**Rainbow Waffles**

Use your favorite pancake mix and add some color for a fun snack.
1. The Mix
Prepare the batter following product directions for waffles.

2. The Color
Divide the batter into six portions. Put a little extra in two of the bowls for the orange and red colors. Add gel color to each bowl and mix.

3. The Bags
Transfer the batter to the plastic bags. Carefully cut one edge of the plastic bag.

4. The Iron
Preheat the waffle maker according to directions.

5. The Color
Carefully pour each color into the waffle maker to make your rainbow, starting with red, then orange, yellow, green, blue and purple. Cook according to waffle maker and/or mix directions.

6. Serve
Cut in half and serve. Whipped cream can be used to make clouds. Repeat with remaining batter.
