Dear Constituent,

Route 15 North is long overdue for improvements. As a resident of the corridor, you are well aware of the impact it has had on your quality of life. When the Route 15 Congestion Report (Leesburg to Whites Ferry) was presented to the Board of Supervisors in May 2017, I requested a Safety and Operational Study be completed to further the study North to the Maryland State Line. I also asked the Board to support a public input process and a Stakeholder Committee to gain feedback and public opinion on both the Route 15 Congestion Report and the Route 15 Safety and Operational Study (Whites Ferry to Maryland State Line).

Two public open houses have been planned to review the Safety and Operational Study (Whites Ferry Road to Maryland State Line). These sessions are being held to provide an opportunity for the public to provide comments and feedback on initial concepts that are being considered. The meetings will be an open house format; the public is invited to come to the open house anytime during these sessions to view boards and maps, provide comments, and participate in a survey. I hope you can attend one of the Route 15 Design Open Houses:

Friday March 9, 2018 2:00 pm – 9:00 pm

Ida Lee Recreation Center
60 Ida Lee Drive, NW, Leesburg

Saturday March 10, 2018 9:00 am – 2:00 pm

Lucketts Community Center
42361 Lucketts Road, Leesburg

For more information please visit the Route 15 project website at www.loudoun.gov/Route15

I hope to see you there!

Best Regards,
