Mickie Gordon Memorial Park Wireless Monopole Tower Project Update

Location Selected

Submit Your Tower Color Preference Before September 17

Sent: September 3, 2021

VIEW THE PREFERRED LOCATION

THEN COMPLETE THE COLOR SURVEY

I want to thank everyone who completed the location selection survey, joined the community meeting, and attended the balloon fly. Based on your input, a location has been selected for the two monopoles!

Currently the preferred location for the monopoles is situated on the northwest corner of Mickie Gordon Memorial Park. This location choice is supported by near unanimous feedback received at the balloon flies, community meeting, and also the online survey.

The community's preferred location will be reported to the Board of Supervisors when the application is considered for approval or denial. The community will also have opportunities to provide input directly to the Board during the public application consideration process.

Now, the applicant is seeking the public's preference for the proposed monopole color options in either brown or grey. Check out the [design page](#) on the project website for images that include only one monopole simulated from the preferred location, with options shown in both color choices.

This survey will remain open until September 17, 2021.

About the Project

Milestone Towers is proposing to construct a new wireless telecommunications facility (155 foot monopole and ground equipment) at Mickie Gordon Memorial Park (23229 Carters Farm Lane, Middleburg, VA 20117).

All our best!
