Current Policies Chapter 3, RGP:

• Rely Service Plans and adopted service levels
• Location & design based on the Revised General Plan
• Where permitted, seek private sector support for facilities and sites
• Where permitted, consider development proposals of cash and dedicated sites
• Encourage co-location of facilities
Library Services

• Sites highly visible - near “high traffic” areas-town centers
• Priority to existing libraries in western Loudoun
• New western libraries located in the existing villages, towns, and JLMAs
Schools

• Locations based on Revised General Plan & adopted levels of service
  • Public school sites located at focus of attendance area
  • Rural Area schools to be adjacent villages, towns, and JLMAs
  • New facilities maintain context in adjacent community

• Acquire sites in advance of need
• Proffered sites available in first phase or at County request
• Existing public school facilities will be supported
Fire and Rescue

- Fire and rescue facilities sited by Services Plan and service area map contained in the Revised General Plan.
- Where permitted, as part of a rezoning, the County anticipates sprinklers in new residential outside the travel distance requirements.
- The County will require dry hydrants or tanks in all new rural subdivisions.
Parks, Recreation, and Community Services Policies

• Seek private, state and federal funding for facilities
  • Support NVRPA and others - development of Potomac Heritage Trail, extension W&OD Trail, Ball’s Bluff Battlefield

• Encourage contiguous linear parks, trails, and open space
  • Work with agencies and towns - trails linking natural, historic, and recreational resources

• School facilities coordinated with parks
• New facilities in Rural Policy Area locate near towns
