

# ROUTE 15

## & ROUTE 7 (Route 9 to Dulles Greenway)

Dear Catocin District Residents,

Two important Catocin District transportation projects will be considered tomorrow evening.

If you support improvements for **Route 15 from Montresor Road to Point of Rocks Bridge** or for **Route 7 from Route 9 to the Dulles Greenway**, please let the Commonwealth Transportation Board (CTB) know by attending tomorrow's meeting or [sending in comments](#).

As I mentioned in last week's newsletter, the CTB will host a fall transportation public meeting that will begin with an open house followed by a public comment period. Meeting materials are available [here](#).

Wednesday November 28, 2018

5:30 pm

NOVA District Office  
Potomac Conference Room  
4975 Alliance Drive  
Fairfax, VA 22030

The CTB is considering Loudoun County Smart Scale applications filed for two Catoctin District projects:

**Route 15 from Whites Ferry Road to Point of Rocks Bridge  
(\$110,681,486)**

**Route 7 from Route 9 to the Dulles Greenway (\$127,000,000)**

### **YOUR INPUT IS IMPORTANT**

The CTB will factor in public input as they allocate public funds to transportation projects over six-fiscal years, comprising the CTB Six-Year Improvement Program (SYIP). The CTB updates the SYIP each fiscal year. As revenue estimates are updated, new priorities are identified and existing projects advance. The fiscal year starts July 1 and ends June 30.

Every fall, public meetings are held across the state on project priorities and the SYIP. Public input is taken into consideration as the next update of the SYIP is drafted and presented to the CTB in the spring. Public meetings are held on the draft SYIP and the CTB adopts the final program in June.

### **E-MAIL COMMENTS**

Please make sure to take just a minute or two to send a comment in on one or both of our projects. It will make a difference! Please send me a quick e-mail if you were able to send in comments.

If you cannot attend a meeting you may send your comments on highway projects to Infrastructure Investment Director, VDOT, 1401 E. Broad St, Richmond, Virginia 23219 or also to

[six-yearprogram@vdot.virginia.gov](mailto:six-yearprogram@vdot.virginia.gov)

**Comments will be accepted until December 13, 2018.**
