Mission: The Field Operations Division provides twenty-four-hour pro-active patrol of Loudoun County as well as reactive response to calls for service. It is also responsible for routine traffic enforcement and preservation of crime scene evidence. The patrol shifts are responsible for answering calls for service and general enforcement within the entire county.

- Pocket-Picking, 2, 1%
- Purse Snatching, 2, 1%
- Shoplifting, 65, 24%
Larceny of Vehicle Parts

Catalytic Converter Thefts
Thieves target catalytic converters because many contain precious metals, which are then sold to a scrap yard for cash.

What Can You Do?
- When possible, park in well-lit areas and close to building entrances.
- Calibrate your car’s alarm to set off when it detects vibration.
- Install an overt video surveillance system and place the camera facing your vehicle.
- If you have a garage at your house, park your car inside and keep the garage door shut.
- Have the catalytic converter welded to your car’s frame or attach a security device.
- Engrave your vehicle identification number (VIN) on the catalytic converter.

Report suspicious activity to your local law enforcement agency.

Following the most recent session of the Virginia General Assembly, a bill was passed to amend and reenact the Virginia Code that returns the enforcement of Improper Exhausts by a law enforcement officer as a primary offense. The new law took effect on July 1, 2022, and replaces the March 2021 law restricting law enforcement’s ability to conduct traffic stops for this equipment violation (making it a secondary offense).

Virginia law § 46.2-1049 continues to require exhaust systems to be in good working order “and in constant operation to prevent excessive or unusual levels of noise.” Violations are punishable by a fine of no more than that provided for a Class 4 misdemeanor.

**What is the difference between a primary and secondary offense?** A primary offense is a traffic violation, that on its own, law enforcement establishes reasonable suspicion to make a traffic stop. A secondary offense is a violation that law enforcement can observe, but not pull over unless the officer observes a primary offense.
SEARCH AND RESCUE
Master Deputy Devaney
Search and Rescue Team Coordinator
1st Lieutenant Greg Rogers

Assistant Station Commander

SIGNIFICANT CASES

SO220007652

Charges:

- Credit Card Theft/Fraud X8
- Identity Theft X8
- False Pretenses X2
- Obstruction of Justice X1
On 05/03/2022, Detective Roque received a request to assist the Isle of Wight Sheriff’s Office with a fraud case.

A citizen in their jurisdiction had a fraudulent charge on their credit card for vehicle parts from the Carquest Auto Parts in Sterling. The victim called the store who reported a male came in and ordered a part, but it was a special order, and he was picking it up later in the day.

The detective from IWSO called the store and confirmed the story and then reached out to LCSO for assistance.

Detective Roque responded to the store and attempted to detain the suspect, who resisted, then fled. He was found in the shopping center later by patrol units.

Review of evidence recovered found that the suspect was in possession of multiple stolen credit cards, credit card information, and personal identifying information.
SIGNIFICANT CASES

Case Resolution

- LCSO secured 19 warrants against the suspect with the option of many other charges. Currently the suspect is being held at the Loudoun County Adult Detention Center awaiting trial.

- Charges were also obtained by Isle of Wight Sheriff’s Office and other jurisdictions have pending investigations.
A 17-year-old from Sterling has been charged in connection with the June 11 shooting of three people on N. Fillmore Avenue.

The juvenile was served eight petitions this week and charged with one count of Attempted Aggravated Murder, three counts of Malicious Wounding, and four counts of Use of a Firearm During the Commission of a Felony.

The Sterling teenager was previously arrested on June 13 following a traffic stop in Loudoun County. At the time of the traffic stop, the 17-year-old was found in possession of a firearm and was charged with Possession of a Firearm by a Person Under the Age of 18 and Carrying a Concealed Weapon. He has been held at the Loudoun County Juvenile Detention Center since June 13.

The preliminary investigation has determined at least one of the victims was targeted during the shooting and this was not a random act. Multiple search warrants have been filed in the case and the vehicle involved in the shooting has been recovered.

LCSO Deputies initially responded to the area of N. Fillmore Avenue near Hetcher Road shortly after 7:30 p.m. on June 11 where an adult female victim was located suffering gunshot wounds. Two additional victims who were suffering minor injuries later returned to the scene. All three victims were later released from the hospital.

This case remains an ongoing investigation and anyone with any information regarding this case is asked to contact Detective R. Schmidt of the Loudoun County Sheriff’s Office at 703-777-1021. You may also submit a tip through the Loudoun County Sheriff’s Office app. The Loudoun Sheriff app is available on the iTunes App Store and Google Play.
SIGNIFICANT CASES

Can you Identify?

Can you Identify?  

**Incident Date / Time:** June 29, 2022/4:46 p.m.  
**Location:** 22300 block, S. Sterling Boulevard, Sterling

On June 29, the victim reported that while walking to her vehicle in the 22300 block of S. Sterling Boulevard, a male on a red bicycle approached her from behind and took her purse. The subject pictured later used one of her cards from her stolen wallet in Herndon, VA.

Anyone with any information regarding this subject is asked to contact Detective M. Grimsley at 703-777-1021. You may also submit a tip through the LCSO app. The Loudoun Sheriff app is available on the iTunes App Store and Google Play.
