    • Sterling Community Center
  – Department of Zoning
  – Transit Services
  – Loudoun County Sheriff’s Office
    • Community Safety/Resources/Awareness
• **Questions/Answers**
• **Concluded by 5:50pm**
Board Member Initiatives Updates

1. Augusta Drive Corridor

2. Providence Village Drive Corridor

3. Davis Drive and Tippett Hill Drive Corridor

4. West Poplar Rd and Guilford Elementary

5. Pedestrian Pathways: Cascades Parkway, Potomac View Rd, W Church Rd, and between Claude Moore Park and Park View High School
1. Augusta Drive Corridor Concerns

- Board Member Initiative passed on September 6, 2016 to have staff identify funding to conduct traffic analysis along Augusta Drive corridor

- On March 7, 2017 the Board of Supervisors allocated $154,000 to complete a traffic analysis along the Augusta Drive Corridor to address safety concerns in the area.

- Analysis and findings coming back in early Fall 2017
2. Providence Village Drive Concerns

• Board Member Initiative passed on November 1, 2016 to have staff identify funding to conduct a traffic analysis addressing safety concerns on Providence Village Drive.

• On March 7, 2017 the Board of Supervisors allocated $4,750 for the analysis looking at whether an All-Way-Stop would be justified at the Circle Drive and Sully Elementary School entrance, and Circle Drive/East Maple Avenue/South Fillmore Avenue.

• All-Way-Stop analysis coming back in Fall 2017.
3. Davis Drive and Tippett Hill Drive Concerns

- Board Member Initiative passed on December 6, 2016 to have staff identify funding to conduct a traffic engineering analysis addressing safety concerns at the intersection of Davis Drive and Tippett Hill Drive

- On March 7, 2017 the Board of Supervisors allocated $83,600 for the analysis.

- Traffic Analysis Report along with general cost estimates for potential solutions coming back to the Board in October/November 2017
4. West Poplar Rd Safety/Traffic/Parking Concerns

• Board Member Initiative passed on January 19, 2017 to have staff identify funding to conduct a traffic engineering analysis addressing safety concerns on West Poplar Road between South Sterling Boulevard and South Greenthorn Avenue

• On April 20, 2017 the Board of Supervisors allocated $57,920 for the analysis.

• Looking at possible solutions to Ingress/Egress at Guilford Elementary, and traffic backups along West Poplar

• Traffic Analysis Report along with general cost estimates for potential solutions coming back to the Board in October/November 2017
5. Cascades Pkwy, W Church Rd, Potomac View Rd, & Pathway between PVHS & Claude Moore

- Board Member Initiative passed on February 7, 2017 to have staff identify funding for a study of missing pedestrian pathways along these corridors.
- On June 22, 2017 the Board of Supervisors allocated $10,000 for the study
- Purchase order to implement study should be completed with the coming days
- By end of August 2017, stakeholder meeting will be held between LCPS Admin Staff, Parks and Rec Staff, Claude Moore Park Staff and our office.
  - Pathway improvements between Claude Moore Park and Park View High School will need to be approved by School Board.

New Entry Plaza
Outdoor (Green) Activity Space
+/-175 Parking Spaces

Garden plots
New Building Entry
Existing Tree Line

PROPOSED RENOVATION SITE PLAN
ZONING

-Presented by Keith Fairfax & Jacob Hambrick
Commercial Vehicles

- Section 5-800 Limitations on Vehicles in Residential Districts

(B) Commercial Vehicles. The parking or storage of a commercial vehicle, or a container constructed for the transportation of cargo is prohibited in all residential districts, except that one (1) commercial vehicle with a manufacturer's rating of less than 1-1/2 tons may be parked on any lot on which there is located a principal building, provided that such vehicle is parked in an enclosed garage, accessory building, approved off-street parking area or behind the nearest portion of buildings to streets and is used by a resident of the premises. This regulation shall not be interpreted to prohibit commercial vehicles or containers from loading and unloading in any residential district.
Examples of Commercial Vehicles

Box Trucks

Double Axle Trailers
Examples of Non-Commercial Vehicles

Cargo Vans

Pick-Up Trucks
Overcrowding

- The Revised 1993 Loudoun County Zoning Ordinance permits a Single Family Dwelling to be occupied by a family as defined below:

  - Family: A group of people living together consisting of:
    - One or more persons related by blood or marriage together with any number of natural, foster, step or adopted children, domestic servants, nurses and therapists and no more than two roomers or boarders; or
    - No more than 4 unrelated persons

Transit Services

-Presented by Scott Gross
Board Policy Direction

• Make transit capital investment, operating expense and route configuration decisions that incentivize commuter traffic to use the Metrorail system.

• Provide paratransit service that is consistent with the minimum federal requirements, which is to provide paratransit service within $\frac{3}{4}$ mile distance from any local fixed transit route.
