

CHAIR PHYLLIS J. RANDALL NEWSLETTER

Hello, Loudoun

Thank you for your support at my 2nd State of the County Address on Wednesday, May 24th. I spoke about our AAA credit rating, record-setting business development, need for workforce housing, small business successes, community event against domestic violence called "It Takes a Village", need for competitive pay for our first responders, the contributions of our nonprofit and faith-based communities, bringing metro "back to good" and the Envision Loudoun process. You can listen to my speech by visiting the County's webcast [archives](#).

I want to thank the following student volunteers for handing out programs and seating residents at my State of the County Address: Anika Maan, William McCain, Ankitha Anumolu, Shannon Dart, Camille Cornwall, Faith Wotorson and Gabrielle

Richardson. Loudoun's youth are making a difference and it was a pleasure working with them. D.C. Mayor Muriel Bowser and Fairfax County Chair Sharon Bulova were special guests. I continue to be so grateful to you for allowing me to serve as your Chair. It's my great honor.

Envision Loudoun

The last workshop for [Envision Loudoun](#) is Thursday, June 15, 7:00 pm at Mercer Middle School in Aldie. Envision Loudoun will result in a New Comprehensive Plan that will serve as Loudoun County's guiding document for land use and development. Please attend this workshop if you have not done so already. Resident input into this process is very important to me.

Sister City and 2018 Winter Olympics

PyeongChang will host the 2018 Olympic Winter Games in February and one of their counties is our Sister City called Gangneung. Gangneung is hosting the skating events and has offered to promote Loudoun County while the world is at the games. Visit Loudoun plans to include an ad in Korean Air magazines, build-up our display case in Gangneung's Government Center and include information at its five visitor centers. Please let me know if you have any other ideas to let the world know about Loudoun County. Many visit D.C. and we would like to capture those overnight stays in our area. Please submit all ideas by September. Thank you.

Ashburn Town Hall

I will be hosting a Town Hall on Thursday, July 27th from 7:00 to 8:30 pm at the Ashburn Volunteer Fire and Rescue Department in the newly renovated Founders Hall at Station 6, 20688 Ashburn Road. Please save the date! I look forward to meeting and listening to the residents of Ashburn.

Dominion Venting

On Monday, June 19th, Dominion Energy will vent natural gas at the Leesburg Compressor Station on Consolidated Lane off Watson Road between 8:00 am and 12:00 pm. The natural gas will be vented through the silencers to mitigate noise. Dominion states the venting is necessary to complete required replacement of certain pipeline segments and annual testing and inspections. The work associated with the planned venting should be completed by June 23rd. For more information, please e-mail Dominion directly at LDNCCCompressorstations@dominionenergy.com.

The Board will be voting on the Silver Line Comprehensive Plan Amendment at the June 22nd business meeting. Additional information will be presented on the airport noise exposure map, net fiscal impact and any information and/or agreements between landowners and the County for the required easements and right of ways to construct the road infrastructure.

The Board forwarded the Planned Development-Town Center Zoning District to the July 5th business meeting for action. The purpose of this amendment is to offer increased flexibility while facilitating high-quality town center developments. The Board moved this item to a future meeting due to concerns from the Lansdowne Conservancy and residents about permitting data centers and mini warehouse uses in town centers.

Voice for a Cause
Simplicity Health

Simplicity Health clinics provide primary care services at affordable fees for adults who:

- Do not qualify for Medicaid
- Do not get health insurance through work
- Have insurance with high copays and deductibles making it difficult to access basic health care services.

The primary goal of Simplicity Health is to provide ongoing primary care, prevention, and disease management for chronic illnesses like diabetes, hypertension and heart disease. Patients pay an affordable subscription fee of \$10 per week, four-weeks at a time, for access to regular primary health care, basic behavioral health services and educational group sessions. Inova offers this service in Sterling at 46440 Benedict Drive, Suite 208. **Please call 571-665-6500 to enroll or for more information.**

Investing in Transportation

Northern Virginia Transportation Authority (NVTVA) seeks public input on its newly released draft [TransAction plan](#) and [associated project list](#). The draft TransAction plan identifies more than 350 candidate projects and \$44 billion in unmet transportation needs. The public comment period is open now through July 23rd and the public can submit comments in three ways:

1. e-mail: transactionupdate@nvtatransaction.org
2. online: <http://nvtatransaction.org/comment/>
3. mail: 3040 Williams Drive, Suite 200, Fairfax, VA 22031

A public hearing is scheduled on July 13th with an open house at 5:30 pm, presentation at 7:00 pm and public comment following the presentation. Each speaker will have three minutes and you can [pre-register](#) to speak.

Transportation Summit is scheduled for Thursday, June 29 at 5:00 pm in the Board room of the Government Center, 1 Harrison Street, SE, Leesburg. The public is welcome to attend these summits but there will be no public input session. Emerging issues that will be addressed include intelligent transportation systems, Potomac River crossing, rural roads, Route 7, Route 28, Route 50, and a summary update on the infrastructure projects to support Metrorail. I would like to start the summit with the different transportation funding sources and programs. Please reach out to my office ASAP if you would like your organization or group represented at the Transportation Summit.

Loudoun is seeking public input on the proposed alternatives to relieve congestion and improve safety on Route 15 north of Leesburg (please see the [Route 15 Congestion Report](#)). Additionally, the County is beginning the public input process on safety and operational issues on Route 15 between Whites Ferry Road and the Maryland state line. Both public input sessions will contain identical information. Please RSVP to reserve your attendance.
