June is Move Over Awareness Month

The Move-Over/Slow Down law, Section § 46.2-921.1 of the Code of Virginia, requires drivers to move-over one lane, if possible, whenever approaching a stationary vehicle that is displaying a flashing, blinking, or alternating blue, red, or amber light. And, if traffic is too congested to move-over safely, the law requires drivers to simply slow down, below the posted speed limit and be prepared to stop.
