

Temporary Closures on Old Ox Road Starting Sunday

Dominion Energy will be providing power connections to a new electric substation adjacent to Old Ox Road between Loudoun County Parkway and Bears School Road. While they are pulling electric transmission conductor across the road (red arrows in the map represent the line crossings), temporary closures on sections of Old Ox Road will be required.

VDOT is allowing brief (about 10 minutes each) closures on Sunday, May 17 throughout the day between sunrise and sunset. On Monday May 18 through Thursday May 21, road closures will occur periodically between 9:00 AM and 12:00 PM.
