

Chair Phyllis Randall's Newsletter

Welcome Loudoun

It is truly an honor to serve you as your Chair of the Loudoun County Board of Supervisors. A key goal of mine is to listen to the people and create a community that serves all of our citizens.

Because this is your government, I welcome your input. Every other week, a newsletter will be released to keep you up to date on what is happening both in county government and in your community. In every newsletter, you will have an opportunity to provide feedback and offer your comments. Resident engagement is critical to good government and it is vitally important to me as your Chair. I hope you will reach out to me and to let me know your concerns and issues. To that end, I plan to hold community meetings throughout the county to learn about different communities and listen to the people who live there.

Every month, we will highlight a nonprofit organization that is making a difference in the community in a section entitled, "Voice to a Cause". This section is designed to recognize the efforts of the many nonprofit organizations serving the citizens of Loudoun County that are deserving of our support.

I am here to serve the public and will promote an open government that is accountable to the people. Please feel free to contact me or my staff with any questions or concerns. Wishing you a blessed and healthy New Year.

Best Regards,

Phyllis Randall
