Pom Pom Launcher

Make your own pom pom or marshmallow launcher out of things you have lying around the house!

1. Cut the Launcher
If you have a cup, cut the bottom half off. If you have a bottle, cut off the bottom and top so you have the middle part of the bottle.

2. Cut the Balloon
Tie the balloon and cut off about ½” from the other side.

3. Stretch!
Stretch the balloon over one end of the cup/bottle. If using cups, double it up to be more sturdy.

4. HAVE FUN
Launch it up!
