Incident reports are posted each regular business day, Monday through Friday, except holidays. These reports are not all-inclusive for cases reported, but only those noted for media interest. To review prior Daily Incident Reports please visit [www.sheriff.loudoun.gov/dailycrime](http://www.sheriff.loudoun.gov/dailycrime) To determine your station area, please go to [www.sheriff.loudoun.gov/findmystation](http://www.sheriff.loudoun.gov/findmystation).

The LCSO also provides an online mapping and analysis service through [www.sheriff.loudoun.gov/CityProtect](http://www.sheriff.loudoun.gov/CityProtect) that combines the value of law enforcement data with the ease of use of Google-based mapping and an analytics module. Members of the public can view up-to-date information on nearly all Loudoun County Sheriff’s Office calls for services that are relevant to their community.

## Eastern Loudoun Station

Catalytic Converter Thefts
Thieves target catalytic converters because many contain precious metals, which are then sold to a scrap yard for cash.

What Can You Do?
- When possible, park in well-lit areas and close to building entrances.
- Calibrate your car’s alarm to set off when it detects vibration.
- Install an overt video surveillance system and place the camera facing your vehicle.
- If you have a garage at your house, park your car inside and keep the garage door shut.
- Have the catalytic converter welded to your car’s frame or attach a security device.
- Engrave your vehicle identification number (VIN) on the catalytic converter.

Report suspicious activity to your local law enforcement agency.
