

**Make Your Voice Heard & Help Shape the Future
of Western Loudoun County!**

Supervisors Buffington and Higgins have worked together to schedule a western Loudoun Comprehensive Plan community outreach workshop (labeled "Listening and Learning" session) in Purcellville to get your input. The workshop will be held at

Woodgrove High School
[\(36811 Alder School Rd\)](#) on

Monday, December 5th at 7:00 pm.

Please share this information with your friends, neighbors and HOA's throughout western Loudoun as we want to maximize participation for the workshop. This will be a great way to make your voice heard and help shape western Loudoun's future!

What is Envision Loudoun? A once in a generation opportunity for the community to work together, to understand our choices for the future, and build a long term plan for the County that reflects our collective vision. The County is committed to updating its vision and policies for where and how it grows into the future. Your input will help make Loudoun an even better place to live, learn, work, play, visit, shop, and raise a family!

1. **Open & Inclusive:** The process will be designed and facilitated so that everyone feels comfortable engaging. It will be welcoming and respectful of the diversity of opinions. Anyone and everyone in our County interested in the future of Loudoun County is invited to join in this process.
2. **Opportunity:** The planning process is a key means to explore opportunities, e.g. create a "complete community." The process is also a means to maintain and improve upon the high quality of life we currently enjoy in Loudoun, and to make sure the County is moving forward to meet the challenges and embrace the opportunities of today and in the future. The process will convey excitement.
3. **Connecting:** This is a county-wide initiative and an opportunity to connect people and issues with our future vision. The process will motivate and facilitate deeper participation and connections. The county is diverse with respect to development (rural, suburban and urban), points of view, and culture and this diversity presents us with exciting possibilities for shaping our future.

Respectfully,

Supervisors Buffington and Higgins

Your western Loudoun Representatives
