WHY PROGRAM LEVELS?
The safety and well being of our participants is paramount and we want them to get the most out of every activity offered. A participant may start our programs at a certain level but over time their life skills, mobility, and cognitive abilities may change. We assign levels to our activities based on research and experience. Please contact us if you have any questions about your participant.
PARTICIPANT CODE OF CONDUCT

Be respectful to peers, staff, volunteers and public.

Listen and follow all directions from staff and volunteers.

Stay with your assigned group and leader.

Keep hands and feet to self.

Use friendly language and tones of voice.

Use equipment and supplies appropriately.

NOTICE

It is the goal of the Adaptive Recreation program for all participants to have an opportunity for a safe and enjoyable experience. Failure to follow the code of conduct may result in verbal/written warnings, suspension or removal from future activities and programs. At any time, should Adaptive Recreation staff be concerned that a program or activity is not in the participant’s best interest or well-being, staff will contact the participant and/or caregiver to discuss available options.
PROGRAM OUTLINE

PROGRAM VISION
To provide individuals of all abilities with opportunities to choose participation in leisure programs, which may enhance their quality of life and foster respect for and acceptance of diversity within the community.

PROGRAM MISSION
Our mission is to provide a safe, nurturing and fun environment for individuals of all abilities. We strive to create opportunities that foster individual growth and success; building partnerships with participants, families and the community for new, innovative, successful and inclusive opportunities.

PROGRAM IMPLEMENTATION
Adaptive Recreation staff categorize all activities by skill level in an effort to provide safe and successful activities for all participants, staff and volunteers. In order to maintain safety and success, we ask you to carefully consider your participants’ needs.
