the calendar. Congratulations to Sabrina and all of this year’s calendar and essay winners.

A Future in Law Enforcement

Congratulations to Nathan Ellis who was presented a scholarship certificate in June as part of the Virginia Sheriffs’ Institute (VSI) scholarship program.

Mr. Ellis, a Leesburg resident, is majoring in criminal justice at George Mason University. While pursuing an advanced high school diploma, Mr. Ellis was a dual enrollment student where he completed 13 Northern Virginia Community College courses graduating with a cumulative 4.01 GPA!

This year, the VSI awarded 68 scholarships to young people across the Commonwealth. The scholarship program, established by the VSI’s Board of Directors, was established to provide an opportunity for students to pursue an educational curriculum in law enforcement or the criminal justice field while attending a Virginia college or university.
Significant Incidents:

- Two suspects were identified and arrested for the April 2020 strong-armed robbery of a Sterling Exxon. Jorge A. Alvarado-Soriano, 19, and the second suspect, Elias G. Guzman, 20, both of Herndon, were charged with robbery and conspiracy to commit robbery. The suspects entered the convenience store of the gas station located at 45601 Falke Plaza at approximately 1:15 p.m. on April 12. The clerk reported one suspect went to purchase a drink. After the clerk opened the register, the one suspect jumped over the counter. The second suspect went around the counter and removed an undisclosed amount of cash from the register. No weapons were displayed during the robbery.
Significant Incidents:

- LCSO has been assisting Loudoun County Animal Services and the Virginia State Police with a series of social media postings of videos and photographs portraying graphic and disturbing acts of animal torture on Instagram. Although the Internet Protocol (IP) addresses attached to the videos indicate that the incidents occurred in and around Ashburn, the ongoing investigation has determined that these videos likely originated outside the United States.
