### The Fifth Annual Sadie's Race Registration Is Open!

Sadie's life was full of smiles and joy, but tragically cut short at the age of five. [Sadie Smile Foundation](http://SadieSmileFoundation.org) is raising money to fund a cleft lip/palate repair surgery for each day Sadie lived. That's 1,913 smiles! So far they have donated enough money for approximately 740 SMILES through [Smile Train](http://SmileTrain.org). As little as \$250.00 provides a surgery through Smile Train. I encourage you to read the story of this amazing little girl and the work her mom is doing to help others while keeping Sadie's memory alive.

Sadie's Race will be held on **Sunday, May 1st.** Click [here](#) to sign up now and guarantee a spot in the race!

### Spring Cascades Trash Bash & Food Drive

I would also like to invite you to the *Spring Cascades Trash Bash & Food Drive* on **Sunday, April 3, 2016 from 12:30 PM to 5 PM.** Litter isn't just a Cascades/Sugarland Run issue, but a Loudoun County issue and a global issue, so all of us benefit when we remove litter from our environment.

There will also be a **food drive** at the event for [Loudoun Interfaith Relief](http://LoudounInterfaithRelief.org) in order to help them restock their shelves in preparation for their Summer Pack Program starting in a few months.

Please click [here](#) for more details including the litter map, the official event flyer, photo galleries from previous cleanups, and the registration form.

For more opportunities to keep Loudoun beautiful, please visit the county's website at <https://www.loudoun.gov/litter-cleanup>.
