You can see if plows are in your area at <http://www.vdotplows.org> by entering your address. Major routes are in minor to moderate condition, and secondary roads remain moderate to severe. Crews are working around the clock to clear the 16,000 neighborhood streets in Fairfax, Loudoun and Prince William counties. Please be patient while VDOT handles this situation. To give crews a chance to finish their plowing assignments, VDOT asks that residents wait 48 hours after the storm is over before reporting missed roads. Please do not
