

Community Service Board

7 Tenets

Every policy-advisory community services board, with staff support provided by the director of the local government department, shall have the following powers and duties:

- Advise the local government regarding policies or regulations for the delivery of services and operations of facilities by the local government department, subject to applicable policies and regulations adopted by the Board.
- Review and evaluate the operations of the local government department and advise the local governing body of each city or county that established it as to its findings.
- Review the community mental health, intellectual/developmental disability, and substance abuse services provided by the local government department and advise the local governing body of each city or county that established it as to its findings.
- Review and comment on the annual performance contract, performance reports, and Comprehensive State Plan information developed by the local government department. The board's comments shall be attached to the performance, contract, performance reports, and Comprehensive State Plan information prior to their submission to the local governing body of each city or county that established it and to the Department.
- Advise the local government as to the necessary and appropriate actions to maximize the involvement and participation of consumers and family members of consumers in policy formulation and services planning, delivery, and evaluation.
- Participate in the selection and the annual performance evaluation of the local government department director employed by the city or county.
- Carry out other duties and responsibilities as assigned by the governing body of each city or county that established it.
