3.0 BACKGROUND INFORMATION

Loudoun County, Virginia

Loudoun County is located 25 miles west of Washington, DC, in the Washington Metropolitan Area and provides a mix of suburban and rural living to its residents. Since the construction of the Dulles International Airport, new business and residential development have dominated the County's historically agricultural economy. Loudoun County's population nearly doubled in the 1990s; since 2000, Loudoun County has been the fifth fastest growing county in the United States. Loudoun County is known for its beautiful scenery, rich history, comfortable neighborhoods, and high quality public services. Its economy continues to grow and is responsible for a considerable share of Northern Virginia's job growth during the past few years. Several major companies in the telecommunications, information, and airline industries are located in Loudoun County. It is also known for its outstanding public school system.
MHSADS Overview

The Department of Mental Health, Substance Abuse and Developmental Services (MHSADS) has served the community since July 1, 1973, as the public agency responsible for planning, organizing and providing recovery-oriented services to individuals experiencing serious mental illness and substance use disorders, persons with intellectual disabilities and children with early developmental delays.

The Department of MHSADS is one of 40 public organizations in Virginia working with the Department of Behavioral Health and Developmental Services (DBHDS). Programs are directly operated or provided by private organizations licensed by DBHDS. The Department of MHSADS receives funding from Loudoun County, the Commonwealth of Virginia and grants from the federal government. The Department of MHSADS is required by state code to charge for services and a sliding fee scale is utilized. The department also bills Medicaid, Medicare and other insurance companies.

The Department of MHSADS observes Loudoun County rules and regulations regarding financial management, personnel management and purchasing activities and directly operates contracts with many external parties for the provision of services. MHSADS functions as part of the Loudoun County Human Services system and partners with numerous Departments within Loudoun County Government, to include the Department of Family Services (DFS), Health Department, Sherriff’s Office, Juvenile Court Service Unit and Community Corrections.

The Department of MHSADS offers varying combinations of the following core services:
- Emergency services
- Mental Health and Substance Abuse Outpatient services
- Psychiatric and Medication Management services
- Support and Care Coordination services (Case Management)

Any business entity described herein that enters into a Contract with the County pursuant to the Virginia Public Procurement Act 2.2-4300 et seq. shall not
allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50 of the Code of Virginia, to be revoked or cancelled at any time during the term of the Contract. The County may void any Contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

6.27 Licensure

To the extent required by the Commonwealth of Virginia (see e.g. 54.1-1100 et seq. of the Code of Virginia) or the County, the Contractor shall be duly licensed to perform the services required to be delivered pursuant to this Contract.

6.28 Confidentiality

A. Contractor Confidentiality

The Contractor acknowledges and understands that its employees may have access to proprietary, business information, or other confidential information belonging to the County of Loudoun. Therefore, except as required by law, the Contractor agrees that its employees will not:

1. Access or attempt to access data that is unrelated to their job duties or authorizations as related to this Contract.

2. Access or attempt to access information beyond their stated authorization.

3. Disclose to any other person or allow any other person access to any information related to the County or any of its facilities or any other user of this Contract that is proprietary or confidential. Disclosure of information includes, but is not limited to, verbal discussions, FAX transmissions, electronic mail messages, voice mail communication, written documentation, “loaning” computer access codes and/or another transmission or sharing of data.

The Contractor understands that the County, or others may suffer irreparable harm by disclosure of proprietary or confidential information and that the County may seek legal remedies available to it should such disclosure occur. Further, the Contractor understands that violations of this provision may result in Contract termination.

The Contractor further understands that information and data obtained during the performance of this agreement shall be considered confidential, during and following the term of this Contract, and will not be divulged without the Purchasing Agent’s written consent and then only in strict accordance with prevailing laws. The Contractor shall hold all information provided by the County as proprietary and confidential, and shall make no unauthorized reproduction or distribution of such material.
B. County Confidentiality

The County understands that certain information provided by the Contractor during the performance of this Agreement may also contain confidential or proprietary information. Contractor acknowledges that this Contract and public records (as defined by §2.2-3701 of the Virginia Freedom of Information Act) provided pursuant to this Contract are subject to the Virginia Freedom of Information Act §§2.2-3700 et seq. and the Virginia Public Procurement Act §2.2-4342 of the Code of Virginia.

6.29 Counterparts

This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

6.30 No Smoking

Smoking in all County buildings is prohibited. The County may designate a smoking area outside County facilities. Contractor shall only use those designated smoking areas. Certain County facilities, both inside and outside, may be entirely smoke free. Contractor shall inquire of the Contract Administrator or designee if a facility is entirely smoke free. Failure to adhere to the County’s no smoking policies may lead to removal of Contractor employees and possible Contract termination.

6.31 Background Checks

Background checks of contractor employees and/or subcontractors may be conducted at the discretion of the County after the Contractor identifies those persons who will be working under the Agreement. When this occurs, the Contractor shall not send any workers to the job site whose information has not been provided for the County’s background check. The background checks will be paid for by the County. If it is determined in the County’s sole judgment, that an individual is not suitable due to the results of a background check, the County has right of refusal for that individual. If the Contractor needs to have materials delivered to the job site, deliveries from outside vendors must be approved in advance by the County Contract Administrator.

6.32 Force Majeure

A party is not liable for failure to perform the party’s obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national
level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its subcontractors or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this contract, interruption or failure of electricity or telephone service.

If a party asserts Force Majeure as an excuse for failure to perform the party’s obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this contract and that party must use its reasonable efforts to mitigate the effect of the event of force majeure upon its or their performance of the contract and to fulfill its or their obligations under the contract.

An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured prior to the occurrence of that event.

The Contractor has no entitlement and County has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the contract price during an event of force majeure; and (2) any delay costs in any way incurred by the contractor due to an event of force majeure.

6.33 Survival of Terms

Upon discharge of this Agreement, Sections (Notice, Hold Harmless, Governing Law/Forum, Contractual Disputes) of these Terms and Conditions continue and survive in full force and effect.

6.34 Non-Waiver

No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of this Agreement constitute a continuing waiver unless otherwise expressly provided.

6.35 HIPAA

The Contractor hereby certifies that it is in compliance with the Health Insurance Portability and Accountability Act of 1996 [HIPAA] (Public Law 104-191) Privacy Rule. The Contractor agrees that upon termination of this Agreement, it will return or destroy all protected health information (PHI) received from County. If return or destruction is not possible, Contractor will extend the protection of the Agreement to the information and limit further uses and disclosures that make the return or destruction impossible. The Contractor also agrees to use reasonable administrative, technical and physical safeguards to ensure the integrity and confidentiality of all PHI that it receives or possesses from the County and that it will protect the health information against reasonable anticipated threats or hazards to the security or integrity of the information and unauthorized uses or disclosures of the information. The Contractor shall be obligated by this Agreement to advise the County within forty-eight (48) hours of occurrence of any HIPAA Privacy Rule violations.
In the event the County becomes aware of a HIPAA violation, the County will take reasonable steps up to and including termination of this Agreement to ensure that the Contractor ends the violation. Failure to end the violation will result in County notification of the federal, state and local authorities.

7.0 EVALUATION OF PROPOSALS: SELECTION FACTORS
The criteria set forth below will be used in the receipt of proposals and selection of the successful offeror.

The County Proposal Analysis Group (PAG) will review and evaluate each proposal and selection will be made on the basis of the criteria listed below. The offerors shall include with their proposal, a statement on the following:

7.1. Credentials and Related Experience (35 points)
7.2 Availability and accessibility to meet with patients (35 points)
7.3 Compliance with Contract Terms and Conditions contained in Section 4.0 (10 points)
7.4 Cost of Services (for shortlisted firms only) (20 points)

The PAG will collectively develop a composite preliminary rating which indicates the group’s collective ranking of the highest rated proposals in a descending order. The PAG may then conduct interview with only the top ranked offerors, usually the top two (2) or three (3) depending upon the number and quality of the proposal received. If an offeror is selected for interview and subsequent discussion, that offeror must submit the required pricing form containing a non-binding estimate of the cost of services. These forms, provided in the original solicitation, must be submitted to the County within one (1) working days of notification. During the interview process and discussion stage, the non-binding price proposals and costing data sheets can be discussed. Once these interview and discussions are complete, the PAG will finalize the rankings.

Final negotiations for a binding estimate of cost will begin with the top ranked firm. If a Contract acceptable to the County cannot be negotiated at a price considered fair and reasonable, negotiations shall be terminated with the top ranked firm and negotiations conducted with the next ranked firm, and so on. The PAG will conduct all subsequent negotiations and will make a recommendation for Contract award.

Northern Virginia Cooperative Purchasing Council and
the Metropolitan Washington Council of Governments

RFP CHILD AND ADOLESCENT PSYCHIATRIC SERVICES  RFO-572
This clause is intended to allow a successful vendor to offer the goods and services of the proposal to other member jurisdictions of the Northern Virginia Cooperative Purchasing Council and the Metropolitan Washington Council of Governments. If a mark is made in the YES column next to a member name, the pricing, terms and conditions of the final contract are offered to the appropriate member. The successful offeror may directly notify any member jurisdiction of the availability of the contract.

Offering to sell goods and services as a result of this solicitation to other member jurisdictions is voluntary on the offeror's part. A member jurisdiction's participation in the contract is voluntary, also. Any jurisdiction obligated to participate in the contract is indicated in the body of the solicitation and contract.

Each participating jurisdiction has the option of executing a separate contract with the awardee. Contracts entered into with a participating jurisdiction may contain general terms and conditions unique to that jurisdiction including, by way of illustration and not limitation, clauses covering minority participation, non-discrimination, indemnification, naming the jurisdiction as an additional insured under any required Comprehensive General Liability policies, and venue. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the awardee, may withdraw its extension of the award to that jurisdiction. The member jurisdiction(s) which awards the contract as a result of this solicitation is responsible for the award, etc. of its portion of the contract only. The issuing jurisdiction shall not be held liable

Each member jurisdiction which purchases as a result of this offer will be responsible for placing orders directly with the successful offeror, arranging all deliveries, reconciling discrepancies and invoices, and issuing payments.
