We are "real" dancers, who take lessons & perform & wear special dance shoes, not gang members. We are from all ethnicities, countries, and walks of life, and are stable career people. Yet the zoning rules changed a few years ago & now we have no sites.	2/3/2016 5:48 PM

Q8 What would make Loudoun County a more popular destination for entertainment, cultural, shopping and dining experiences?

1	- Shopping malls, restaurants, shops like Walmart, Big lots, Five below, sams club, Costco - Less traffic in waxpool road - Open grounds for playing cricket, celebrate events from different cultures like Diwali, Holi etc	3/21/2016 3:09 AM
2	better restaurants on Main street. Those that are all owned by the same person (King Street Tavern, etc.) have AWFUL food and ambiance and are taking up valuable real estate for cute, unique shops that could augment Palios, the Wine Kitchen, Shoes, etc. Make downtown Leesburg more alive and geared toward 20-60 year olds instead of 70-90 year olds! We live withing walking distance of the downtown and have kids in college. We would love to be able to walk and regularly hang out in great places!	3/17/2016 10:08 PM
3	Extended hours dining.	3/17/2016 4:53 PM
4	More people living in downtown Leesburg to visit and procure products and services.	3/17/2016 1:20 PM
5	We need a DC type club for the younger crowd. I am a part time Uber driver	3/17/2016 10:28 AM

16	Some more affordability, and outdoor venues such as live music in conjunction with the bars and restaurants. In a young county like Loudoun, keeping it kid friendly is almost imperative.	3/16/2016 10:58 AM
17	Multi event center for sporting events outdoor concerts and special events. Co-locating multiple types of activities for kids and adults	3/16/2016 10:23 AM
18	Better high-density areas for this, not things spread out all over. More "target rich environments" where we can go to one place, and be avail to multiple options, like Broadlands, downtown Lburg, and One Loudoun.	3/16/2016 10:05 AM
19	Sports teams ie...baseball, museums, concerts	3/16/2016 9:54 AM

77	More recreation centers	3/15/2016 5:07 PM
78	I think to have proper cricket grounds will be very helpful. I have seen that there is lot of interest for cricket in Northern VA area and it will be a perfect addition to dynamic Loudoun County.	3/15/2016 4:57 PM

91	More One Loudoun experiences	3/15/2016 4:03 PM
92	Have restaurants/entertainment that stays open later. Right now it feels like if you're not into drinking that movie theaters and Walmart are the only places open past 10 pm on a Friday/Saturday night.	3/15/2016 3:50 PM
93	A variety of choices and prices for restaurants, entertainment and activity	3/15/2016 3:49 PM

95	A Birchmere kind of venue hosting great artists in an intimate setting. More upscale dining.	3/15/2016 3:10 PM
96	Maybe a greater focus on the towns with walkable areas and more housing in walking distance to the things that are already there. Maybe an outdoor concert venue or a walking mall like Charlottesville would be great in a place like Leesburg.	3/15/2016 3:09 PM
97	amphitheaters,	3/15/2016 3:08 PM
98	Less pretend worrying about "the poor children", less puritan choices, more adult choices	3/15/2016 3:04 PM
99	more "clusters" of entertainment. earlier hours for live acoustic music. change noise ordinance in downtown Leesburg.	3/15/2016 2:58 PM

Loudoun County Nighttime Economy

100	Metro	3/15/2016 2:54 PM
101	A sports/entertainment venue, businesses open later, more parks, better (higher-end) retail	3/15/2016 2:35 PM
102	Sports Venue	3/15/2016 1:43 PM
103	Live music	3/15/2016 1:39 PM
104	More options	3/15/2016 1:38 PM
105	the towns (middleburg and leesburg) shops staying opened past 5 or 6pm to encourage the entire walkable area a complete destination for shopping, dining and nightlife. the more time spent in the area, the more economic impact to that area. restaurants would LOVE for the shops to stay open until 8 pm. a ghost town for both of these places for most eves. I would suggest Wednesday-Saturday for shops to stay open until 8pm. Would encourage shopping then dining. Residents being able to stop to get more done in those areas on their way home from work etc. New areas... the mixed use seems to work. need that in the towns as well. indoor sports complex would be great as well as minor league sports venue, support the teams, spend money at the shops and restaurants around the facility.	3/15/2016 1:23 PM
106	Loudoun Does not have a destination yet. Loudoun One is a place to eat and watch a movie, same with villages of Leesburg. Moorefield Station, the same. Loudoun one day will need to build up and not out. Take advantage of areas for a more urban destinations of Reston, Bethesda, Tysons for live work and play. I can see Tysons from Loudoun but I cannot see Loudoun from Tysons. Even Alexandria and Annapolis day and night life is better than anything in Loudoun. You are not going to get the Town's to develop their Downtown's into high rise district. I think you need to look at the Reston model and develop a Downtown with national retailers, small local boutiques, a mix of restaurants and entertainment facilities even a cheesy thing like Ripleys believe it or not (an example). It would be like creating a small city foot print in Loudoun county. More than just a small Village a Leesburg or Lansdowne Town Center concept. Increase that size. A long main street. You can have shopping, working in high rise building, low rise office and living over retail theatres.(not just movie), restaurants, and other amenities. Everything is so piecemeal. one development does one style the next another and lets throw in some retail and oh by the way office, we don't need it. Find some vacant land, plan large urban style community and absorb some other communities in the plan as well so there is some feeling as to what the future will bring. Reston and Columbia did not grow overnight.	3/15/2016 1:20 PM
107	We need more performing arts venues to be used by dance, symphonic and choral groups.	3/15/2016 12:47 PM
108	More housing options - particularly affordable rentals. There is essentially no market for individuals who wish to rent an apartment or single-family home in downtown Leesburg, points west or points east. I'm not talking the basement of a townhouse either - I'm talking actual homes or 1, 2, or 3 bedroom apartments that are affordable for someone making a minimum of \$40,000 per year. People need to be able to afford to live where they wish to play.	3/15/2016 12:37 PM
109	beautiful landscapes, not so crowded	3/15/2016 11:55 AM
110	not sure	3/15/2016 11:37 AM
111	There are a lot of wineries	3/15/2016 9:35 AM
112	A pedestrian zone downtown	3/15/2016 9:20 AM
113	Minor league or pro sports teams esp hockey, soccer and/ or baseball.	3/15/2016 9:13 AM
114	Allowing outdoor live music in businesses more readily and longer hours, a decibel based noise ordinance could adore this better, Parking more readily accessible, encouraging more new businesses to downtown	3/15/2016 8:33 AM
115	Sports teams	3/14/2016 9:50 PM
116	More variety of restaurants. We are having to many hamburger and fast casual restaurants in places like One Loudoun instead of more sit down type.	3/14/2016 9:03 PM
117	better transportation options; more upscale venues; diversity of options; more cultural options	3/14/2016 8:14 PM
118	Sports team, performing arts theatre	3/14/2016 5:21 PM
119	Music and comprehensive spots where the family can attend and achieve interactive experiences like Top Golf	3/14/2016 4:05 PM
120	I have to think about this, I'm pretty happy now.	3/14/2016 2:55 PM
121	If their were more options. We'd love to have more to do out here close to home but the options are few and of those there are few that are unique. Chains have their place and we do enjoy plenty, but more mom-and-pop restaurants for example would be great to see!	3/14/2016 1:08 PM
122	More upscale hotels, more restaurants, improved transportation to venues	3/14/2016 12:45 PM
123	Additional unique/attractive entertainment/shopping/dining/etc. classy options. Think Wolf Trap, Great Falls Park, etc. The wine and craft beer industry has been a huge success.	3/14/2016 11:57 AM

Loudoun County Nighttime Economy

124	More Bingo Halls, ramps, jobs requiring squeegee usage, stray rabid dogs, Mad Max theme night on route 7	3/14/2016 11:20 AM
125	Densify the shopping, entertainment, dining, living areas and fill them with trendy, unique, and good quality companies. i.e - arlington, reston town center, merrifield. Millennials are more willing to spend on the experience, so these bars, restaurants, entertainment centers should have attention grabbing features like rooftops, waterfalls, interesting architecture, trendy offerings like vegan/organic choices. These are the reasons young professionals flock to arlington and reston- it is convenient, has tons of great options for all of the above, and you can walk to your destinations.	3/14/2016 10:08 AM
126	being more walkable	3/14/2016 8:31 AM
127	Great non chain venues. A world class performing arts venue	3/13/2016 1:43 PM
128	a place like Tyson 2.	3/13/2016 10:01 AM
129	Better shopping. More outdoor activities. Beer garden.	3/12/2016 5:25 PM
130	More quality restaurants. Less chains. Live music	3/12/2016 10:16 AM
131	More town centers near route 50 with movie theater, well known restaurants, parks, weekend events	3/12/2016 8:08 AM
132	A baseball field	3/12/2016 6:24 AM
133	A performing arts center.	3/12/2016 4:44 AM
134	Outdoor dining	3/11/2016 6:44 PM
135	More Metro accessible.	3/11/2016 1:45 PM
136	More mixed use developments, night life	3/11/2016 12:32 PM
137	my kids would say add a krispy crème. Loudoun needs something fun for families, some kind of amusement park or something. a massively large playground at the center of food, music, and shops. no "towne center" in ashburn or around ashburn has a "heart" to it. they're nice but they need a heart, look to Peterson companies models (example, Fairfax station and they're new development for South Riding). more cute and fresh antique shops, retro retailers, cheese & wine shops, jazz/music clubs, bocce/croquet courts/pool hall/bars/dave & busters/dollar tree stores/Mediterranean cuisines, moby dick restaurant, Nordstrom rack, under armour, outdoor amphitheater for concerts and sports games (world soccer/Olympics/super bowl)	3/11/2016 11:34 AM
138	Poopie Face	3/11/2016 11:19 AM
139	More outdoor dining with a theme.	3/11/2016 10:56 AM
140	More destination locations (top golf, tally ho), better roads with less traffic to make it easier to get between parts of the county	3/11/2016 10:33 AM
141	Pinball!!!!!!	3/11/2016 9:09 AM
142	1. A downtown area/promenade, for pedestrians only, no cars. 2. Live outdoor/indoor music, theater, and concerts (like wolf trap). 3. Salsa/latin/European clubs to integrate other cultures. 4. Outdoor family cafes. 5. Vegan/vegetarian eateries. 6. Parades and festivals	3/10/2016 11:41 PM
143	More culture diverse	3/10/2016 10:11 AM
144	Better downtown areas, more bars, events that are catered to adults--everything in Loudoun county is family oriented, also more good retail; Loudoun shopping centers always have lots of nice restaurants but are lacking retail (one Loudoun, village at leesburg, etc)	3/9/2016 9:43 PM
145	More outside live entertainment venues, professional sports team located here (preferably baseball or Redskins), emphasize western Loudoun wineries and breweries as the "Napa of the East Coast" while retaining the small town, rural feel and look of western Loudoun (Continue NO BIG BOX stores!)	3/9/2016 1:08 PM
146	More concert and live performance venues. Not just ones that are bars or clubs	3/9/2016 7:46 AM
147	Walkable, livable spaces, downtown redevelopment	3/9/2016 12:18 AM
148	More lounges for adults. Loudoun has a lot of options for family but not for singles	3/8/2016 10:40 PM
149	Dancing,& not so expensing restaurants (they keep building pricey upscale places). Also sometimes I feel like I don't know about festivals and craft shows, etc even though I'm on all sorts of email lists...	3/8/2016 10:39 PM
150	Performing arts; High end dining	3/8/2016 9:23 PM
151	Sports bars, live sports venue.	3/8/2016 8:37 PM
152	Higher end dining. Most dining in area are chain restaurants.	3/8/2016 7:14 PM

Loudoun County Nighttime Economy

153	More places that appeal to people without children, more boutique or specialty retail; fewer chain restaurants and mass retail	3/8/2016 6:11 PM
154	Use tourism tax dollars to promote venues that create more business opportunities by bringing people into the country. Celebrate that Delgaudio is gone.	3/8/2016 5:56 PM
155	Family friendly activities	3/8/2016 3:49 PM
156	More walkable destinations like One Loudoun. Metro!	3/8/2016 2:26 PM
157	Quality culinary experiences, venues for family, clubbing with friends	3/8/2016 2:19 PM
158	more restaurants and shopping along the right 50 corridor in the south riding/stone ridge area. would also like to see more teenage friendly establishments, ie, bowling, movie theater, skating, etc	3/8/2016 1:50 PM
159	More diversified restaurant and bars scene. Too many "chains", not enough unique or higher end places. Minor league baseball or hockey would be great.	3/8/2016 1:03 PM
160	Salsa dancing, more nicer restaurants along route 50, retail in one loudoun	3/8/2016 12:56 PM
161	If the towns and businesses were open later in the day.	3/8/2016 10:51 AM
162	Better restaurants, night time social venues.	3/8/2016 10:32 AM
163	Making sure road infrastructure is expanded BEFORE new developments go in to rural areas to ensure a pleasant drive and to avoid gridlock.	3/8/2016 9:19 AM
164	Jazz Club	3/8/2016 9:08 AM
165	More establishments	3/8/2016 6:51 AM
166	JAZZ AND R&B VENUES	3/7/2016 7:40 PM
167	We need more restaurants open AFTER 10PM!!!	3/7/2016 11:08 AM
168	You guys are doing a wonderful job with locations like One Loudoun. Perhaps creating more lively places like that throughout the county, fixing up sterling park. But if you can't do that, places like the Alamo (with the lighting outside etc) in new development around the county	3/6/2016 1:31 AM
169	A nice UPSCALE billiard room with a lot (10+) of nice Diamond pool tables. One that's also a bar and restaurant, but NOT your typical Loudoun Co hole in the wall poolroom or just another pickup bar with a table or two. A place like this would make money and draw a respectable crowd if done well! Pool leagues, fun team-building, weekend tournaments, etc.	3/5/2016 10:08 PM
170	More restaurants with different cuisines	3/5/2016 8:45 PM
171	A professional sports team! Bring the Redskins to the county that they practice and live in!	3/5/2016 6:26 PM
172	Tallyho Theatre is great for Loudoun County. If they increase their caliber of Talent, every business in Loudoun county will benefit.	3/5/2016 12:46 PM
173	More out door dining and more live music outside during the week and weekend.	3/5/2016 12:22 PM
174	Live professional music venues, similar to say the Birchmere, Alexandria	3/5/2016 12:11 PM
175	More higher-end restaurants, bars	3/5/2016 7:36 AM
176	Walkable live work play areas	3/5/2016 7:17 AM
177	More options available --- especially in the southern part of the county (South Riding, Dulles South). It's easier right now just to go to Fairfax since options are abundant there.	3/5/2016 7:16 AM
178	Location for dancing and lounging More diverse food (soul food, Jamaican food)	3/5/2016 1:13 AM
179	N/A	3/5/2016 12:18 AM
180	Sports venue, music venue	3/4/2016 10:43 PM
181	Less phony glamour	3/4/2016 10:07 PM
182	?	3/4/2016 9:49 PM
183	Businesses brewing open later in ara with movie theatres	3/4/2016 8:41 PM
184	the western rural economy and good restaurants	3/4/2016 7:02 PM

Loudoun County Nighttime Economy

185	Walkable areas that include all of these experiences. Downtown Leesburg needs to allow and develop more of this in order to compete with residential developer created destinations. A mix across the county would also be ideal.	3/4/2016 6:24 PM
186	Restaurants, wine bars, outside dining	3/4/2016 6:24 PM
187	Comedy Club, Adult Live Music Lounge, Outdoor Live Music (DIVERSE Musicians), Cultural Festivals	3/4/2016 5:37 PM
188	It's fine	3/4/2016 4:41 PM
189	More entertainment	3/4/2016 3:28 PM
190	close to home	3/4/2016 3:24 PM
191	More diverse places to eat in Dulles south...there's almost nothing here and so much potential ...a lot of younger parents with au pairs and babysitters would like to go to a nice lounge with some nice music ...we have Money to spend but have to go toward DC.	3/4/2016 2:35 PM
192	Places like Dave & Busters better fast food selections	3/4/2016 2:25 PM
193	More cohesive building- it's turning into a hodgepodge .	3/4/2016 1:27 PM
194	Stadium	3/4/2016 12:16 PM
195	More activities for people of color as well as venues to relax or hear live jazz bands for people over 35 & up. Loudoun has shopping down but not too many other diverse cultural groups having activities from what I can tell	3/4/2016 12:15 PM
196	Expand retail so I don't have to drive to elsewhere for Abercrombie Kids, Pottery Barn, Restoration Hardware, Z Gallerie, Trader Joe's. Entertainment: Live music venue to attract caliber of artists at Verizon center. Speed up of development of Children's Science Center	3/4/2016 11:35 AM

198	Greater diversity in mature entertainment options. Additional venues for indoor/outdoor performances like WolfTrap	3/4/2016 10:59 AM
199	More live music, and ethnically diverse festivals	3/4/2016 9:39 AM
200	It would be nice if Loudoun County had more adult nightlife	3/4/2016 8:36 AM
201	If there were more diverse places to hang and relax. Everything in LoCo now caters to whites.	3/4/2016 8:12 AM
202	Please don't keep venues open later, that will only bring crime once the metro comes through. Loudoun residents want to keep their quiet family life & DO NOT want late night all night venues. Please think about those that live here & not making it a "destination" for those that don't.	3/4/2016 7:50 AM
203	More options in the Eastern half, near Sterling	3/4/2016 12:01 AM
204	Less traffic. Public transit. Walkability.	3/3/2016 11:53 PM
205	More authentic restaurants and retail! Too many chains! More places for 35 & over with a lounge feel! Stay open longer than 9pm! More like DC	3/3/2016 10:08 PM
206	na	3/3/2016 9:15 PM
207	More kid friendly things to do inside (cold/rainy weather), more community type of events, better community calendar to reference for ideas :)	3/3/2016 2:49 PM
208	More affordable housing for young adults and young professionals to live in. Plus more variety of dining and clothing boutiques so Loudoun residents don't have to go into Fairfax, Arlington, DC, and Maryland as often or at all. I would love for Loudoun County to also have an outdoor live events space similar to Jiffy Lube Live or Wolf Trap.	3/3/2016 2:13 PM
209	Shops staying open later at night and a more vibrant downtown feeling.	3/3/2016 1:54 PM
210	A place where you can dance and listen to live music.	3/3/2016 1:52 PM
211	Bars/clubs more nightlife to bring the younger crowd.	3/3/2016 1:36 PM
212	Cheap late night eats	3/3/2016 10:35 AM
213	Not sure. I think you're doing the best you can. Developers ultimately decide what they will bring in. I do wish the "wealth" of options weren't concentrated in Ashburn. Spread things out, but again, that's usually up to developers.	3/3/2016 9:26 AM
214	Concerts	3/3/2016 9:21 AM
215	more places to take my kids (10 and 12)	3/3/2016 7:22 AM
216	More open air venues (entertainment and recreation)	3/2/2016 9:38 PM

Loudoun County Nighttime Economy

217	Building up one loudoun, expanding Dulles town center	3/2/2016 5:44 PM
218	I think we are getting better. Perhaps more dining choices	3/2/2016 3:49 PM
219	more dining options	3/2/2016 3:11 PM
220	It seems like it is now and is creating more options, for example One Loudoun.	3/2/2016 2:55 PM
221	How about that minor league baseball stadium we were supposed to get?	3/2/2016 2:51 PM
222	Professional ballpark Venue for Broadway-caliber, live performances	3/2/2016 2:47 PM
223	Wineries	3/2/2016 2:32 PM
224	Nothing to mention.	3/2/2016 2:03 PM
225	More late night entertainment. Street dining and beer and wine available at events such as Leesburgs First Friday Public Art associated with art trails Arts and theatre venues	2/29/2016 5:47 PM
226	Everything in one place. The problem with Loudoun is everything is spread out all over the place and all shopping plazas have the same types of shops that are all chains. More independent shops with a community center, park and shops and restaurants with outdoor seating with easily navigable sidewalks. Downtown Leesburg was a great opportunity to close down the street but it is still not easy to walk on sidewalks after all that money was already spent to "widen" the sidewalks.	2/29/2016 8:59 AM
227	Later hours, more non-chain venues (like coffee shops)	2/26/2016 2:35 PM
228	Minor league baseball team	2/26/2016 2:29 PM
229	Keep stores open past 6pm! So annoying when shops close early.	2/26/2016 2:25 PM
230	follow direction of Reston Town Center, Fairfax Corner, Tysons Corner, Mosaic. One Loudoun is lacking; the one-off small time retailers are not a big draw. We need a coffee shop for starters. Not enough variety to make me go there. Look at smaller shopping centers like Belmont Station - perfect. Great anchor grocery store, several well recognized and popular eateries, pet store, nail salon, hair salons, COFFEE shop and on trend fitness studio. I live in One Loudoun and want to go to this other shopping center more. Loudoun overall needs some good local music venues. Not corners of bars, but a jammin' java type place that can host popular acts. Needs some late night lounges or clubs so we don't have to go into DC and can stay local. Dulles Town Center isn't bad, but still got to go East to Tysons or DC for great retail shopping.	2/26/2016 11:07 AM
231	It's pretty good already	2/26/2016 10:18 AM
232	Having more options, current options open later, more events.	2/26/2016 10:16 AM
233	Public places to gather with friends or go on dates that do not require buying either food or alcohol. Right now, the only places you can go to hang out late at night are either grocery stores (Wegmans, Whole Foods, etc), or restaurants/bars. I want open air areas and parks where you can go and relax, work on projects, unwind with friends, but not have to center around alcohol.	2/26/2016 10:14 AM
234	More consolidated and affordable entertainment venues. Love NOVA's unique brewery and winery options but few also include sit down restaurants or have other similar establishments within walking distance. Also, everything here is targeted at young families with cushy incomes, which is great for the young families. But if I want a coffee shop open past 9PM on a weekday or a brewery that doesn't have kids running all over the place or a bar that serves cocktails under \$10, I come up empty handed. There aren't as many young unmarried or childless professionals in this area but build us a few affordable yet hip bar&restaurants and we'll be extremely loyal customers.	2/26/2016 10:05 AM
235	There should be different types of establishments based on age.	2/22/2016 3:24 PM
236	More high quality restaurants, more walkable districts, fewer strip malls	2/22/2016 3:07 PM

Loudoun County Nighttime Economy

237	<p>1) Having roads that are clearly marked for driving at night/in the fog/rain/snow, including adding those reflective tabbies in between the lanes, and adding those reflective white lane markings and adding those reflective yellow lane markings that are clearly visible at night and in the rain/snow/fog. Ex. the lane markings have practically worn away on the three renditions of Waxpool Road and have virtually worn away on the "Ashburn" segments of the Loudoun County Parkway (LCP), and (parts of) Belmont Ridge Road; and the LCP is especially dark between One Loudoun and the Shellhorn Road on-ramp to the Dulles Greenway. 2) Safe feeling sort of like "beaches" along the water, in the woods, like at the Riverbend Park in Great Falls, Virginia: {ex. Adirondack(sp?) chairs on the large wooden deck of a small, air conditioned, "resort-styled/county-club styled" nature center with clean restrooms-with picnic tables and fishing areas.} 3) on-going, diligent, traffic enforcement of tail-gaters, speeders, and aggressive drivers, who are rampant and numerous, along the Ashburn Village Parkway, the Clairborne Parkway, and the Loudoun County Parkway, at night and especially on Saturdays nights; and the traffic accidents that they are causing are keeping some people off of the roads, at night, on the weekends and after work, and will cause the car insurance premiums to increase for everyone in the Ashburn area. 4) I wish that Loudoun County would use its cable tv channel to promote and advertise its events; like Leesburg, Fairfax City, Manassas, Arlington, and Reston use theirs. There are pros/cons that Loudoun's newer residential areas all have their own movie theatres, restaurants & shopping plazas {ex. the movie theatres/shopping at Loudoun Station/ at Leesburg's Wegmans/ at Belmont Ridge when it turns past the new subdivisions at Goose Creek and the park on the reservoir.} However, I happened upon small signs, on the ground, advertising the carriage rides at Christmas, and recently the ice sculpting event that was scheduled adjacent to the fire pit behind the Leesburg Wegmans (cancelled? frozen out/snowed out.) In addition, the shopping center in the Broadlands (at Clairborne) also had horse-drawn carriage rides, at Christmas time (advertised via a sign/banner on the corner). I would like to see events advertised/promoted on Loudoun's tv channel; so one may plan ahead. 4) calendar/newsletter with utility bills: ex. the City of Manassas includes its monthly newsletter in the envelopes with residents' monthly electric bills, advertising the upcoming events, for the next month or so; including some of the annual events; so, residents can plan ahead. 5) I wish that Loudoun Station/the Ashburn area had a shuttle bus to/from Leesburg, on Saturdays and for all of the parades and special events (like First Night/New Year's Eve.); like Fairfax City uses its CUE Buses to shuttle people to/from its 4th of July Parade/fireworks and other special events. Maybe a pilot, with the Saturday Buses that go to/from the Dulles Town Center/Wiehle Reston, continuing west to Loudoun Station (Ashburn) and west to Leesburg (ex. to Leesburg's Historic Area, Leesburg's Historic Library, the Morven Mansion-Park, the Ida Lee Park/ Rec Center) and then returning to Loudoun Station and then going to the Dulles Town Center and then going to the Wiehle Reston Metro Station. In theory, I sounds like a long trip (time-wise); but, with the lane closures and Metro Construction on the Greenway and Dulles Toll Road, they have turned off some of the lights, along those highways, and some parts of the Greenway and the Dules Toll Road are exceptionally dark at night. 6) I have not checked their calendars; but if the GWU Campus, and the other college campus, up near Route 7 and the Loudoun County Parkway, would advertise their events on Loudoun County's cable tv channel. 6) maybe running a pilot shuttle bus (Saturdays/Saturday nights) to/from the 5A Metro Bus Shop at the Dulles Airport to/from certain selected/alternating/participating destinations in Loudoun County (maybe, those venues could pay fees, or serve as sponsors, paying for those pilot shuttles. 6) Arington County and the City of Alexandria are always having special events (fee-based and free), which people attend for free. I get emails from Loudoun's Commuter Bus Service and another bus service; but, they never mention special events that are upcoming. The VRE uses its list-serv to talk about delays as well as upcoming events (ex. Clifton Day, including excursion train rides; the Manassas Railroad Festival, including excursion train rides; and excursion VRE Train Rides with Santa.) 7) I would love if Loudoun County would run its small shuttle bus during the Virginia Garden Week; Loudoun County's Annual Farm Tour; the annual Stable Tours sponsored by the church in Middleburg; and maybe even the other church's annual Strawberry Festival in Delaplane; however, those events are primarily on privately owned properties; and, maybe it would be more difficult to get permission for even Loudoun County's smaller shuttle buses (ex. the size of the 86/85). Thank you.</p>	2/20/2016 3:07 PM
238	Better venues with top named entertainment	2/19/2016 9:43 PM
239	better public transpotation	2/19/2016 10:49 AM
240	everything is closeby and people are very friendly	2/18/2016 4:51 PM
241	Revitalization of the downtown Sterling Park area	2/18/2016 1:57 PM
242	A minor league ball club.	2/18/2016 1:15 PM
243	More restuarants and movie theater or live performance center	2/17/2016 9:02 PM
244	Sports venue	2/17/2016 5:53 PM
245	Yes	2/17/2016 5:17 PM
246	More parks open to public (vs. "community" parks only open to residents of that community)- tennis courts, basketball, hiking trails, etc	2/17/2016 10:43 AM
247	Art displayed in a larger venue with regular rotation of displays and some other activity for the spouse (who is not interested) to enjoy that is not related to arts.	2/17/2016 9:25 AM

Loudoun County Nighttime Economy

248	More upscale options. We have very limited options in the Aldie, VA area. There really isn't anything nearby. We have to drive 30-mins to One Loudoun, or 20-mins to Gainesville which we often do. With all the amazing wineries and breweries, we would do well having some upscale options along the Rt. 50 corridor. Avonlea Town Center will be a great start, but there does not appear to be any movement on the project.	2/17/2016 9:05 AM
249	I dont see any places for entertainment in this county.	2/16/2016 9:55 PM
250	sporting events	2/16/2016 9:26 PM
251	Expect more things in the Avonlea Center...hopefully. Upscale shops, not drivethrus, nice restaurants, etc.	2/16/2016 4:59 PM
252	Medium sized music performance venue for more modern music.	2/16/2016 4:53 PM
253	Need an outdoor music venue, wine bars and craft breweries.	2/16/2016 4:46 PM
254	Another venue for outdoor concerts, like Wolf Trap. Also, making fees for Greenway (Rt 267) less expensive	2/16/2016 2:01 PM
255	Shopping and dining experiences as well as winery experience	2/14/2016 12:00 PM
256	More options for high end good quality food.	2/14/2016 10:48 AM
257	Places like mosaic district in Fairfax and less generic restaurants in old strip malls.... Perhaps create a multi-use (shops, food, etc) district near an anchor winery or brewery. Think about it as a concept of an anchor retail store. Id be glad to discuss here https://www.linkedin.com/in/ninotejada	2/14/2016 7:02 AM
258	None	2/13/2016 11:01 PM
259	Sports team and venue, i.e. Loudoun Hounds, Redskins, etc. this venue would host several other events as well, a la Patriot Center or Nats Stadium.	2/13/2016 7:52 PM
260	Western Loudoun is sorely lacking just about everything.	2/13/2016 5:47 PM
261	More opportunities for live music, concert venues (like Jiffy Libe or Eolf Trap)	2/13/2016 5:30 PM
262	Love All the wineries! More pubs (true pubs not fancy restaurants) with music	2/13/2016 3:48 PM
263	Outdoor space for activities, venues for music	2/13/2016 2:18 PM
264	More restaurants and smaller boutique shops no big stores	2/13/2016 1:31 PM
265	Indoor concert venues,	2/13/2016 8:56 AM
266	More restaurant	2/13/2016 7:58 AM
267	More affordable housing for younger workers.	2/13/2016 7:23 AM
268	There needs to be 'one' main, well-runned, big venue. There are a bunch of small ones, but not a 'gold standard' one. Each neighborhood seems to do something and are all very fun, but they are very similar.	2/13/2016 7:06 AM
269	Not sure. We already stay in Loudoun most of the time anyway.	2/13/2016 6:54 AM
270	Higher end shopping...like Reston Town Center or Tysons. One Loudoun has lots of great restaurants but how about some shopping???	2/12/2016 11:39 PM
271	Too many strip malls all looking the same. Put a little charm and decent food into one and people will come.	2/12/2016 11:23 PM
272	Like it as is	2/12/2016 11:16 PM
273	Keeping with the charm of what Loudoun county can offer, rather than turning it into a town already close by. Keep Loudoun beautiful, people come to see farms, wineries, small non chain restraunts, unique things not found in large suburbs or the city.	2/12/2016 11:11 PM
274	Dave & Busters	2/12/2016 10:41 PM
275	better local advertising of events	2/12/2016 9:51 PM
276	Outdoor concert venue	2/12/2016 9:24 PM
277	baseball park	2/12/2016 9:10 PM
278	Keep costs lower than Fairfax. Maintain a rural sense vs urban Fairfax. Accommodate sprawl to limit congestion.	2/12/2016 9:09 PM
279	More unique food and beverage locations (no more chains!)	2/12/2016 8:51 PM
280	Need professional sports stadium and teams.	2/12/2016 8:15 PM
281	More shopping options, add places like a Dave and busters for family fu	2/12/2016 8:13 PM

Loudoun County Nighttime Economy

282	More entertainment and community involvement (festivals, events, etc)	2/12/2016 7:24 PM
283	Less chain restaurants. More upscale restaurants	2/12/2016 7:01 PM
284	Preserve loudoun's scenic beauty and heritage.	2/12/2016 6:37 PM
285	Ice hockey and baseball team, and additional indoor ice arenas	2/12/2016 6:13 PM
286	Closer to home. More variety & upscale venues.	2/12/2016 6:07 PM
287	Need more shopping centers, and dining	2/12/2016 5:55 PM
288	More entertainment centers	2/12/2016 5:53 PM
289	Better AND healthier dining options in Western Loudoun	2/12/2016 5:40 PM
290	a lot of good restaurants are coming to one loudoun which is great, but having just so much concentration in one area is not good. Would like to see more town centers developed that equal one loudoun kind of restaurants, kids recreational areas and other sports recreation area would help. The other thing that lacks big time is a good shopping mall like Dulles. It would be great to have another one closer to route 50.	2/12/2016 5:34 PM
291	Loudoun is so expensive and crowded	2/12/2016 4:38 PM
292	More family friendly entertainment options. Options that are not all centralized in Leesburg or Ashburn.	2/12/2016 4:35 PM
293	More restaurants for fast growing populations - everything is so crowded after 6pm	2/12/2016 4:34 PM
294	Western Loudoun county needs more venues for children's activities, like a My Gym, a trampoline park, rock climbing center, bowling alley, movie theatre. There are a few options in Ashburn or Sterling, but closer options are needed. Older teens especially have very limited options, and are left to their own devices to find entertainment or find transportation across the county.	2/12/2016 4:04 PM
295	A nice "Town Center" where there is a variety with ample parking, and the stores/theaters within walking distance of one another	2/12/2016 3:44 PM
296	Some kind of large venue for concerts, sporting events, etc.	2/12/2016 3:40 PM
297	Festivals	2/12/2016 3:34 PM
298	A great mall. A great museum. More activities for kids. More shopping that's not only big box stores. More walkable places. A big park with a pond and open space for picnics and play.	2/12/2016 3:23 PM
299	Strip club, less stuck up snobby people, dance clubs	2/12/2016 3:16 PM
300	A lot of experiences in Loudoun County are priced out of reach for many families. More reasonably priced, family events would be helpful.	2/12/2016 2:52 PM
301	better shopping and more breakfast diners	2/12/2016 2:45 PM
302	Minor league sports teams	2/12/2016 2:19 PM
303	More options and brands	2/12/2016 2:19 PM
304	It will be nice to have a Dave and Busters, Karaoke, Upscale Night Club, Dance Club with famous singers playing, concerts. It will be nice to have nice museums to go with the kids on weekends and a water park like Great wolf.	2/12/2016 2:14 PM
305	More restaurants in wine country. More mom and pop like gourmet "groceries" in wine county. See Napa Oakville Grocery and Paso Robles General Store.	2/12/2016 2:14 PM
306	More boutique/mom&pop restaurants, shops, cafes. Fewer chains	2/12/2016 2:13 PM
307	More retail in mixed use developments. Other than the outlets, Dulles Town Center, and big box discount stores, there are very few places to buy clothing in Loudoun. Additionally, Loudoun needs to market itself to people from DC, Arlington, Alexandria, and Fairfax in a way that dispels the myth that it's "way out there". People from these areas will come out to Loudoun to go to wineries and breweries, but they treat it like a road trip out to the middle of nowhere. Someone in Reston can get to Leesburg faster than DC, but that is not the perception.	2/12/2016 2:11 PM
308	we need commercial areas that are outside of strip malls. A place for dancing (like the Glen Echo spanish ballroom)	2/12/2016 2:04 PM
309	I don't want to see Loudoun turned into a popular destination.	2/12/2016 2:03 PM
310	More dining facilities in Western Loudoun County. Professional and/or semi pro sports.	2/12/2016 1:57 PM
311	Make downtown areas more appealing. Leesburg is so quaint and historic but dead on week nights . One Loudoun has turned out awesome.	2/12/2016 1:57 PM
312	More Dining, More live music venues!	2/12/2016 1:53 PM

Loudoun County Nighttime Economy

313	More options	2/12/2016 1:52 PM
314	Nothing. Please leave Loudoun County alone!	2/12/2016 1:50 PM
315	If we had more of these experiences available, that were affordable. Also the option of more high end restaurants of which there has been a slight increase in Loudoun would be a welcome addition. Affordable is nice, but occasionally it would be nice to not have to drive to Fairfax or DC to do something special. Unique entertainment and cultural venues are welcomed.	2/12/2016 1:46 PM
316	A large sports/entertainment venue, a primary entertainment spot instead of a few scattered small locations.	2/12/2016 12:57 PM
317	More downtown areas to go out, eat at, and have more of a local interaction	2/12/2016 12:30 PM
318	PUBS, great live music, family-friendly taverns with reasonably priced meals and microbrewed beer --- It would be GREAT to have a real pub with pub meals (meatloaf, shepherd's pie, fish and chips, etc.) not just a sports bar. It would also be great to have a dessert spot with drinks - more of an after-dinner lounge type atmosphere.	2/12/2016 12:27 PM
319	Put more dining and entertainment venues in the Dulles landing area. We need an outdoor theater space and better dining and shopping in the Aldie/Arcola areas	2/12/2016 11:40 AM
320	More festivals	2/12/2016 11:40 AM
321	Trader Joe's, better traffic flow	2/12/2016 11:26 AM
322	Dining and activities	2/12/2016 11:21 AM
323	The rush hour traffic throughout the week makes it impossible to really get out. We usually head west before rush hour to avoid sitting in traffic.	2/12/2016 11:14 AM
324	Sports venue (Redskins new stadium, minor league baseball, etc) top golf was a great addition, but we need more stuff like that. Bars that provide live music in the evenings, karaoke, or deejay/dancing would be great also!	2/12/2016 10:43 AM
325	More "big" attractions like TopGolf. A Dave and Busters would make so much money in Loudoun.	2/12/2016 10:30 AM
326	Sports team, more places like one Loudoun	2/12/2016 10:27 AM
327	more One Loudoun like town centers with upscale restaurants and shopping, ala Reston Town Center or Fairfax Corner or the new Gainesville Town Center	2/12/2016 10:24 AM
328	Unique restaurants	2/12/2016 10:18 AM
329	?	2/12/2016 10:18 AM
330	Better venues, but also better advertising on what is out there and what there is to do in the county.	2/12/2016 10:18 AM
331	More jobs and businesses keep people in Loudoun County, sports team, plays, theater	2/12/2016 10:15 AM
332	More outdoor concert and festivals. Things for small children to do that aren't expensive. Family attractions. More restaurants in round hill, like a town center with bowling and theaters.	2/12/2016 10:14 AM
333	More things to do with children further west	2/12/2016 10:13 AM
334	Brining more entertainment out to western Loudoun	2/12/2016 10:13 AM
335	Just let some businesses build farther west in purcellville - restaurants, kids things to do	2/12/2016 10:12 AM
336	Don't want it to be. Enjoy western loudoun for its quiet charm.	2/12/2016 10:07 AM
337	Public transportation to fairfax county	2/12/2016 10:03 AM
338	Indoor pools in Brambleton area.	2/12/2016 10:01 AM
339	Live concerts would bring people in.	2/12/2016 9:52 AM
340	More upscale dining and shopping and more family friendly outdoor activities	2/12/2016 9:46 AM
341	Shopping and entertainment choices similar to Mossic in Fairfax	2/12/2016 9:42 AM
342	A minor league baseball team at One Loudoun!! A theater for off-Broadway shows and concerts, an art museum.	2/12/2016 9:37 AM
343	Better traffic conditions, more available options.	2/12/2016 9:37 AM
344	Building the minor league sports stadium. Keep bringing in unique dining in (no large chains) like One Loudoun has. One Loudoun is probably the best example with the Alamo Drafthouse, Top Golf, and various great restaurants. In addition lobbying for the Redskins stadium.	2/12/2016 9:35 AM
345	Better roads	2/12/2016 9:34 AM

Loudoun County Nighttime Economy

346	Roads, roads, roads, roads, roads. And find that idiot who promised us a minor league ball team and arrest him.	2/12/2016 9:31 AM
347	More sports, cultural, music	2/12/2016 9:27 AM
348	Beef up Dulles Town Center. With the money and population we should have a great competitor to Tyson's or at least Reston Town Center. That mall is sad sad sad.	2/12/2016 9:27 AM
349	Semi pro sports team.	2/12/2016 9:24 AM
350	More unique restaurants	2/12/2016 9:23 AM
351	More restaurants	2/12/2016 9:23 AM
352	More restaurants A much better shopping mall - the selections at Dulles Town Center are extremely limited A full performing hall for the symphony and ballet	2/12/2016 9:22 AM
353	Bigger Name Bands - Live Music More Festivals More Outdoor dining options	2/12/2016 9:22 AM
354	Loudoun is in serious, and I mean serious, need of stores and restaurants. And I'm not talking about those pricey, mom and pop boutique shops no one can afford. I'm talking about normal establishments like Pizzeria Uno, Barnes and Noble, Buy Buy Baby. Check out how many people go to the Reston Town Center - it's mobbed every night and weekend. Why? Normal stores and normal restaurants. I'm amazed the majority of stores in the Brambleton Town Center (if you can call it that) are still open because they have so few patrons.	2/12/2016 9:21 AM
355	More non-chain restaurants and higher end shopping	2/12/2016 9:21 AM
356	Fewer chains, more unique stores/restaurants	2/12/2016 9:17 AM
357	More restaurants and bars that are big names (e.g. Uncle Julios). Also things like the Brew Fest in Brambleton attracted tons of non-Loudoun County residents because it was a really cool event.	2/12/2016 9:15 AM
358	Sports arena for athletics and concerts. More theatres for performing arts. Convert portion of historic Leesburg for pedestrian mall, like winchester / Charlottesville. We need affordable entertainment for families -- everything is so expensive for families of 4+	2/12/2016 9:13 AM
359	A music venue	2/12/2016 9:06 AM
360	More options and varieties	2/12/2016 9:04 AM
361	Family Center We also need a safe place for teens and young adults under 21. Think coffee shop with live music for young adults.	2/12/2016 9:01 AM
362	Better restaurants. Entertainment (plays, live music). Real stores!	2/12/2016 9:00 AM
363	More mid-priced restaurant/bars such as Oh George near George Mason University.	2/12/2016 8:59 AM
364	-	2/12/2016 8:52 AM
365	A little less rural, add street lights and traffic lights, number one! Then add, a bowling alley, maybe an outdoor mall, with high end retail stores, and cool chain restaurants. (See The Avalon in Alpharetta, GA). And make sure there is great parking.	2/12/2016 8:50 AM
366	Better stores, restaurants and events! Would love to have a Maggiano's and more restaurants on the Stone Ridge / South Riding area, as well as a movie theatre! Would also love to have a Wegman's on my side of the county! We are so grateful for the stores at Dulles Landing, but we need more! Would also love a place for concerts in Loudoun County, something like Wolf Trap where you can bring a picnic and sit on lawn!	2/12/2016 8:47 AM
367	We moved here in November, so still exploring the area.	2/12/2016 8:47 AM
368	Better restaurants. I hate having to drive down to Alexandria or dc for a really good restaurant. Everything in loudoun seems so cookie cutter	2/12/2016 8:46 AM
369	Dave & Busters	2/12/2016 8:39 AM
370	Employment, bar culture	2/12/2016 8:36 AM
371	More upper scale restaurants, distance based fees on Greenway.	2/12/2016 8:36 AM
372	Continue to market the many features we already have. Attract large crowds by continuing large festivals and other community events at or near key attractions. Also... Harness social media to get the word out.	2/12/2016 8:35 AM
373	More quality choices for dining out, sports and concert venues	2/12/2016 8:35 AM

Loudoun County Nighttime Economy

374	Dave and Busters type places Bring in more businesses...not just momband pop type businesses. What makes Reston and Fairfax areas more attractive is that we all work out that way. Loudoun County is a bedroom community and until you change that, people will just want to come home after a days work and fighting traffic. Let's make this a place where you can live, work, and dine...not just live,, and occasionally dine.	2/12/2016 8:30 AM
375	Minor/Major League sports teams, Venue capable of holding circus/Disney/etc. shows	2/12/2016 8:29 AM
376	More culture and live performances. And shopping options that are more "current".	2/12/2016 8:28 AM
377	Hipsters attractions like mom and pop quaint cafe's organic markets. Wineries	2/12/2016 8:28 AM
378	More organic farms	2/12/2016 8:27 AM
379	Too many people here already. If people want that atmosphere they can go to the city.	2/12/2016 8:27 AM
380	1). Solve traffic problems particularly in the evening so that going beyond local brambleton places is an option 2). Have some of these desired places	2/12/2016 8:23 AM
381	Fewer chains, be they restaurants, shops, etc.	2/12/2016 8:22 AM
382	museums - larger performing arts facility	2/12/2016 8:21 AM
383	More live music venues. More restaurants. More walking shopping areas	2/12/2016 8:21 AM
384	Not sure	2/12/2016 8:21 AM
385	Live music venue or a sports team. Something to draw a crowd with good food and entertainment nearby	2/12/2016 8:18 AM
386	First Dulles South needs more options such as unique restaurants. A Piano Bar would be awesome. A nice Lounge for the over 21 crowd. My friends and I go to DC and MD (National Harbor) for evening fun on the weekend. The Loudoun wineries are great but they close early.	2/12/2016 8:17 AM
387	More of all the options aforementioned. Sports venues, live entertainment venues, etc.	2/12/2016 8:17 AM
388	No comment	2/12/2016 8:16 AM
389	More restaurants	2/12/2016 8:15 AM
390	live music venues, sports venues	2/12/2016 8:15 AM
391	Unique restaurants, not chains or franchise. Leesburg has them and we go there often but my zip code is lacking in variety.	2/12/2016 8:10 AM
392	night time hourly daycare facilities near night time activities. More places night time entertainment that offered dancing and music. More sit down fine dining restaurants.	2/12/2016 7:46 AM
393	We don't like the over development as it is.	2/11/2016 11:16 AM
394	I have no suggestions	2/11/2016 10:33 AM
395	More adult only places and fewer family venues.	2/10/2016 8:46 PM
396	fgsf	2/10/2016 9:34 AM
397	Walking neighborhoods connected to schools and commercial areas and to other walking neighborhoods. People do not want to go far to get to restaurants and entertainment venues. If they can walk there, even better!	2/10/2016 8:43 AM
398	A greater density of mixed use with good public transportation running from Metro stops and changing the zoning and business structure in Leesburg.	2/10/2016 7:35 AM
399	Friendlier parking restrictions, more open parking.	2/9/2016 3:43 PM
400	An entertainment hub, vs. entertainment venues spread throughout the county. I think One Loudoun is well on its way, but placing emphasis on the nightlife component vs. just being a bar in a restaurant. Give everyone a reason to want to go out at night and market it that way.	2/9/2016 2:28 PM
401	Allowing local businesses to have outdoor music during the summer. Hosting more arts/music/beer/food festivals.	2/9/2016 12:49 PM
402	We need a big space for bigger concerts, exhibitions, conferences.	2/9/2016 12:42 PM
403	More DIVERSE cultural entertainment options, i.e. Comedy Club, local cultural festivals, various musical artist, genres, concerts. Live musical bands with dancing for 40+ Adults/Married Couples.	2/9/2016 12:26 PM
404	Shooting ranges, nightclubs.	2/9/2016 11:09 AM
405	more of the same. Upgrade the Historic District in Leesburg. Looking forward to more mixed use like Loudoun Station. Would like a baseball team if it will succeed	2/9/2016 11:05 AM

Loudoun County Nighttime Economy

406	I think it would be great to have cultural hubs, something like a Chinatown, but with different cultures represented. That way, you can choose where you want to go and dine and be entertained just by going to that particular part of the area.	2/9/2016 10:44 AM
407	Minor league baseball team	2/9/2016 10:12 AM
408	More venues for the performing arts—we currently have one theater building in Purcellville, and the other one is all the way in Sterling.	2/9/2016 10:06 AM
409	1. Better restaurants and more diverse culinary offerings. 2. Create Restaurant/Nightlife week 3. Create venues to promote foot traffic (eg. Mosaic Center, Tysons, Shirlington, Old Town Alex, Georgetown, etc...) 4. Large Format theater or Large IMAX as anchor 5. sponsor Festival and music festival 6. sponsor Wine Festival with music	2/9/2016 10:00 AM
410	I think building upon the historic towns is probably the best way to go. Allow for a more diverse housing stock to rent and buy (ie. lofts above stores/offices, particularly in the towns). Definitely increase apartment quantity near town centers - there's already a lot of housing to buy, but if you want young people, we're not ready to buy. Lure us in with great apartments, walkability, music venues (that do more than cover bands) and then we'll stay when we can afford a downpayment.	2/9/2016 9:32 AM
411	N/A.	2/9/2016 8:58 AM
412	Continue to build places like one Loudoun with a variety of places to go in one spot.	2/9/2016 7:28 AM
413	Higher end retail, later shopping, outdoor seating at restaurants, lower water tap fee for new restaurants, later music, teen clubs/activities, event venues	2/9/2016 6:14 AM
414	Live theater; live music; outdoor music; festivals; outdoor themed events	2/9/2016 4:48 AM
415	A really great free sober transportation service.	2/8/2016 10:36 PM
416	Arena/ auditorium for live performances ; music, theater, comedy shows, family shows. Outdoor venue for outdoor concerts/ festivals in summer.	2/8/2016 10:29 PM
417	More restaurants that are not fast food chains or cafes; local concerts; more fitness activities; more lanes for bikes	2/8/2016 6:41 PM
418	For me? Places were it's possible to make social dancing viable - decent wooden floor, hall rental rates that aren't set with an eye toward a posh wedding market. Occasional exposure for music genres other than bluegrass. More casual concerts/busking. Art in everyday spaces. Street food. Working with historic sites as venues. Stuff i can plan to go to AND stuff i can happily stumble across.	2/8/2016 3:13 PM
419	Having places that appeal to families and teenagers. Wineries don't cut it.	2/8/2016 11:44 AM
420	recreational places for teenagers to hang out; more family friendly restaurants, more outside venues with live music	2/8/2016 11:14 AM
421	a live music venue and more options for night life	2/8/2016 11:05 AM
422	Providing additional bars/lounges.	2/8/2016 8:39 AM
423	Lot of activities for kids aged 1 to 10 Olds and activities for elders too	2/8/2016 7:50 AM
424	More nightlife with different genres in a close walkable area or Plaza. For bar hopping	2/8/2016 12:25 AM
425	Better retail, boutiques, unique restaurants not chains, places for single divorced parents to meet people.	2/7/2016 10:40 PM
426	Concert venue	2/7/2016 10:30 PM
427	Live entertainment venue (Wolf Trap/Merriweather Post) or sporting venue ... Minor league baseball	2/7/2016 9:07 PM
428	Minor league baseball or pre-season Skins (that could lead into dinner/drinks at One Loudoun). Better restaurant choices (like Reston Town Center). BF Saul at Lansdowne Town Center needs a beat-down for the way they galge and bankrupt the local businesses--the turnover has made it unstable. A Chick Fil A in Lansdowne or near Ashburn Bubble, Broadlands could be good for post-youth game activities on nights/weekends. Better signage for the outlets from Rt 7 (no one knows it as "Leesburg Premium"). Why not just call it "Outlet Mall" and be done?!?!	2/7/2016 8:27 PM
429	King Street needs to have more appealing shops/dining that stay open much later. Everything closes so early! Check out Frederick, MD. They have it figured out and they aren't that much larger than Leesburg! We need performing arts venues! We need more affordable places to go. Not everyone is operating off a six figure income in Loudoun. More/better live music venues. Lounge type atmospheres vs super nightclubby or trashy bar. A piano bar! And last but not least.... it is SO expensive to get commercial space in Loudoun that entrepreneurs (like me) don't even consider it a possibility to have a retail business (or other kind of business) because we'd be bankrupt in no time just given the overhead expenses! Rent is ridiculously expensive so businesses are NOT enticed to bring their businesses here unless they are big box stores which.... I don't think we need. MAKE IT EASIER FOR SMALL BUSINESSES TO SUCCEED IN LOUDOUN!!!!	2/7/2016 8:18 PM

Loudoun County Nighttime Economy

430	More stores that can be found in the Tysons area like Apple Store	2/7/2016 8:10 PM
431	age transitional areas -- a place where we can raise our kids, work, and then not have to move away when the kids are in college	2/7/2016 7:43 PM
432	I moved here from NYC and find it bizarre that it is 20 to take a cab to/from BLVD to One Loudoun which is roughly the same as it costs for me to go to Reston and Tysons....if I'm already spending that much to can, I would rather just go closer to DC	2/7/2016 7:32 PM
433	Addition of creative place making	2/7/2016 5:17 PM
434	Get the "junk stores" (antique shops) and crappy restaurants that are owned by the same guy (Sayid something??) OUT of downtown Leesburg!!	2/7/2016 1:18 PM
435	Anything with live music, beer, and food	2/7/2016 11:43 AM
436	Culture of accepting reservations. The concept of waiting 30-60 min for dinner, entertaining etc is a huge turn off. I would highly recommend we focus on limiting chain restaurants and encouraging (via tax incentives or reduced rent) more local restaurants that highlight the talents of this community. Living in the eastern part of the county, the volume of chain locations with insane waits is a huge turn off to going out	2/7/2016 10:55 AM
437	More live concerts	2/6/2016 12:56 PM
438	Not becoming overcrowded with too many offerings keeps it attractive.	2/5/2016 9:10 PM
439	More restaurants bars and public transit	2/5/2016 5:58 PM
440	Night life...like restaurants and activity based places like dave and busters or laser tags or go karts or mini golf etc and more kid friendly parks...	2/5/2016 4:24 PM
441	More bars, lounges - Appealing to the 30-somethings (not focused solely on millennials) and ABSOLUTELY NOT chain bars or restaurants	2/5/2016 2:17 PM
442	groupings of restaurants, shops and bars that are walking distance from each other and have adequate parking.	2/5/2016 12:37 PM
443	Community Events	2/5/2016 12:06 PM
444	Open air ice rink,making one loudoun bigger,making more places like Reston town center with shops and restaurants.places that will be open till after midnight to eat and for live entertainment.	2/5/2016 11:27 AM
445	Additional places like reston town center where you can walk around and not be surrounded by strip malls and parking lots.	2/5/2016 11:02 AM
446	Less expensive options for dining. Concert venues that attract higher quality performers. Movie theaters that offer more interesting choices -- indie, foreign and alternative movies.	2/5/2016 10:49 AM
447	Less development...work with what we have.	2/5/2016 10:27 AM
448	Large indoor shopping mall with a nice play area for children. Indoor amusement park that is open year round (not just spring to fall). Theater/venue for live performances.	2/5/2016 9:59 AM
449	Something like wolf trap	2/5/2016 9:47 AM
450	More shops that provide convenience for working parents	2/5/2016 9:30 AM
451	Dance clubs 3 or 4 star restaurants More quaint strips of good restaurants Karaoke bars Salsa dancing	2/5/2016 8:45 AM
452	Put some focus on developing the retail centers of existing neighborhoods. For example, South Riding has been around since 1996 and is the first stop in a long drive out to Lenah, Middleburg and points East and West off of Rt 50 but yet it is still not as developed as some of its neighboring residential centers. It would be nice to use the land there to draw from the financial pockets of those in and around South Riding.	2/5/2016 8:38 AM
453	Pro sports	2/5/2016 7:57 AM
454	Having places where patrons can visit, relax, listen to great music but also be able to communicate. Drinks, food, etc. Create an atmosphere where it's easy to make friends, enjoy good food and drinks, and have a lot of fun; unwind from the crazy days :)	2/5/2016 7:43 AM
455	Extended hours in Middleburg, better retail in Leesburg, a focus on walkability in newer developments like Brambleton, South Riding, Stone Ridge. Reston Town Center, Old Town Alexandria are models.	2/5/2016 5:03 AM

Loudoun County Nighttime Economy

456	1- Diverse musical performances 2-Mid size venues for performances 3-Marketing - increased visibility/brand/presence as vibrant community 4-Venues other than just restaurant 5-Diverse options in a walkable or accessible area for entertainment 6-Build an image as a diverse community, not just suburban residential family oriented with young school aged children. 7-Identify ways to modify noise ordinances. Its currently to difficult to introduce entertainment in this corridor for small entrepreneurs 8-Make Loudoun appealing for small trendy vendors in a central location 9-Transportation free or minimal cost shuttles from major events 10- Entertainment zone - dance clubs, different types of music, different other entertainment in a single complex. 11 - Leverage Loudoun unique farming assets and Wine Country to create unique experiences at a fun venue. Sip and Paint featuring local wineries. Major hub for cooking classes featuring fares from local farmers. 12-Bring some entertainment to the Southeastern corridor. So many locations are just large tracks of residential. 13-Tours to the wine country on weekends leaving from One Loudoun. No driving required. 14-TRANSPORTATION - If people visit from neighboring cities and counties we need an easy way for them to get from Whiele Metro to Loudoun County on a Thursday/ Friday Night.	2/4/2016 11:38 PM
457	More shows, parks , pet farm and street lights.	2/4/2016 11:18 PM
458	Establish more destinations to start with!	2/4/2016 11:11 PM
459	More roads and sidewalks that connect living areas with areas of entertainment, dining, etc. Many planned communities in Loudoun (such as in Ashburn) are not well connected to neighboring communities by sidewalks. There are restaurants and other businesses near my house, but they are outside my subdivision and there are no sidewalks leading to them from my development. The sidewalks in many planned communities are focused inward, encouraging residents to stay within their communities. To leave ones subdivision or locality usually requires driving. Driving to a entertainment or dining venue outside my neighborhood usually involves confronting traffic and finding parking. This tends to discourage me from venturing out as often as I would like. Sufficent lighting around areas of entertainment and/or dining is also important at night.	2/4/2016 10:33 PM
460	better restaurants, better roads, walkable town centers	2/4/2016 9:58 PM
461	More bars in areas like One Loudoun and LOUDOUN station as well as easy accessibility to metro and public transport so you don't have to drink and drive	2/4/2016 9:11 PM
462	More nightlife options for young people. Also transportation options to current Loudoun attractions.	2/4/2016 9:07 PM
463	diverse dining (not chain resurants), live music, annual community/county festivals (Herndon festival and Fairfax county festival)	2/4/2016 8:57 PM
464	More restaurant and night life options in the South Ridimg/Aldie area	2/4/2016 8:53 PM
465	if all the rednecks and foreigners moved away	2/4/2016 7:57 PM
466	More shopping in the historic district. It's all antiques.	2/4/2016 7:51 PM
467	More transportation option (i.e. Über), closer group of bar options (one Loudoun is on the right track), more distilleries and local breweries near ashburn, local sports team, less expensive golf options	2/4/2016 6:06 PM
468	Less expensive... Large concert venue	2/4/2016 5:07 PM
469	Trader Joe's grocery store, performing arts venue for popular performers (such as Weinberg Center in Frederick, MD)	2/4/2016 5:01 PM
470	Decrease in population. Better roadways. Loudoun does NOT need any nightclubs or after hours establishments	2/4/2016 4:58 PM
471	theater, better restaurants,city	2/4/2016 3:09 PM
472	More bars in the same center. More music.	2/4/2016 2:05 PM
473	Dining	2/4/2016 1:55 PM
474	Higher end shopping like the Tyson's Galleria, Fine dining like Maggiano's, Luxury Hotels.	2/4/2016 1:53 PM
475	Easy and safe access	2/4/2016 1:50 PM
476	Create a larger, outdoor music venue/amphitheater to rival Merriweather Post Pavillion	2/4/2016 1:29 PM
477	Improve the Dept. Stores at Dulles Town Center. A lot of people go to the Nordstrom at Tysons instead of at Dulles town center. Same for Lord & Taylor.	2/4/2016 1:28 PM
478	A baseball team in Loudoun would be the best way to increase this as a popular destination.	2/4/2016 1:14 PM
479	Planning events that begin after the massive rush hour we have. With One Loudoun, Village of Leesburg and Leesburg itself (which has lost revenue do to the other two) we are pretty well set. For younger people who want a dance type bar, maybe not.	2/4/2016 12:48 PM

Loudoun County Nighttime Economy

480	More of a range of food establishments (range in prices and variety of types of food), more concert venues, art galleries, things that stay open later (I would love a late night bakery or at least one that doesn't close at 3), more ice cream (less froyo).	2/4/2016 12:32 PM
481	More activities to do	2/4/2016 12:24 PM
482	Clubs	2/4/2016 11:42 AM
483	more variety of restaurants/bars/cultural events that can appeal to distinct cultures, food/music preferences and people of Loudoun. Examples: wine-tasting restaurant/bar, international-tailored events, bars tailored to young Hispanic professionals.	2/4/2016 11:29 AM
484	its simple superb	2/4/2016 11:23 AM
485	Job creation getting more offices Entertainment	2/4/2016 11:23 AM
486	More options like the Reston town center	2/4/2016 11:13 AM
487	A vibrant night life in downtown Leesburg. More theatre and the arts options, particularly dinner theatre.	2/4/2016 11:11 AM
488	It is a popular destination. No need to change a thing.	2/4/2016 11:11 AM
489	Most shopping in brambleton is useless..dance floor clubs, starbucks and more ethnic restaurants reqd	2/4/2016 11:04 AM
490	more non-rush hour public transportation	2/4/2016 10:57 AM
491	Restaurants (specially downtown Leesburg area) need to serve dinner past 8 pm and stay open past 9 pm. We go to Dulles, Sterling, and Reston for dinner since we don't get home from our commute until 6 pm and don't feel like rushing right out just to beat the 8 pm last call to order dinner that most restaurants in Leesburg follow. More diversification in the downtown area would be a plus. There are only so many antique shops I can go into in one outing and the majority of the shops are too expensive and/or offer items I am not interested in.	2/4/2016 10:42 AM
492	Not sure	2/4/2016 8:42 AM
493	Indoor virtual gaming area (similar to a Disney Quest in Orlando) - something to fit many ages including adults. Could turn into an all adult gaming area/bar in the evening. Country/Western bar (modern country music), Escape game venue (see Orlando for examples), place for ballroom dancing, a real dance club for contemporary music, place for comedy shows, indoor amusement park, piano bar, interactive murder mystery dinner theatre.	2/4/2016 8:36 AM
494	Affordable options for all of these, but most of all, Loudoun county, and particularly downtown Leesburg, needs AFFORDABLE HOUSING for young professionals without families. If developers and county leaders would like to see more live/work/play scenarios, we have to address the "live" part in a big way. There is a woeful shortage of affordable (not section 8) housing in downtown Leesburg such as apartments and rentable single-family homes. If young folks with money to spend are living within walkable distances to the downtown core and market station, foot traffic will increase and so will business' bottom line.	2/4/2016 7:56 AM
495	To have more boutique shops and restaurants! no more chain restaurants! Loudoun is an awesome place to live but if there's anything it's lacking is a diverse and unique restaurant environment as well as fun bars. Think outdoor cafes and unique!!	2/4/2016 7:12 AM
496	More restaurants downtown leesburg, live music, a sporting venue.	2/4/2016 3:34 AM
497	QUALITY live music, in small venues.	2/4/2016 1:49 AM
498	Live music venues, more shops in downtown Leesburg, a playhouse for theater	2/4/2016 12:33 AM
499	Everything closes so early, and it would be fun to have outdoor lawn game options like Shoes already has (e.g., croquet, badminton, etc.).	2/3/2016 11:29 PM
500	More bars and restaurants in walking proximity of homes	2/3/2016 11:04 PM
501	More unique family recreation options and better traffic.	2/3/2016 10:57 PM
502	More places like One Loudoun	2/3/2016 10:46 PM
503	Less traffic- it takes so long to get anywhere these days- so much so that I rarely leave ashburn!	2/3/2016 10:46 PM
504	Less assholes in BMWs, says my husband. I say, more live music venues.	2/3/2016 10:40 PM
505	Expand the hours to 1 am for outdoor music venues large or small	2/3/2016 10:27 PM
506	Lakes, water, etc that includes dining and entertainment	2/3/2016 9:46 PM
507	More cultural and entertainment options	2/3/2016 9:42 PM

Loudoun County Nighttime Economy

508	Diverse dance clubs and entertainment centers like Orlando and Tampa, Florida...think City Walk and Church Street Station and Ybor.	2/3/2016 9:23 PM
509	More accessible public transportation, better parking availability in retail areas	2/3/2016 9:17 PM
510	Convenient locations with good parking	2/3/2016 8:49 PM
511	A cohesive strategy, like brewery trail. Or something like Herndon Friday night live which my family goes to and gets pizza on the way.	2/3/2016 8:43 PM
512	Better transportation around the county especially from western Loudoun... Buses taxis shuttles and county to county trips winery trail from prince William to Loudoun etc	2/3/2016 8:27 PM
513	Pedestrian zones. More sidewalks. Free parking.	2/3/2016 8:11 PM
514	More walkable places; shopping options; entertainment. Where I live it's no variety and limited places to shop. Always have to go to Sterling or Leesburg. No place to walk.	2/3/2016 8:09 PM
515	If things were more economically feasible, I think people would go out more. I don't care how good your steak is, I'm not paying \$100 for it. I know many say it's about the atmosphere, but things need to be within the price range that the majority of people can afford it	2/3/2016 8:02 PM
516	Sports	2/3/2016 7:48 PM
517	Metro Rail Service	2/3/2016 7:40 PM
518	Larger concert venues for bigger artists to play. Verizon Center, Jiffy Lube, etc are so far away	2/3/2016 7:26 PM
519	Later hours	2/3/2016 7:13 PM
520	Keep shopping areas open late and have outdoor entertainment in warm seasons	2/3/2016 7:06 PM
521	Baseball stadium/Soccer stadium @ One Loudoun.	2/3/2016 6:59 PM
522	Convenience and a community of people that live here. We have kids, so we're not driving out to fairfax and Arlington for long nights out. We're looking for a restaurant and a few bars, preferably in walking distance from one another so that we have multiple options that don't require driving and are close to home.	2/3/2016 6:54 PM
523	Town Center (One Dulles is nice, but not enough there yet) feel like Reston-- more things within walking distance from each other. A shuttle bus running a circuit between 3-4 places that aren't too far apart but too far to walk-- would allow people to meet in groups more easily and less drunk driving...	2/3/2016 6:49 PM
524	More options for sports venues, bars, clubs, theatre, etc	2/3/2016 6:47 PM
525	More live music down town	2/3/2016 6:39 PM
526	Allow more chain restaurants. Leesburg is in desperate need of restaurants. We drive to Reston Town Center and Tysons. You have to allow them in and people will come.	2/3/2016 6:25 PM
527	Latin dance venues! There are no salsa clubs here! A real university/college campus. Kick the county government out of Leesburg & gain a ton of real estate that could attract tourists as in Frederick, Maryland. (Ask Katie Hammler on the Leesburg Town Council about the proposal I emailed her for getting offices out of display window spaces to make room for retail shops.) Get downtown Leesburg hopping--it's not about parking. Better-known performers at Franklin Park. Forbid any political or business promotion at the Christmas, 4th of July, & Halloween parades. A central arts facility--school, workspace, gallery, hub. More outdoor drinking & dining options, particularly with people-watching as opposed to parking lot views. More pet-friendly and pet-oriented events and places. FAR MORE public art, especially temporary/pop-up and interactive. Whimsy & surprise will bring people back to see what's new this month.	2/3/2016 5:58 PM
528	More WALKABLE spaces, like pedestrian-only areas with plenty of outdoor cafes, interesting stores that stay open later than 5pm, etc.	2/3/2016 5:45 PM
529	Loudoun need something like Baltimore's powerplant live. They have comedy shows they have music they have bars. And it's all within walking distance! That's the problem with Loudoun County nothing is within walking distance!	2/3/2016 5:08 PM
530	More bars open late night, venues for entertainment, frequent cultural festivals	2/3/2016 5:00 PM
531	Patio seating with no parked cars, walkability, local public transportation, parks.	2/3/2016 4:54 PM
532	More walkability, drivers that aren't douche bags	2/3/2016 4:51 PM
533	Less chain restaurants, more mid-priced, quality food options. More diverse entertainment options - music (not just pop cover bands), comedy shows, and outdoor spaces.	2/3/2016 4:49 PM
534	More walkable towns.	2/3/2016 4:31 PM

Loudoun County Nighttime Economy

535	Later hours for dining; Family fun venues, live music places.	2/3/2016 4:26 PM
536	More bars and restaurants downtown leesburg (with good food at reasonable prices), more live music	2/3/2016 4:17 PM
537	Sports teams!!! And Eady public transit	2/3/2016 4:10 PM
538	A sports team! It's super inconvenient to go into DC to see DC United, the nationals or the caps.	2/3/2016 4:07 PM
539	Make things walkable. A 30min drive in traffic just to get to somewhere mediocre absolutely kills my desire to go out. I'd rather save money and just stay at home at that point. Nothing is close in Loudoun County. The closest bar to my house is a 3mi, 10min drive. And I live in the eastern end of the county. Why even bother?	2/3/2016 4:07 PM
540	Better restaurants and shops on King Street, better public transportation (Metro), better infrastructure (roads, less traffic).	2/3/2016 3:53 PM
541	Theaters and concerts	2/3/2016 3:52 PM
542	We need large concert and theater venues here.	2/3/2016 3:45 PM
543	Better hours for retail, restaurants, higher quality food establishments, community theater, interactive park for families	2/3/2016 3:29 PM
544	Not to close its doors so early in the town of Leesburg. More art programs too. There is nothing in Eastern Loudoun for any arts. No are Theaters, museums, galleries anything like that. Boring!	2/3/2016 3:03 PM
545	1 real center. One loudoun is great and on the way to being "The" place. But it seems its the latest. Lansdowne, Town center in leesburg, all seem to have been the place at one point or another.	2/3/2016 2:59 PM
546	more walkable shopping, restaurants, bars. Outdoor activities like an ice-skating rink, outdoor music venues. My favorite - a place for food trucks. Food trucks are awesome!	2/3/2016 2:54 PM
547	Stop the sprawl!	2/3/2016 2:51 PM
548	more parking and compact entertainaent area	2/3/2016 2:35 PM
549	Better restaurants and clubs	2/3/2016 2:35 PM
550	More venues to have private events that last after 10, more live music, less chains, world class performing arts venue.	2/3/2016 2:29 PM
551	Better downtown Leesburg	2/3/2016 2:27 PM
552	More downtown shops and local restaurants / bars / coffee shops!! There are too many lawyer offices and insurance offices taking up the old historical buildings...	2/3/2016 2:22 PM
553	Better options in downtown Leesburg	2/3/2016 2:19 PM
554	More areas like Leesburg or Fairfax Corner- Well developed destination areas	2/3/2016 2:14 PM
555	One Loudoun. Everything I need is there	2/3/2016 2:14 PM

559	Uber in western Loudoun.	2/3/2016 1:55 PM
560	Better parking location signage, more retail shops; shops that stay open later than 5:00 pm; restaurants that were unique to draw people into downtown; investment and upkeep in the historic district buildings	2/3/2016 1:52 PM
561	More retail space and diverse crowd across all ages. Good network of roads and transportation. Encourage more retail business rather than data centers	2/3/2016 1:48 PM
562	expanding walkable communities and public transport at night,more places like Reston Town center	2/3/2016 1:47 PM
563	Getting a pro or semi-pro team here. More, larger, better performing arts venues. Outdoor shopping/walking areas.	2/3/2016 1:47 PM
564	More residential in downtown Leesburg to support more restaurants and bars.	2/3/2016 1:45 PM

Loudoun County Nighttime Economy

565	1. More towncenter type of areas without a big grocery store in the middle of it (even though Wegmans is wonderful it is difficult to create a nightlife feel around it) i.e. Reston Town Center, M street/Georgetown, Clarendon 2. More Festivals in general i.e. local craft beer/ spirits/wine festivals, food truck festival, music festivals, street festivals, arts festival 3. Sporting events (i.e. Loudoun Hounds if they come back or similar) That venue could have concerts in the evenings. 4. Another theater like the Tally Ho with live music or an outdoor theater like Wolf Trap 5. More interactive venues like Top Golf (i.e. Pinstripes Bowling, Comedy club, indoor mini golf, outdoor ice rink etc) 6. Less chain/ fast food restaurants - More local/farm to table/ unique restaurants 7. More venues that offer outdoor seating or rooftop bars 8. Better accessibility (road infrastructure improvements)	2/3/2016 1:43 PM
566	Art gallery	2/3/2016 1:40 PM
567	The continued expansion of One Dulles.	2/3/2016 1:38 PM
568	Businesses staying open around restaurants/bars past 5:00 to encourage walking around town and shopping along with eating/drinking.	2/3/2016 1:38 PM
569	Better public transportation from western Loudoun to eastern Loudoun	2/3/2016 1:34 PM
570	side walk cafes, with pedestrian sidewalks for people watching, unique shops with character not strip malls, mixed with opportunities for live entertainment and dancing, politics and prose type of bookstore with authors speaking- major attraction, cooking stores with open kitchen to give lessons, upscale crafts festival, live theatre.	2/3/2016 1:33 PM
571	A better downtown experience. More restaurants with outdoor seating and more shops. I think once a month, during warm months, the main streets should be shut down on Saturday nights to allow foot traffic and encourage people to eat/drink/shop downtown. Restaurants could set up tables outside since foot traffic could move to the streets.	2/3/2016 1:29 PM
572	More outdoor events that are both kid and adult friendly. As the mother of a 3 month old I am wondering what we will be going to this summer.	2/3/2016 1:24 PM
573	Vineyards, breweries, multiple bars, theaters	2/3/2016 1:12 PM
574	More infrastructure to support increased traffic. Less rolls in the Greenway. Metro into Leesburg.	2/3/2016 1:11 PM
575	Pro baseball	2/3/2016 1:09 PM
576	Having a piano bar like Bobby McKeyes at National Harbor is one thing that comes to mind.	2/3/2016 1:09 PM
577	Bringing more jobs into Loudoun County.	2/3/2016 1:08 PM
578	Free or inexpensive from silver line metro to places like One Loudoun	2/3/2016 1:05 PM
579	Closing route 15 to traffic in old town Leesburg and making it walkable	2/3/2016 1:04 PM
580	Of course!	2/3/2016 1:02 PM
581	Larger venue for live music	2/3/2016 1:00 PM
582	There are good restaurants etc. but everything is so spread up. It also stinks that most are only accessible by car so unless I want to uber home, I need to drink in downtown Leesburg so I can walk home. So accessibility would be great!	2/3/2016 1:00 PM
583	Easing the noise ordinance in downtown Leesburg. Keeping shops/restaurants open later.	2/3/2016 1:00 PM
584	emphasize the rural character of Loudoun County. We have something authentic, valuable and unique here. Don't just turn it into yet another soul-less developer-driven mall experience.	2/3/2016 12:56 PM
585	I feel like Leesburg needs more family friendly restaurant options. And possibly a fun children's museum. The only ones I know of are in Baltimore and the one in Winchester (which isn't that great, in my opinion).	2/3/2016 12:55 PM
586	More modern options for young professionals. Less antique stores and stuffy restaurants.	2/3/2016 12:54 PM
587	Shopping/dining/artsy districts in the western towns.	2/3/2016 12:53 PM

590	Walkable shops, restaurants	2/3/2016 12:45 PM
591	Having them available.	2/3/2016 12:45 PM
592	No tolls	2/3/2016 12:41 PM
593	Better roads that do not require a mortgage to afford.....	2/3/2016 12:39 PM

Loudoun County Nighttime Economy

594	There needs to be more to do so that the existing places are less crowded. Places need to be clustered. They need to be affordable but classy.	2/3/2016 12:38 PM
595	Better transportation	2/3/2016 12:38 PM
596	Better transportation access to existing centers.	2/3/2016 11:16 AM
597	Someplace to dance- we have zero dance opportunities. Cheaper drinks- a dive bar in Ashburn serves \$8 drinks, I can get better whiskey in DC for \$5 and it's a bigger glass.	2/3/2016 11:12 AM
598	More events for people under 40, and more advertisement for what is already in the county for what would be attractive for people under 40.	2/3/2016 10:50 AM
599	more centralized entertainment. not having to drive all over the county to go to different venues.	2/3/2016 9:47 AM
600	Walkability... Diversity...	2/3/2016 9:40 AM
601	Live music venues with nearby food and drink ... walkable	2/2/2016 11:30 PM
602	More sports venues, places for live music.	2/2/2016 9:19 PM
603	Transportation and especially the greenway having zero or greatly reduced fares. Especially after 8pm or on weekends.	2/2/2016 9:17 PM
604	Diversity in ethnic restaurants	2/2/2016 9:16 PM
605	More under 21 things for teens to do	2/2/2016 9:03 PM
606	More quality live music venues	2/2/2016 7:54 PM
607	I would personally love to see more book store, not chains but independently owned.	2/2/2016 7:23 PM
608	Less chain restaurants	2/2/2016 7:20 PM
609	I think its pretty popular already... not sure I want anymore.	2/2/2016 7:17 PM
610	Venues for classical music and theater	2/2/2016 7:03 PM
611	More local businesses and less chains! Local coffee shops, clothing stores and local restaurants.	2/2/2016 6:20 PM
612	Smaller crowds	2/2/2016 6:17 PM
613	More walkable live/work/play areas would create better experiences. Reston town center and hopefully Loudoun One attempt to do this. I want to minimize my car time.	2/2/2016 5:58 PM
614	More low-cost options (e.g., parks) that everyone can access, regardless of economic status. Concert venue....	2/2/2016 5:50 PM
615	More cultural venues like Wolf Trap. Or a good place to see concerts like Merriweather Post Pavillion.	2/2/2016 5:40 PM
616	I think there are plenty of great shopping and dining experiences available in LoCo. Maybe it would be nice to have a concert venue and/or a performing arts center in the county.	2/2/2016 5:33 PM
617	Non-chain restaurants, unique artsy stores, keep cars away from where people will be dining and entertaining. Parking garages, no parking lots. Instead more trees for shading to enjoy outdoor patios. Walkable, pedestrian friendly small roads. Bike-able, shaded roads connecting residential areas to urban centers. Public transportation, similar to Leesburg Trolley, for late night bar hopping, which will also take drunk drivers off the streets. Performing arts center in Eastern Loudoun can be a great draw.	2/2/2016 5:07 PM
618	Consider combining two unlike things, for example if I visit art display have something for my spouse who has no interest in the arts. Nova people are all about having Healthy restaurant choices. Larger venue Plays that are well advertised. Larger place to display artistic features that rotate in and out using stock/displays from smaller galleries.	2/2/2016 10:45 AM
619	More unique restaurants with happy hours and outdoor seating	2/2/2016 10:40 AM
620	An improved way to know where these places are. Unless you look for things in Loudoun on google, you have no central place to check. Maybe a newsletter that highlights what is available and where.	2/2/2016 10:15 AM
621	Continuing to focus on the agricultural part of loudoun county to draw people out as a differentiator from the other counties in the area	2/1/2016 10:09 PM
622	Music and food	2/1/2016 8:48 PM
623	reasonably priced entertainment; more areas for parking and foot traffic	2/1/2016 5:23 PM
624	An outdoor Theater like Wolftrap	2/1/2016 1:16 PM
625	More destinations like topgolf - family friendly and adult friendly and fun!	1/30/2016 1:30 PM

Loudoun County Nighttime Economy

626	A better variety of entertainment and dining	1/29/2016 4:03 PM
627	better restaurants, better shops with later hours in downtown, get rid of the tourist shops, numerous antique shops and terrible restaurants that are always empty and occupy key locations on the main drag, close off main drag to vehicles on Friday and Saturday nights from 5 until 11 and open the streets to pedestrian traffic only, more live music (every Friday and Saturday should be more like the first Friday events), convert some buildings to condos or loft apartments in the downtown area	1/29/2016 3:51 PM
628	More singles friendly feel as right now it is predominantly families. Theme and market open-to-anyone happy hours and networking off things like Carnival and other fun events.	1/29/2016 8:01 AM
629	Elimination of traffic gridlock during rush hour(s) and better public transportation.	1/29/2016 7:20 AM
630	Easy to use public transportation that would allow folks to move around the Loudoun county venues and drink without DUI fears. Think DC tour mobile buses moving from spot to spot, with a hub that links to the metro, to bring outsiders in to Loudoun county. The Loudoun Party buses would start running at 4pm with the last buses running until the closing hours of the night.	1/28/2016 6:24 PM
631	More options, improved transportation	1/27/2016 9:03 PM
632	Put me on the Committee and I will tell you. I am a former LC Commissioner, advocate, meeting planner etc and I have a plan that I presented four years ago that should have been implemented and ready for the Silver Line	1/27/2016 8:22 PM
633	Integrated shopping and dining ala the mosaic district or Clarendon	1/27/2016 6:53 PM
634	places to go dancing	1/27/2016 4:19 PM
635	concerts, better happy hours	1/27/2016 2:41 PM
636	Lower tolls on Greenway	1/26/2016 8:14 PM
637	Outdoor skating rink in an area with restaurants, shops-please?! Could convert to other use in summer (concerts/park)	1/26/2016 4:56 PM
638	Minor League baseball	1/25/2016 7:37 PM
639	Combining variety of DC restaurants, shops entertainment nightlife with a Reston town center design (vertical).	1/25/2016 12:16 PM
640	I don't think it need more shopping and dining. It needs more venues for the non-consumptive activities.	1/25/2016 11:47 AM
641	A vibrant mixed use community that is walkable to nearby communities	1/25/2016 11:08 AM
642	Live theater	1/25/2016 8:50 AM
643	We need more places like Top Golf and The Zone and more mixed-use complexes like Loudoun Station, One Loudoun, and Village of Leesburg (or Village at Leesburg, I forget). We have a great selection of wineries and local breweries to visit. The only time my co-workers (in Arlington) ever head out my way to Loudoun (aka, The Country) is to visit a winery. I've literally had them say "I mean, what else do you guys have out that way?" and "OMG, I drove through downtown Leesburg and it's literally antique store after antique store. What's up with that?" The Wegman's shopping center is awesome because of the convenience of having the grocery store, a variety of restaurants, and the theater right there and I'm thinking of moving there when my lease is up. The one thing Loudoun hasn't figured out yet is how to get a good balance of businesses in each of the aforementioned mixed-used complexes. At the Wegman's shopping center, for example, you've got the grocery store, restaurants, and theater, but the shopping options are seriously lacking if you are not a woman. One Loudoun is full of amazing places to eat and there's the Alamo to make a nice dinner and date combo, but again, you have no real stores to shop in afterwards. We need a shopping complex that has a nice balance of shops (NOT ANTIQUES OR CHEESY VA SOUVENIRS), restaurants, and entertainment venues. Last weekend some friends from DC came "out to the country" to hit up a winery. On the way back we met up at Loudoun Station. We went to dinner, saw Star Wars, and then afterwards went to The Zone to play some games and have a few drinks. They said they had no idea we had anything "fun" to do out this way other than drink wine.	1/23/2016 11:21 PM
644	Better and more trendy, upscale restaurants, not just chain restaurants. More wine bars, better public transportations.	1/23/2016 5:40 PM
645	A place with a big WOW - Too much of the same. Top Golf is a new WOW but need more to draw in all age groups.	1/23/2016 2:31 PM
646	A ball park or stadium such as the one that was slated to go into One Loudoun	1/22/2016 3:51 PM
647	Having a more robust and vibrant nighttime economy. Have more entertainment venues in off months, i.e. winter and early spring. Have venues that are open later in multi-use communities. Have reasonable noise ordinances in LoCo and incorporated towns. Really begin to develop the nighttime economy in Oldtown Leesburg with retail, restaurants, and bars open later.	1/22/2016 3:32 PM
648	More activities and experiences. I can only eat so much and go to so many restaurants.	1/22/2016 3:27 PM
649	The shift is already happening with greater variety of restaurants, shopping and venues.	1/21/2016 3:07 PM

Loudoun County Nighttime Economy

650	Live music venues. Less chain restaurants; more unique dining/bar establishments.	1/21/2016 12:41 PM
651	I have but one suggestion: Live Music venues...they don't have to be huge but what's important is that they do have to open to all age groups, specifically, a typical family of four---parents and two school age kids (more or less our largest demographic in the area). Presently, we do have a lot of very talented youngsters in the area both youth rock bands and solo artists. I've worked with a lot of them and their parents as well and the lack of a venue is probably one of their biggest concerns. Jammin' Java in Fairfax is not a bad place, all things considered, but to have the kids, their friends and families have to go out there just to play can take a lot of effort---especially in bad weather or your typical workday commute down Rt 7.	1/21/2016 12:24 PM
652	Zoning that would allow 'by right' makerspaces which are venues for innovation, learning, making things with shared tools and ideas. Our makerspace, Makersmiths in Leesburg is growing by leaps and bounds with both young, young with families, middle-aged and recently retired folks seeking collaborative environment as a venue for 'off the clock' activity. Tony attended our ribbon cutting this past summer, and maybe some	1/21/2016 10:22 AM
653	Family/Children activities	1/21/2016 10:07 AM
654	More promotion for live acoustic music performances. Offer grants to support musicians and groups..	1/20/2016 8:05 PM
655	Improve downtown historic Leesburg. Children's museum or other downtown attractions	1/20/2016 3:42 PM
656	Create pedestrian friendly downtown areas with family and adult venues that stay open past 7 p.m. See improvements to Frederick, MD and Winchester, VA.	1/20/2016 3:27 PM
657	Loudoun is a family suburbia haven, night time is either full of children who are being dragged by their parents and they should be home in bed, or groups of moms who are having girls night out, you rarely see couples or singles out in Loudoun. With that said, I don't know that you can attract people from other counties, Clydes at Ashburn may, or old town Leesburg, or Landsdown, but that is about it. To keep Loudoun in Loudoun, provide free transportation from neighborhoods to popular restaurant, or community center babysitting if you want couples to get out more. Also, in St. Augustine Florida, all residents of the county get an automatic 10% discount on restaurants, if businesses did that, people would stay in Loudoun.	1/20/2016 10:22 AM
658	more concert revenues, sports stadium along Metro line (not Rt. 7), inter-county transit options	1/19/2016 8:10 PM
659	Better restaurants, upscale shopping	1/19/2016 7:57 PM
660	Cultural	1/19/2016 6:20 PM
661	More park and walk destinations with a mixture of the above experiences similar to One Loudoun and the "Wegman's" center in Leesburg.	1/19/2016 4:00 PM
662	community or town-like centers, walkable, sit and enjoy the atmosphere. not just park, get in, get out, drive to next location. easy access with multiple routes. vegan food.	1/19/2016 10:05 AM
663	Trader Joe's	1/19/2016 9:45 AM
664	cultural and dining	1/19/2016 9:37 AM
665	More diverse options for entertainment. Nice, affordable housing options in centrally located areas or areas with walkable communities.	1/19/2016 8:59 AM
666	From being a person who loves doing things outside of my house I feel there are a list of things that would help bring more business to Loudoun County. My wife and I have thought about trying to open up a business in Loudoun County since we live in Ashburn but at the time we do not have the funds for it. Here is a list of things that I feel would better help make Loudoun County thrive. 1. Billiards Pool Hall - Closest one is in Sterling 2. Hookah Lounge - Closest one is in Sterling. My wife being Indian I have taken up using Hookah and since there isn't one near by most people come to my house and I make it in several different ways. I also think this would be good in the billiards pool hall area have them in one building with a dance floor. Mist is in Sterling and it is just a Hookah Lounge and Dance area and is packed every weekend because there isn't one in Loudoun County. 3. Indoor / Outdoor Go Kart track 4. Open a Dave and Busters - The closest one is in Springfield, VA. My friends and I travel there for our birthdays and meeting up. You could have it added to either One Loudoun or Leesburg Outlets. Since it seems that the stadium isn't being built in one Loudoun now that is the spot I would put it.	1/19/2016 8:26 AM
667	Simply more to do - parks, events, unique restaurants	1/18/2016 8:57 PM
668	Diversity in cultural offerings	1/18/2016 3:27 PM
669	there isn't a large cultural / civic center/ convention center. it needs to be at Moorefield station so its accessible by rail and is tied to future large multi-use development. that would be the largest entertainment draw. the shopping and dining all depends on what you are searching for and you cant control the market. you can start with the anchor of a large entertainment draw.	1/18/2016 9:03 AM
670	Skating rink, more restaurants, diversity, ease of transportation	1/17/2016 9:09 PM

Loudoun County Nighttime Economy

673	If more selection of each were offered.	1/17/2016 6:11 PM
674	Not sure	1/17/2016 2:46 PM
675	Non-chain in restaurant dining options close to home.	1/17/2016 1:48 PM
676	Better restaurants. Larger community gym facilities	1/17/2016 10:43 AM
677	Open concept shopping town centers with attractive, diverse (not redundant) retail and restaurants. Better roads and infrastructure to get there. Local play areas and playgrounds. Vibrant farmers markets.	1/17/2016 7:02 AM
678	Better and high scale shopping, like wegman, whole foods	1/17/2016 12:11 AM
679	Gourmet, high-end restaurants! More town centers mixed with retail, entertainment and restaurant spots	1/16/2016 10:48 PM
680	Golf course	1/16/2016 10:04 PM
681	If more business were to come, perhaps retailers and restauranteurs would be more willing to open their businesses here. Instead it's the worst county I've ever lived in.	1/16/2016 8:36 PM
682	More high end restraurants close to new communities in Aldie/Ashburn area	1/16/2016 7:16 PM
683	Jazz	1/16/2016 4:48 PM
684	Better roads to get to those experiences. Traffic is horrible in this country and you can't get anywhere. It's easier to go outside of the county.	1/16/2016 3:33 PM
685	More venues for local, cultural performances. Sponsorships for local school or non profit groups	1/16/2016 2:47 PM
686	Shopping areas/restaurants in walking distance to neighborhoods.	1/16/2016 2:21 PM
687	Having more space for concerts to happen	1/16/2016 1:18 PM
688	For entertainment, better clubs/bars/restaurants with the space and atmosphere for live music. By better, I mean, a clean and safe business. Some restaurants/bars/clubs that Loudoun does have currently, I do not feel safe going to or don't go do to the dudgeon like or dirty atmosphere. As far as shopping and dining, I think Loudoun has a good variety of stores and restaurants.	1/16/2016 12:46 PM
689	Activities for men, baseball, auto shows, auto racing, sonic burgers. I know people who go to Winchester for sonic	1/16/2016 11:33 AM
690	more activities to encourage a multicultural diversity.	1/16/2016 1:40 AM
691	Add entertainment facility with lots of entertainment options in one place like what is being done around One Loudoun. Need miniature golf, a concert venue, comedy venue, sports stadium, and restaurants all in the vicinity of each other so that a sense of place is created. Need a couple of these types of places in the County. The County government should focus efforts on attracting upscale retail and restaurants to planned developments. We need modern and upscale stores like Pottery Barn, Crate and Barrel, Banana Republic. Look to Reston Town Center as an example. Those stores and entertainment options at Reston Town Center attract the young adults, professionals, and families. Loudoun needs to fill this big hole in upscale retail. I do not shop in Leesburg because it doesn't have the diversity of shops all in one central location and outlets are unappealing because it is second hand goods. Whereas, the Dulles Town Center area does have this. One Loudoun is very attractive. One Loudoun is filling a big void in the retail, entertainment, and cultural scene of Loudoun. I hope the areas around the future metro rail become vibrant too. Antique stores in downtown Leesburg make downtown Leesburg a very unattractive place. It creates a sense of place that is not socially inviting.	1/15/2016 6:07 PM
692	Less traffic congestion!	1/15/2016 4:39 PM
693	More variety	1/15/2016 2:43 PM
694	more live music event venues	1/15/2016 12:03 PM
695	Larger venues, stadiums etc.	1/15/2016 10:36 AM
696	Venues that have live music that are large where local bands can perform with plenty of room and there is not an outrageous cover charge.	1/15/2016 9:56 AM
697	Shopping boutiques, nighttime bars or live venue for music concerts	1/15/2016 8:30 AM

Loudoun County Nighttime Economy

698	Restaurants in Leesburg (specifically downtown) need to serve dinner past 8 pm. When you work in DC, you don't want to rush out once arriving home to eat dinner when in seems EVERY restaurant in downtown stops serving dinner at 8 pm. They may stay open until 11 pm, but that is only for drinking. We ALWAYS go to Sterling-Dulles area because those restaurants do serve dinner past 8 pm. Also, it is a bit expensive to constantly eat downtown. Even Market Station is more expensive than restaurants in Sterling-Dulles area. Don't much care about family-style places because they are too loud.	1/15/2016 8:14 AM
699	Like what they are doing at Loudoun One, Clarendon Arlington	1/15/2016 8:01 AM
700	More music venues, opera, theatre, outdoor recreation.	1/15/2016 7:51 AM
701	Less traffic	1/15/2016 1:25 AM
702	More late night events, venues,	1/14/2016 10:37 PM
703	Higher density spaces with districts of these types of places with residences above the space. Build up not out.	1/14/2016 10:28 PM
704	Metro would help. Lifting 10pm noise violations in downtown leesburg so the restaurants can entertain.	1/14/2016 8:28 PM
705	More affordable communities surrounded by shopping and dining that residents can walk to	1/14/2016 7:09 PM
706	The metro	1/14/2016 6:58 PM
707	Bands, music at local pubs, restaurants. Outside music entertainment.	1/14/2016 6:38 PM
708	More activity on Saturday and Sunday that is co-locate with major communities- Lansdowne, Brambleton, Broadlands, One Loudoun. More free or low cost events. Dining options on Sunday that are open a bit later.	1/14/2016 6:16 PM
709	Downtown Leesburg - better venues other than tourist restaurants and a few high end restaurants. Outdoor common areas, outdoor eating areas, Art & Music!!!	1/14/2016 5:29 PM
710	Lifting the sound ordinances. Outdoor music and dining is key to keeping and attracting a younger demographic.	1/14/2016 5:23 PM
711	Music venue!!	1/14/2016 4:35 PM
712	more live music, something like what Belmont Live used to be.	1/14/2016 4:13 PM
713	More touchstone or special attractions that can't be found in other areas. For example, a food hall on say, Route 50 near South Riding or Aldie would be great. Food halls are a growing trend in big cities (see Union Market in DC) and it would be great to have one in Loudoun that features local food providers, maybe a chain or two, wine tasting bars, etc. Food, wine and beer are huge and Loudoun should seek to capitalize on it more given Loudoun's location of farms, wine country and suburban (and son to be urban with Metro) lifestyles.	1/14/2016 2:45 PM
714	increased live music venues, earlier music in restaurants so kids could enjoy - happy hours	1/14/2016 1:44 PM
715	We really need 1 or more Theaters/performing arts venues. High school auditoriums aren't really sufficient anymore. More destination retail- Ikea, Mall of America type retail, amusement park, Dave and Busters.	1/14/2016 11:20 AM
716	Cheaper apartment rent, later shopping and dining hours. There needs to be more musical and art venues in the area.	1/14/2016 10:36 AM
717	Better roads and parking. Less government regulation which increases the cost of doing business. Watch out for new regulations, especially on wineries and breweries in western Loudoun.	1/14/2016 10:05 AM
718	Walkable experiences that you don't have to drive to. So, that would mean developing around transit and the towns rather than building new areas like the village at Leesburg.	1/14/2016 9:28 AM
719	More drama/Theatre venues. More kid friendly venues(ie. not winery/brewery)	1/14/2016 9:16 AM
720	?	1/14/2016 6:57 AM
721	later after hours venues, more lounges	1/14/2016 6:36 AM
722	Transportation,	1/14/2016 6:10 AM
723	Kid and family friendly activities.	1/14/2016 5:33 AM
724	Relax the noise laws in leesburg especially down town, i.e. McDowell's brew kitchen and chimole.	1/13/2016 11:43 PM
725	More walkable locations like Reston town center and ballston. We need 15-20 story office/condo units.	1/13/2016 11:36 PM
726	Unique restaurants or bars (no chain or franchise) with flexible offering that works for families. Mixed pricing, most places here are quite pricey for a casual evening out	1/13/2016 11:17 PM
727	Places staying open later.	1/13/2016 10:41 PM

Loudoun County Nighttime Economy

728	South riding needs a place for adults to dance-- like a country dance bar/hall and really anything else that encourages community, like a performing arts theater, an indoor tennis facility and more mom and pop restaurants and high end chains. It is too far for South Riding residents to go to Leesburg or DC and we need more culture,art, and restaurants with outdoor seating. We need community based architecture! It's not too much to ask!	1/13/2016 10:39 PM
729	Walkable areas with more density of everything, like Reston.	1/13/2016 10:37 PM
730	More options in close proximity	1/13/2016 9:55 PM
731	More venues with excess parking options, transportation options and affordability	1/13/2016 9:51 PM
732	More kid things. People travel to dc and baltimore for arenas. I.E. disney on ice, monster trucks, more circuses. And other special events. Piano bar. Lego store American girl doll stores.	1/13/2016 9:46 PM
733	.	1/13/2016 9:45 PM
734	Live music, more places like one loudoun.	1/13/2016 9:44 PM
735	Better restaurants. Nice areas like One Loudoun, Reston town center and Fairfax corner	1/13/2016 9:39 PM
736	A Reston town center type environment	1/13/2016 9:30 PM
737	Better Mini Golf places	1/13/2016 9:25 PM
738	Just more options	1/13/2016 9:25 PM
739	Shopping	1/13/2016 9:24 PM
740	Sporting events	1/13/2016 9:07 PM
741	Pro sports team, better live music venues	1/13/2016 9:03 PM
742	more options	1/13/2016 9:03 PM
743	Loudoun is a nice place to live, however as someone who did not grow up here going out in DC, Arlington and Reston are just more preferred. I hang out in Loudoun and have awesome times at my friend's homes in Loudoun (and that's what I like about Loudoun). It is the place to settle down.	1/13/2016 8:56 PM
744	More culture, shopping and dining!	1/13/2016 8:50 PM
745	More variety of places and things to do in convenient areas.	1/13/2016 8:39 PM
746	Make the data center noise off shell horn stop. It can even be heard at loudoun station and is a nuisance as it can be heard as decibels of 75+. This is unacceptable to the nuisance it causes to neighboring businesses, apartments, and homes	1/13/2016 8:27 PM
747	Keep the historic district historic. The noise ordinance in downtown keeps live music from happening. That needs to be reviewed again.	1/13/2016 8:22 PM
748	If Keith Wallace would run around town in a purple speedo screaming homnib nib	1/13/2016 8:19 PM
749	Less expensive and marketed better. Many residents are unaware of many venues and many are too expensive to visit regularly.	1/13/2016 8:16 PM
750	More ethnic non-chain restaurants. More museums and cultural sites. Sports venue site/s. Places that allow for outdoor sitting with art displayed.Unique buildings.	1/13/2016 8:06 PM
751	Better outdoor venues	1/13/2016 8:05 PM
752	More options	1/13/2016 7:54 PM
753	Dining	1/13/2016 7:46 PM
754	More bars and clubs.	1/13/2016 7:45 PM
755	If we had the venues! Taxes are through the roof	1/13/2016 7:44 PM
756	Redskins stadium, minor league baseball, soccer semi pro, festivals	1/13/2016 7:39 PM
757	Family friendly - make families want to come out during the week and not just in weekends. Businesses promoting nightlife or dining with music is perceived as a "late night" affair. We need to change the mindset and make things affordable for families living above their means with little left over for entertainment. So how about an entertainment tax discount? Haha! If it were that simple...	1/13/2016 7:38 PM
758	Make it more affordable for "mom and pop" type places so it is less "cookie cutter" . go for more unique places	1/13/2016 7:36 PM
759	You tell me	1/13/2016 7:30 PM

Loudoun County Nighttime Economy

760	More culture built by more community events: outdoor music, wine festivals, bars	1/13/2016 7:21 PM
761	music ampitheater, bookstore, coffee house with music/poetry reading	1/13/2016 7:19 PM
762	Smaller, family run restaurants, pubs, ect. Dining with some ambience. More local coffee shops. Walkable locations.	1/13/2016 7:16 PM
763	More good food and less chain type restaurants. Closer more convenient entertainment options, like dancing and comedy, not just bars	1/13/2016 7:05 PM
764	Performance art Theater	1/13/2016 7:02 PM
765	Clubs	1/13/2016 7:01 PM
766	i believe loudoun county has all of the right venues and plans, it's just that everything is spread out too far from one another. For example, if a younger crowd wanted to go out and have dinner together and then go have drinks at multiple different locations and then go listen to music and dance, you can't in loudoun. Of course there is smoke house live, and one loudoun, but a younger crowd wants to be with other younger people in a bar (not with their parents) and be able to walk from place to place. I believe one loudoun is going to eventually be the only place that offers this environment. Bar hoping in Arlington, DC, or Alexandria is so much more convenient because you don't have to get in a car to go from one place to another and it caters to many different genres, so if someone isn't really "feeling" a venue than you just walk to the next place.	1/13/2016 6:57 PM
767	A great doughnut shop, venue for musical entertainers	1/13/2016 6:49 PM
768	Lower business taxes and add more brew pubs.	1/13/2016 6:48 PM
769	More options closer to my house	1/13/2016 6:48 PM
770	Night clubs, dancing clubs, professional sports events.	1/13/2016 6:43 PM
771	Need a ball team and live theatre venue like Wolfrap and Trader Joe's. Way too many Harris Teeters	1/13/2016 6:42 PM
772	Better night bars	1/13/2016 6:37 PM
773	More Restaurants open at night.	1/13/2016 6:27 PM
774	A concert venue for national touring acts. More shopping similar to Reston. Better happy hour specials - can't spend \$100 every time!	1/13/2016 6:26 PM
775	A younger workforce.	1/13/2016 6:25 PM
776	More authentic non chain non national restaurants and nightlife options. Instead of national chains options that are local / authentic.	1/13/2016 6:25 PM
777	Non-chain restaurants.	1/13/2016 6:24 PM
778	More farm to table restaurant concepts with participation from local farms and wineries, more family friendly options of places to see live music, more boutique shops.	1/13/2016 5:42 PM
779	Better transportation options. A centralized ap that told you what was going on each day.	1/13/2016 2:58 PM
780	A mix of more upscale shopping and restaurants (like Reston Town Center), class A office (drives jobs that will attract people who would use these attractions). But NOT a sports stadium PLEASE! Too much traffic	1/13/2016 2:44 PM
781	Festivals such as http://tomtomfest.com/charlottesville/	1/13/2016 12:09 PM
782	roller skating rinks (outdoor/indoor), go carts (outdoor/indoor), dance clubs, concert venues for popular bands, concert halls, just to name a few	1/12/2016 5:46 PM
783	Late night venues	1/12/2016 12:17 PM
784	Dave/Busters type of facility. Busboys and Poets type of facility. Dancing and live music options.	1/12/2016 10:46 AM
785	It would be great if there was a large scale performance venue, like Wolf Trap or Merriweather Post, so we could attract top live acts to Loudoun County. Also, we don't have any clubs or places that could be turned into clubs after 10pm. We need late night options for the 30-55 age group. Thank you!	1/12/2016 10:24 AM
786	Better restaurants. We are really lacking good ones. I don't eat chain.	1/12/2016 5:47 AM
787	Major university	1/12/2016 3:23 AM
788	More reasonable prices	1/11/2016 10:39 PM
789	A few destinations that incorporate all of these experiences. Too spread out. People will always go to their local town centers but a planned out area would be well received.	1/11/2016 9:35 PM
790	More activities to do with teenagers. Not a lot besides movies and sports for them.	1/11/2016 8:25 PM

Loudoun County Nighttime Economy

791	Loudoun needs a live performance venue such as supper club. I attend Blues Alley, The Birchmere and Bethesda Blues and Jazz often. An amphitheater would be great as well. Many places close very early in Loudoun and it doesn't cater to millennials	1/11/2016 7:47 PM
792	Diversity in evening activities beyond dining and movies. More activities in the same area - ie: dining, drinks, music/performance venues, shopping all in walking distance of each other.	1/11/2016 7:29 PM
793	Bring in symphony orchestras	1/11/2016 6:24 PM
794	More bars/restaurants	1/11/2016 5:34 PM
795	Better music venues that draw better artists-what about attracting someone who wants to build an outdoor pavilion like Charlottesville's downtown mall? What about creating a downtown walking mall like Winchester or Charlottesville where the nightlife/entertainment can be concentrated? Another idea: Not giving popular bars a terrible time because of their noise levels and the town putting ridiculous restrictions on sound. Another huge thing: there are 40 vineyards, plus rural and town breweries and distilleries and very little readily available cabs or ubers. That is nuts. Loudoun County should try to attract way more public transit like ubers and cabs, not just metro for people's commute or to get to DC. I also think that the County should reach out to more holistic wellness, vegan, vegetarian type businesses. It seems like all we have here is alcohol.	1/11/2016 4:48 PM
796	Transportation is always an issue. Getting from one place to another since destinations are so spread out within the county. I've heard there have been issues with music venues and outdoor areas, and rooftops/outdoor music are always popular.	1/11/2016 3:36 PM
797	More major sports teams; more live concert venues; walkable venues	1/11/2016 3:36 PM
798	Keeping it small and quaint. People come here for more open space and awesome views. People also appreciate supporting small, local shops and restaurants. Western Loudon is attractive to visitors and residents because of the unique small town feel.	1/11/2016 3:19 PM
799	Thriving arts districts, including venues for performing arts in Leesburg and Purcellville.	1/11/2016 3:04 PM
800	More areas that are walkable/have a "downtown" feel rather than a sprawled out shopping center, art and music venues, nighttime public transportation schedules	1/11/2016 3:01 PM
801	More outdoor events in the summer that are not catered to only children	1/11/2016 2:32 PM
802	More boutique shopping and a mixture of casual/fine dining in historic towns like Leesburg, Purcellville, Middleburg. Boutique hotels and B&B like Lauberge Provencale would be a romantic getaway option in the county.	1/11/2016 2:12 PM
803	Go carts	1/11/2016 1:48 PM
804	Nightlife	1/11/2016 1:08 PM
805	I think it's great already - the King street renovations are great in Leesburg.	1/11/2016 12:55 PM
806	Not enough cultural experiences such as galleries, museums, theatre. I think we are doing good in dining but the majority of the restaurants in downtown Leesburg aren't good	1/11/2016 10:33 AM
807	Loudoun County does not offer a variety of entertainment places for residents to shop or dine. There are also no entertainment places at all in Loudoun County that's why people find themselves traveling out of the area. Since I live in the Dulles South Area, there are no places to dine. We need more restaurants in that area.	1/11/2016 10:29 AM
808	Nothing really. People just need to know about Loudoun and we HAVE entertainment. (We created the website www.loudounentertainment.com) to help keep people in Loudoun Co. You do not have to go to other counties to get everything. But people have to know this.	1/11/2016 9:31 AM
809	More entertainment venues especially at night. Ee travel to DC and Maryland alot for live music shows, supper clubs, lounges with live music.	1/11/2016 8:47 AM
810	While there are many new dining places, there are very few shopping options where they are located, for example in One Loudoun. Also, the Dulles Town Center mall has a very weak selection of stores compared to other malls in the region.	1/10/2016 3:39 PM
811	Increase live performance venues. More dance groups and variety of musical performers, especially R&B.	1/10/2016 8:45 AM
812	I've noticed that other communities are very good with organizing events: New Year's Eve in Alexandria, the weekly summer concert series held in the center of Reston Town Center, etc... Loudoun could continue to build on its strong sense of community by emulating these sorts of efforts and advertising them broadly throughout the county and beyond.	1/9/2016 3:48 PM
813	More roads, public transportation, incentives in eastern Loudoun	1/8/2016 11:05 PM
814	Keeping most entertainment in eastern Loudoun. Leave the West rural.	1/8/2016 12:47 PM

Loudoun County Nighttime Economy

815	The route 50 corridor could use more big box stores. Currently, my family routinely drives to Chantilly to shop at Costco, Target, etc. The Dulles Landing Shopping Center was a great addition, but more retail would benefit the community.	1/8/2016 9:01 AM
816	More professional live entertainment, better shopping	1/8/2016 8:37 AM
817	less traffic	1/8/2016 8:24 AM
818	I think we're doing pretty well.	1/7/2016 8:05 PM
819	Dance clubs and fun restaurants with fun themes like Medieval Times. Sci fi conventions and LARPing eventd could also attract a more educated crowd	1/7/2016 6:33 PM
820	Maintain/create old town/historic feel, charm of our towns. Create walkable towns. Hillsboro comes to mind....you cannot walk in the "town" without fear of getting hit on Rt. 9.	1/7/2016 5:51 PM
821	A good dinner theatre	1/7/2016 5:49 PM
822	We are in desperate need of a multipurpose performing arts space. i.e. blackbox theatre A space that can be used by musicians, comedians, and actors alike	1/7/2016 5:05 PM
823	More nightlife	1/7/2016 5:02 PM
824	Probably the number one thing would be a range of housing options in walkable areas, particularly the towns. As a young person it would be great to be able to actually live downtown in Leesburg as it is possible to live in downtown Arlington or DC or Alexandria. Probably would be a good idea to stop building McMansions and focus on getting developers to build reasonable homes and not make driving a requirement to get everywhere. It also seems silly to have a noise ordinance (particularly in the towns) that only allows live music at bars on one night per month. Supporting the farmers markets I think also feeds into building kind of a culture around the County - we could institutionalize these by building a pavilion in Leesburg and Sterling, much like they have in Harrisonburg.	1/7/2016 4:30 PM
825	A venue for live concert, DC style dance club, a place like DAve & Busters, bowling alley.	1/7/2016 4:29 PM
826	Housing in downtown Leesburg - apartments and reasonable places not McMansions. Loosening noise restrictions on weekends for music, particularly in the towns. Mix use, walkable areas. More public transit opportunities. Invest in the towns instead of building brand new developments.	1/7/2016 4:20 PM
827	Higher quality, more robust and diverse restaurants, healthier dining options (less chain restaurants) with organic options, more cultural events including festivals and fairs, better retail stores, stores and restaurants with extended hours, more higher-end retail stores	1/7/2016 3:29 PM
828	more farm to table restaurants, museums/galleries, and bars or pubs serving craft alcohol and are open later than the usual 9/10pm timeframe that restaurants close.	1/7/2016 3:17 PM
829	An Opera or Play house	1/7/2016 3:08 PM
830	Large nightclub, that doesn't discriminate based on sexual orientation	1/7/2016 3:04 PM
831	More town centers like reston offering dining, bars and shopping. More outdoor activities.	1/7/2016 2:59 PM
832	More/better live music venues	1/7/2016 2:58 PM
833	Honestly, it's so hard to know what's happening in LC due to the lack of Twitter use by businesses and the county government. Also, it seems like LC only cares about breweries, bars and wineries. Some people aren't into that kind of an environment - particularly when you have to drive home because there isn't a metro option. Also, everything in LC seems to close so early. Do you know how hard it is to order a pizza after midnight?	1/7/2016 2:56 PM
834	Live, work, play options and better transportation	1/7/2016 2:55 PM

Q18 What would make Loudoun County a more popular place for entertainment, cultural, shopping and dining experiences?

Answered: 89 Skipped: 1,056

#	Responses	Date
1	Alexandria has water front, Reston, DC has the restaurants, club that has established already, Loudoun needs to bring a unique experience. Creating an urban environment that has less noise, clutter and traffic will be really appealing. Georgetown is chaotic, Arlington is better, Reston is too small and not as unique. Green space in DC is a great attraction but it lacks the appeal of the Central Park in NY. Also, bike-share can be really fun to have to move around. Community gardens? Sanctuaries? Outdoor obstacle courses?	3/17/2016 5:23 PM
2	unsure - we live in the City of Frederick, very close to downtown. We love it, and rarely need to expand, but have liked Leesburg and other nearby things as an excursion.	3/17/2016 10:20 AM
3	Mass transit extended to Loudoun	3/16/2016 11:03 AM
4	Just time and development.	3/16/2016 7:29 AM
5	better investment on things needed than just building houses everywhere on a open piece of land. It's already too crowded its time build facilities for the population that is living currently	3/15/2016 10:45 PM
6	Create charming theme to complement the wine culture in the west like here https://goo.gl/Cm4NfU or here https://goo.gl/Djaarp - Make it rustic but modern too. Lots of outdoor patio seating, walking. Keep the cars moving outside of the entertainment area, getting in and out of parking entrances in the back. Reston Town Center has created the walking area but it lacks the charm with chain stores.	3/15/2016 10:02 PM

Loudoun County Nighttime Economy

26	Better restaurants; Getting through Sterling on Route 7 on the weekend is often difficult; Week day traffic heading west in the evenings pretty much puts Loudoun off limits	3/7/2016 7:41 AM

Create outdoor environments for walking, hanging out, and easy to walk in and out of restaurants, stores for shopping. Include art on display. No cookie cutter experience that is already in Reston or Tysons. Create innovative technology event/conference to bring people to Loudoun. Loudoun County Nighttime Economy

59	Not sure - with the relatively sprawling area there is no clearly defined central spot. Maryland has Baltimore, Frederick, Columbia, etc. There is Reston, Alexandria and others for DC. The draw are close shopping, good food and or specialty shops. Frederick County MD has a draw for antique shops. Baltimore has the Harbor, Alexandria bars and waterfront. Loudoun is a large county where is the central spot. The "go to" place when you are in the county that has shopping, food, specialty stores or unique scenery? I work close to "One Loudoun" maybe this will be the center spot?	2/4/2016 1:41 PM
60	Affordable housing or metro access adjacent to bars, restaurants and entertainment venues to attract more younger people to live and play in the County. When you do go out here it feels like everyone is 40 and older. Young people want to be around other younger people. Most can't afford to live in the apartments currently being constructed near the new mixed-used developments. Instead of building "luxury" units consider building smaller units with multiple bedrooms which would attract younger people with roommates.	2/4/2016 1:30 PM
61	Better transportation options.	2/4/2016 1:12 PM
62	Provide housing opportunities for younger/single/childless people and in neighborhoods where once can walk to bars and restaurants.	2/4/2016 12:53 PM

64	Track, sports to play and watch	2/4/2016 10:05 AM
65	Later hours for retail places and restaurants. More public transportation to bars and restaurants.	2/3/2016 6:49 PM
66	I'm not sure.	2/3/2016 1:56 PM
67	.	2/3/2016 12:44 PM
68	A great cultural center, an awesome museum. Someplace that offers a mix of programming for all ages and is open later on the weekends.	2/3/2016 11:37 AM
69	Having destinations that have a mix of entertainment options available. Also in the summer months having shopping areas intermixed that are open later in the evening. Sometimes after dinner, I wish that stores were still open.	2/1/2016 1:36 PM
70	Affordable housing and cost of living	1/28/2016 12:50 PM
71	Na	1/22/2016 3:34 PM
72	maybe coffee house/entertainment place like Jammin Java in Vienna, 2 or 3 of those would be nice. Poetry reading/IMPROV type places. A ballroom Like Glen Echo Spanish Ballroom. Comedy zones would be fun. YMCA with Dances in evenings would be nice, like ones in Richmond, VA have, Sock hop type for families, Swing/Lindy classes, Colonial Dancing, Folk Dancing, all family oriented would be nice, discounts for county employees would be very nice. Duck pin bowling would be excellent. Wally ball courts too.	1/22/2016 9:17 AM
73	More attractions for millennial generation	1/21/2016 12:37 PM
74	Create more areas like One Loudoun and Reston Town Center where young professionals can go to happy hour or live shows. I live in Arlington and work in Loudoun County. I'd be less likely to commute and more likely to live in Loudoun if there were more inexpensive housing options. Loudoun should create attractions that will be unique to this area and not try to recreate Arlington and DC areas.	1/19/2016 1:03 PM
75	No	1/15/2016 4:46 PM

81	Something other than restaurants and wineries	1/13/2016 5:33 PM
82	Dining	1/12/2016 2:52 PM
83	Events	1/12/2016 12:23 PM
