Detective Hall – Vehicle Larcenies and Thefts

After a series of auto larcenies and vehicle tampering calls for service, that involved a number of Ashburn and Dulles South residents, Detective Hall worked with Fairfax County Police Department detectives to identify suspects that were attributed to a large number of these complaints. In a number of these calls, firearms were left in unsecured vehicles overnight and the thefts occurred after the residents went to bed. After a multitude of search warrants on the suspects residences, a large amount of firearms, ammunition, and gear were recovered hindering efforts for the group to sell or use the weapons in the community.
Detective Wealand - Burglary
On September 10th, 2017 Foam City was burglarized by four juveniles. A citizen provided information that the four juvenile suspects were bragging at school and on Instagram that they had broken into the store and had stolen clothing and shoes. An investigation into these individuals lead to the confirmation of their involvement through follow up interviews and from postings on Instagram. This investigation also provided Fairfax County Police Department with information that the same group were also involved in another burglary in their jurisdiction as well as some larceny from vehicle cases. Juvenile petitions were issued with court hearings pending.
Detective Campbell – Stolen Auto and Identity Theft
There were a number of vehicles that were stolen and they were often left unlocked with a spare key in the glove box for convenience. After one of these vehicles were stolen from an Ashburn neighborhood, checks that were inside the vehicle were used by the suspect, Mackia Brown. She was captured on video at the bank and charged with fraud charges. Shortly thereafter, her girlfriend, Tazhon Bradley was found at her job in possession of another stolen vehicle from Ashburn.

Criminals rely on **predictable** behavior to ensure the success of their crime !!!

- Unsecured windows are easy targets for burglars. Don’t run lighting cords or extension cords through windows that would prevent them from being locked & secured.

- Burglars observe your holiday related trash for expensive items that have been received. Cut up all boxes and packaging with identifying labels and discard them in dark colored trash bags.

- If travelling during the holiday season, use timers for your holiday lighting so lights go on and off on their own.
Phone Scams

Scammers Claiming to be Law Enforcement & Utility Companies!

**Law Enforcement:** Recently several residents reported receiving calls from a person claiming to be a Sgt. Jackson with the warrants division of the Loudoun Sheriff’s Office. The caller claims you have a warrant issued for your arrest and you need to pay monies with a money card.

**Utility Company:** Several residents and businesses reported receiving calls from a person claiming to be with Dominion Power. In each case, the caller said the victim owed back payments and their electricity would be disconnected if they did not pay.

Utility companies and government agencies will **NOT** contact you demanding immediate payment by money cards!
PROTECT YOUR MONEY: Treat your MoneyPak like Cash. Use your MoneyPak Number only for your accounts and ONLY with partners listed at www.moneypak.com. If anyone else asks for your MoneyPak number or information from your receipt, IT IS A SCAM and Green Dot is not responsible for paying you back.
