

Given all of the negative statements about our Law Enforcement officers, I believe there should be some commendation for the Brave, and Professional officers who represent ready to aid, assist and offer help to our community. The officers were fast, expedient and very informative! Very proud of our Loudoun County Sheriffs, and Thank You!

Deputy Cooper, arrived at my house shortly after I called the non-emergency line. Deputy Cooper acted in an extremely respectable and professional matter. Deputy Cooper clearly explained the course of action I should take to get my equipment returned. Afterwards he spoke with me for a short time fostering positive community relationships and overall set a solid base to my experience with Loudoun County Sheriff's office.

Dear Sheriff Chapman,

On behalf of the men and women of the FBI's Washington Field Office, I would like to thank the Loudoun County Sheriff's Office for their support and assistance in the memorial service for SSA Brian L. Crews.

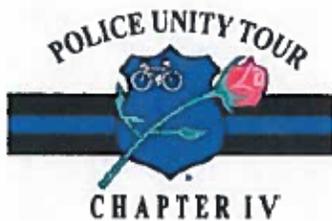

The support provided by the Loudoun County Sheriff's Office reflects the compassion, brotherhood and dedication of the law enforcement community. I know their efforts were greatly appreciated by the Crews family, as well as the men and women of the FBI.

On behalf of the Washington Field Office, please extend my sincere thanks and appreciation to your personnel and to the members of your team who assisted in this event.

Sincerely,

The Police Unity Tour – Chapter IV would like to extend its sincere gratitude to motor officers **Master Deputy Terry Rudolph and Deputy Paul (Chris) Shore** for their dedication and assistance to the 2018 ride. The participation of your motor officers was critical to ensuring the safe escort of riders as we traveled through Virginia to the NLEOM in Washington, D.C.

We had another successful and safe ride this year due to the hard work and dedication of all the volunteers and support staff that accompanied us. The work and commitment of the motor units, however, was most critical to ensuring rider safety along the entire route, especially during the first two days as we traveled through long stretches of one-lane roadways. Your officers remained attentive and focused on the safety of all members, working in coordination with both the larger contingent of motors in the escort package, as well as those motor units who assisted us from other jurisdictions we passed through.

Equally importantly, the attitude, cooperation, and camaraderie displayed by your officers with our members made everyone feel at ease both during the actual ride and in the evening hours when we had downtime to recover. I received comments from many members, some of whom came from states all over the country, how wonderful all of our motor units were and how great the relationship seemed to be between the different law enforcement agencies involved.

Chapter IV greatly appreciates the dedication and support your motor officers provided to the Police Unity Tour, and we continue to value the partnership between our police agencies.

Fraternally,

Maggie A. DeBoard

Leesburg, VA. 20177

Dear Captain Landon

On behalf of all of those involved in the P.T.S.D. event in Winchester, VA. on June 27, 2018, I wanted to take a moment to say thank you for the assistance you provided with the Loudoun County Motor Unit. Sgt. Jason Leydig, Master Deputy Terry Rudolph, Deputy First Class Jeremy Krapfl, Deputy First Class Brian Russell and Senior Deputy Mike Hansen did an awesome job. Unfortunately, you never know the size of events like this until the day of it.

I know it was a special day for the riders and the PTSD group. It was the first real burial and service since this tragic event.

Please extend our thanks from everyone involved in this and I hope they didn't get to wet like a Sheriff I know...

Take care and please don't hesitate if we can help you out in the future.

Sincerely,

Sheriff Lenny Millholland

Cc: Sheriff Mike Chapman

Thank you so much for sitting in my neighborhood (Spring Lakes) this morning on Fort Evans Rd. The cars speed so fast down that road that it makes it difficult to get out of the neighborhood. I'd love to see them there every morning and evening!!! Thanks for all the hard work.

Got a flat tire on this heavily travelled road and was very apprehensive in trying to change it. I was very close oncoming traffic. I proceeded to change the tire and after a great struggle I could not remove the tire. It was apparently stuck to the drum. I tried everything but I could not shake it loose. At this point I was stressed, exhausted and ready to call a tow truck. Suddenly Deputy Atchison pulled up and saved the day. He pulled out this huge sledge hammer from his trunk, took a few swings, and dislodged the tire. He then helped me put on the spare. At that point he noticed that the spare needed air and in order to insure my safety he accompanied me to the nearest gas station to get air. I can't say enough about how helpful, kind and courteous he was. He is such a credit to your department and to all law enforcement officials throughout the country.
