Hello my fellow OWLS

With winter and chilly days upon us, would you like to do word puzzles to keep occupied? David Oullet has printable WonderWord puzzles on-line. I’ve placed a few in the Club Room on the desk in case you are interested. Yes, I’m now hooked on them! They can be found on WonderWord.com Be sure to also check out some books, DVDs, or audio books. Curl up under a blanket with one and just relax. - Sara

Holiday Traditions, Traditions.....Traditions

When I was raising my family, we would give a gift that the whole family could use, not eight days of presents. One year we bought a new TV set. Tradition states that the oil in the lamp was supposed to last one night. That oil lasted eight days. That is why the festival lasts for eight days of light. We always celebrated with latkes'-potato pancake with sour cream and applesauce.

- Ellen Nagel-Paris

Our family traditions in Lancaster, PA included eating a piece of Moravian Sugar cake on Easter and Christmas morning. It's a delicious coffee cake made with generous amounts of melted butter, brown sugar and cinnamon poured on top! My parents, Charles and Janet, ordered this treat many months in advance from the local Moravian church because they were and still are extremely popular. The recipe was brought to the USA by Moravian settlers from Germany in 1735. It was a great way to start our celebrations with family and friends. Happy Holidays!

Bob Anderson was born and raised in Morgantown, WV. He and his wife Joy settled in Moundsville, WV where he taught fifth and sixth grades before becoming an elementary school counselor. He earned a bachelors degree in elementary education from West Liberty State College and a masters in guidance and counseling from WVU. Bob taught from 1978 to 2002, and substituted in Frederick County, MD, before retiring for good.

Bob has volunteered for years at the center as a member of the advisory board, working the front desk, running the gift shop, and currently teaches an adult coloring class.

Fun facts: Bob sang at both the Kennedy Center and at the White House. He has five grandchildren – 3 in WV and 2 in New Zealand – that he enjoys and adores!
