**During 2020**
We met sparingly during the 2020 shutdown, holding meetings in January and October of that year.

**During 2021**
In April of 2021 we resumed our monthly meetings, which are held on the first Thursday of each month.
Your Advisory Board made great strides in 2021.

We provided Mother's Day flowers and Father's Day lottery scratch-off tickets. In the summer we began running the Snack Shoppe and providing BINGO prizes. For August's Luau, we allocated funds to pay for the DJ, provided volunteer support, and supplied the tasty macadamia nuts. And, not to be forgotten, we oversaw an eventful October, hosting Oktoberfest and helping with food service and candy purchases for the Halloween party.

We jazzed up the Veteran's Day celebration with musical entertainment and assisted at the Thanksgiving luncheon.
Kurt and the guitar groups (which include Advisory Board Members) performed for the first time at the luncheon. To close out the year, Advisory Board Members managed food service for the Holiday Luncheon and the Holiday Basket Raffle successfully raised funds for more wonderful activities for the new year!

If you have any suggestions for events, please reach out to any Board Member. We are here for you.

My dear friends, the Senior OWLS:

Finally: Spring your clocks ahead and welcome Spring this month!! Yah – whooooo!

There has been a little uptick in the use of your library and I thank you all for that. Please continue to check out and enjoy reading or watching movies.

In case you wonder, yes, there are times I have to weed out older items to make room for newer items. For hardbacks, I’ll keep 10 years or newer, and paperbacks 5 years or newer. When newer items are added, I try to put a “Newly Added” marker in it and display it in the lobby to attract your attention.

In the last 7 months, only 2 audio books have been checked out so you may see this collection slowly disappear.

The DVDs are separated into genre – Adventure, Documentary, Drama, Military, Romance, Suspense/Mystery, Western and Musical. And I’m working on putting them in order by title.

So, please continue to enjoy your library! And enjoy the warmer weather and longer days!

Sara

Born in Nagoya, Japan, Joni Rose must have inherited the travel gene. She has traveled extensively through Mexico, Central and South America, and has lived in the Netherlands, Germany, Israel, India and on both coasts of the United States.

Two of Joni’s favorite jobs were working as the Community Liaison Officer at the US Embassy in Tel Aviv and dressing as a colonial, giving walking tours of the rich history of Annapolis, Maryland.

Volunteering has always been a part of Joni’s giving back to her community while enriching her own life through interacting with the wonderful people she meets. Tuesday, you will find Joni delivering meals to local residents, and on Fridays she enjoys helping in the kitchen at the Senior Center.

She considers her greatest legacy to be her two wonderful adult children.

Joni believes a sincere, infectious smile is a wonderful way to lift a person’s spirit. Yes, there is a smile under her mask!
