1-Foot Panchromatic (Black & White) Countywide Digital Orthophotography is available for the year 2008.

Imagery is available in three formats: GeoTIFF covering 5000' x 5000' tiles each, compressed MrSID covering 5000' x 5000' tiles each and a single compressed MrSID comprising entire extent.

Digital data is obtainable on DVD(s) from Loudoun County Office of Mapping and Geographic Information, Public Information Counter.
