**Mission:** The Field Operations Division provides twenty-four-hour pro-active patrol of Loudoun County as well as reactive response to calls for service. It is also responsible for routine traffic enforcement and preservation of crime scene evidence. The patrol shifts are responsible for answering calls for service and general enforcement within the entire county.

Up and Coming

- **Retail Theft Operation**
  - Proactive Enforcement to combat seasonal increases in retail theft at the Dulles Town Center and surrounding Commercial Area

- **Metro Coming 2022**
  - Over 250 deputies trained on response to metro incidents
  - Ongoing planning with WMATA and MTPD.
Mission Statement

The Crime Prevention Unit emphasizes the prevention of property crime as our first priority.

- Conduct Security Assessments of Residences, Businesses, Communities, and Non-Profit Organizations
  - Develop Neighborhood and Business Watch Programs
- Participate in the Virginia Triad program That Focuses On Reduction of Crimes Against Seniors
- Coordinate Public Education Programs To Include Fraud & Scam Prevention, Internet Safety, Personal Safety, and Burglary Prevention
CPTED

Crime Prevention Through Environmental Design is based on principles of designing spaces that reduce the opportunity and desirability for criminal acts to occur.

CPTED principles makes spaces more comfortable and safer to owners and visitors.

Significant Cases

Grand Larceny:
SO210014242

• An unknown male entered the Diamond Concepts store at DTC mall and asked to try on a heavy gold necklace. After being handed the necklace, the male fled the store.
Significant Cases

Initial Findings

- The only witness in this case described the suspect as having a fish tattoo on his forearm.
- Prince William County was working multiple similar larcenies, with a similarly dressed subject that had forearm tattoos. PWCPD’s subject was seen using a Black Ford Truck with Delaware Tags.
- PWCPD located the registered Delaware owner of the truck, who reported that he sold it to a Loudoun resident.
- The suspect matched the description of the suspect and has a prominent fish tattoo on his left forearm.
- The suspect was found to have several recent pawn records for gold jewelry.
## Incident Patterns

Comparing LCSO’s and PWCPD’s larceny dates with the suspect’s pawn records at Manassas Cash For Gold. The suspect sold similar gold jewelry the day of, or the day after the thefts.

Significant Cases

Case Resolution

- LCSO secured charges of Grand Larceny, and Larceny with Intent to Sell against the suspect.
- The suspect was arrested at a relative’s house in Manassas and he subsequently confessed to the thefts.
- Diamond Concepts stolen gold necklace was unable to be recovered, the shop sent the necklace off to be melted before it could be recovered by LCSO.

Larceny of Vehicle Parts

Catalytic Converter Thefts
Thieves target catalytic converters because many contain precious metals, which are then sold to a scrap yard for cash.

What Can You Do?
• When possible, park in well-lit areas and close to building entrances.
• Calibrate your car’s alarm to set off when it detects vibration.
• Install an overt video surveillance system and place the camera facing your vehicle.
• If you have a garage at your house, park your car inside and keep the garage door shut.
• Have the catalytic converter welded to your car’s frame or attach a security device.
• Engrave your vehicle identification number (VIN) on the catalytic converter.

Report suspicious activity to your local law enforcement agency.

Loudoun County Sheriff’s Office
Emergency: 9-1-1
Non-Emergency: 703-777-1021
Reminder

The Loudoun County Sheriff’s Office #9PMRoutine

Assistant Station Commander
New State Traffic Laws for 2021

In March 2021, the Virginia General Assembly passed new laws limiting law enforcement’s ability to conduct traffic stops for equipment violations.

This has led to an increase in the use of altered mufflers by drivers and many residents have complained about the excessive noise on roadways around their homes.

The Loudoun County Sheriff’s Office remains vigilant in addressing the concerns of our residents and are focused on utilizing the laws available to law enforcement to address speeding and moving violations.

**Changes in Traffic Stop Law in Virginia under 46.2**

- **No law enforcement officer shall stop a motor vehicle for a violation of the following offenses:**
  - § 46.2-1003 where a vehicle is operated on a public highway with equipment that is defective/ altered and in an unsafe condition.
  - § 46.2-1049 where a vehicle’s exhaust system is non-standard, not in good working order or in violation of some other part of the statute.
  - § 46.2-1052 where a vehicle is in violation of tinting, sign, decal and sticker restrictions under the statute.
  - § 46.2-1157 where a vehicle’s inspection sticker has expired prior to the first day of the fourth month after the original expiration date.
The LCSO uses CityProtect as an online mapping and analysis service that combines the value of law enforcement data with the ease of use of Google-based mapping and an analytics module so that members of the public can view police data in a high-impact map or summary descriptive format.

Many residents have asked about the option to register their security camera at CityProtect.com. Registration is 100% voluntary and does not provide the law enforcement with direct access to your security system/camera. Your personal information will be kept confidential by the LCSO and registration information will only be accessed by law enforcement if there is a criminal incident that was possibly captured by your security camera. LCSO detectives or deputies may request a copy of any video captured by your camera, if it may assist in the investigation of a crime.
