

Upcoming Events and AT&T Update

May 20, 2016

Dear Catoclin Resident,

I hope you are enjoying the beautiful weather today after a few weeks of rain! As you may know, there has been a lot of talk recently about an application that AT&T submitted to the County with the intention of constructing a building on top of the Short Hill. We voted last night to forward the Item to the June 23rd Business Meeting for further discussion. The link to last night's item can be found [here](#).

If you saw my last newsletter, you know that I am not able to support the application as it currently stands. I will spend the next few weeks working with the applicant and citizens to see if AT&T can come up with something that we can support.

There is a Community meeting coming up in Lovettsville at the Game Protective Association, 16 S. Berlin Pike on Monday, May 23rd at 7:00 pm. The applicant is hosting this meeting at my request to talk about their proposed plans and get more community input. I hope to see you there for discussions with the applicant about the proposed facility.

Loudoun Spring Farm Tour

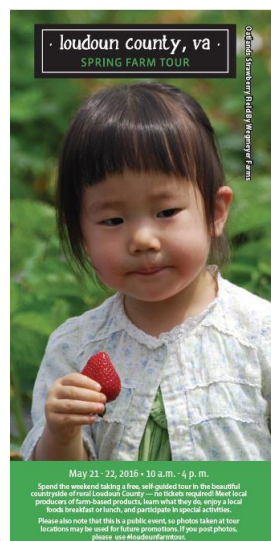

Saturday, May 21 &
Sunday, May 22
10 a.m.- 4 p.m.

Come out and enjoy the animals, people and products of Loudoun County's agricultural lands.

The farm tour is free and self-guided, no tickets required!*

Look for tour brochures of participating locations at local libraries, [Visit Loudoun](#), or request one [here](#).

There are many wonderful Catoclin Farms on this tour. They are a huge part of the culture and economy of western Loudoun and I hope you are able to get out and enjoy the tour!
