Hello, Loudoun

Labor Day weekend, members of the Loudoun County Combined Fire and Rescue System and the Loudoun Career Fire Fighters Association will join the Muscular Dystrophy Association (MDA) to collect donations for the 2022 "Fill-the-Boot" campaign. For over sixty years the International Association of Fire Fighters has pledged to assist MDA in any way possible until a cure was found to treat this debilitating disease. All funds raised by Loudoun County firefighters assist local families with specialized clinics, financial aid for assistive equipment, support groups, informative publications, and accessible summer camps for kids.

If you miss the campaign or would rather make a secure online donation, please visit [here](#). For more information about the Muscular Dystrophy Association and to learn how your generous donations help these amazing kids, please visit the [MDA website](#).
