Dulles District

COVID-19 Vaccination Site at Dulles Town Center to Reopen Friday 9/17

In preparation for the CDC and VDH recommendations for COVID-19 vaccine booster doses and for vaccinating children ages 5-12, Loudoun County will resume vaccination operations **by appointment only** at its Dulles Town Center site, located at 21090 Dulles Town Circle in Sterling. In addition, because the Dulles Town Center site will reopen, the Health Department will cease operation of the COVID-19 vaccination clinic at Sterling Elementary School at this time. Anyone with an existing appointment at the school site will be contacted to transfer their appointment to the Dulles Town Center site.

The CDC and VDH are expected to announce recommendations for a COVID-19 vaccine booster dose within the next week, once authorization for a booster is provided by the FDA. It is unknown at this time whether boosters will be recommended for all COVID-19 vaccines or the time interval for receiving a booster. Recommendations for vaccinating children ages 5-12 are expected in the coming weeks. Currently, a third dose of COVID-19 vaccine is [recommended](#) only for people who received two doses of either Pfizer or Moderna and are [moderately and severely immunocompromised](#).

All residents who need a COVID-19 vaccine may receive one from many providers in the community, such as medical offices and pharmacies including, but not limited to, CVS, Giant Food, Harris Teeter, Safeway, Walgreens, Walmart and Wegmans. Visit [vaccines.gov](https://www.vaccines.gov) to find a vaccination site near you.

To make an appointment for a COVID-19 vaccine at the county's Dulles Town Center site beginning Friday, September 17, visit loudoun.gov/covid19vaccine.

Loudoun County encourages everyone to stay informed about COVID-19 and the upcoming vaccination recommendations.

[Electronics Recycling Event Saturday 9/18](#)

The next Loudoun County electronics recycling collection event is scheduled for September 18, 2021, 9:00 a.m. - 3:00 p.m. at the [Leesburg Park and Ride](#).

For a list of accepted and non-accepted electronics, please click [here](#).

On-site hard drive destruction will be provided upon request for \$4 per hard drive if removed from computer prior to event. Destruction services for intact hard drives, or those that have not already been removed from the computer will cost \$20 each.

Fees are as follows:

- \$10 per television or computer monitor.
- \$4 per pre-removed hard drive destroyed on-site (hard drive must be removed from computer prior to bringing to the event).
- \$20 per intact hard drive destroyed on-site (if hard drive is not removed from computer prior to bringing to the event).

Members of the public who are not fully vaccinated against COVID-19 are encouraged to wear face coverings during any interaction with event staff.

Call 703-771-5514 or [send an email](#) for more information about the county's electronics recycling events.

Visit [Securis](#), Loudoun County's electronics recycling service provider, for details about their recycling process, data destruction, monthly [residential electronics recycling collection events](#) and commercial IT asset removal and recycling services.

Dulles South Rec Center Pools Closed Monday 9/20

The competition and leisure pools at the Dulles South Recreation and Community Center will be closed on Monday, September 20, 2021, while a gas line is moved in preparation for enhancements to the air handling system. The pool closure is expected to last one day. Community center programs will not be impacted by the project. Box lunches will be substituted as the noonday meal for members at the Dulles South Senior Center due to the gas line work.

A status update will be posted on the [DSRCC Facebook page](#) when the work is completed.
