1.0 PURPOSE AND GENERAL INFORMATION

The intent of this Request for Proposal (“RFP”) is for the County of Loudoun, Virginia (County) to obtain a proposal from a qualified Consultant to provide roadway and civil design services, and construction support services for the extension of Arcola Boulevard from Old Ox Road (Route 606) to John Mosby Highway (Route 50). This project begins at the intersection of Loudoun County Parkway with Old Ox Road (Route 606) and extends southwest approximately 9,100 ft. to Route 50 at the intersection with Gum Spring Road (Route 659). A portion of Arcola Boulevard was built as part of the Route 606 Loudoun County Parkway/ Old Ox Road Reconstruction project (VDOT UPC number 97529; Federal Aid Project No. FPN 5AO1; State Project No. (NFO) 0606-053-983, RW-201, C-501) this segment is approximately 0.13 mile (675 ft.). Regarding the Revised 2010 Countywide Transportation Plan, this portion of roadway shall have a design speed of 50 mph, with an urban section median divided with a total of four (4) lanes (U4M) intermediate section with the option of widening to the inside to the ultimate condition of six lanes in the future. The proposed right of way for this project shall suffice for the ultimate condition. The Consultant shall work with various entities, including but not limited to affected property owners, developers, Virginia Department of Transportation (VDOT), as well as the County in order to develop an alignment with access points that are acceptable to all stakeholders as well as maintain the needed functionality and mobility of an urban minor arterial street system. The Consultant shall utilize the layouts entitled “Arcola Center – Arcola Road, Rte. 842 (CRCP-2008-0082)” and “Glascock Fields at Stone Ridge – Arcola Boulevard (CRCP-2015-0030)” as a guide in setting the proposed alignment. However, the alignment shall be modified, as needed, to maintain the functionality of an urban minor arterial street system as stated previously.

Anticipated funding for the project include federal, state, regional, and local sources, including Smart Scale®, revenue sharing and local tax monies. As a result, this project is required to follow the criteria and procedures set forth in VDOT’s Locally Administered Projects (LAP) Manual. This includes, but is not limited to preparing, submitting, and retaining all documentation required by VDOT for the LAP process, as well as assisting the County with any audits conducted by the State regarding this project. Additionally, the Consultant shall perform all work in compliance with federal guidelines, including, but not limited to, the National Environmental Policy Act (NEPA). Work shall include performing all necessary environmental studies, holding public hearings, and obtaining all necessary clearances and approvals from both Federal and State agencies involving the NEPA process.

This project is a Virginia Department of Transportation (VDOT) approved and Locally Administered Project with certain VDOT guidelines involving Disadvantaged Business Enterprises (DBE) requirements, Small, Women, and Minority (SWaM) business utilization and other various forms and records. Work shall include all necessary environmental/cultural resource studies, holding public
hearings, as well as obtaining all necessary clearances and approvals from both Federal and State agencies with regards to the NEPA process. It is anticipated that the level of NEPA documentation for this project will be an Environmental Assessment (EA). Additional information can be found below in Section 5.0, entitled Scope of Services. Any modifications to the level of NEPA documentation for this project will be disclosed, via Addendum, by the County.

2.0 COMPETITION INTENDED

It is the County’s intent that this RFP permits competition. It shall be the Offeror’s responsibility to advise the Purchasing Agent in writing if any language, requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this RFP to a single source. The Purchasing Agent must receive such notification not later than fifteen (15) days prior to the date set for acceptance of proposals.

3.0 BACKGROUND INFORMATION

The Loudoun County Department of Transportation and Capital Infrastructure is seeking Roadway/Civil Design Services and Bidding and Construction Phase Support Services for Arcola Boulevard from Route 50 to Old Ox Road (see Attachment 1). The roadway shall be designed to be consistent with the Revised 2010 Countywide Transportation Plan with a design speed of 50 mph, an urban section median divided with a total of four (4) lanes (U4M) intermediate section. The design shall take into consideration future widening to six (6) lanes with widening to the inside. The proposed right of way for this project shall suffice for the ultimate condition. Major intersections will occur along the proposed roadway at Route 50, Dulles West Boulevard, and Evergreen Mills Road. Although private developers have submitted design plans for sections of Arcola Boulevard within the project scope (some with different design criteria), the entire length of the project requires a design consistent with the standards outlined in this RFP.

Due to this project’s complexity, the Consultant shall first perform an alignment study and analyze different scenarios as needed, to determine the best route and intersections for the proposed roadway at all access points. The Consultant shall work with various entities, including but not limited to, affected property owners, utility companies, developers, VDOT, and the County to develop an alignment with access points amenable to the majority of stakeholders without compromising the needed functionality and mobility of the roadway. It is anticipated that this project will require a great deal of coordination with property owners as well as utility companies. A number of approved development plans with associated proffers exist along the project corridor and the Consultant shall consider proffer obligation in its design. The Consultant shall employ the services – either in-house or through a sub consultant – of individuals with experience in working with utility companies.

The design and construction of this facility must be in accordance with the laws and ordinances of Loudoun County, and the State of Virginia. All work shall be done in accordance with the VDOT Locally Administered Projects (LAP) Manual for a project with Federal funding. The County of Loudoun, Virginia (County) requests proposals to fulfill the general criteria, tasks, and services as described in this RFP.
4.0 OFFEROR’S MINIMUM QUALIFICATIONS

5.7 Virginia Department of Transportation Project
It is the policy of the Virginia Department of Transportation (VDOT) that Disadvantaged Business Enterprises (DBE) as defined in 49 CFR Part 26 will have the maximum opportunity to participate in the performance of federally funded Consultant contracts. A list of Virginia Department of Minority Business Enterprise (DMBE) certified DBE firms is maintained on the DMBE web site (http://www.dmbe.state.va.us/) under the DBE Directory of Certified Vendors. Consultants are encouraged to take all necessary and reasonable steps to ensure that DBE firms have the maximum opportunity to compete for and perform services on the resultant contract, including participation in any subsequent supplemental contracts. If the Consultant intends to subcontract a portion of the services on the Project, the Consultant is encouraged to seek out and consider DBE firms as potential Sub-Consultants. The Consultant is encouraged to contact DBE firms to solicit their interest, capability and qualifications. Any agreement between a Consultant and a DBE firm whereby the DBE firm promises not to provide services to other Consultants is prohibited. VDOT believes that these services support twelve percent (12%) DBE participation.
In accordance with the Governor’s Executive Order No. 33, VDOT also requires utilization of Small, Women and Minority (SWaM) Businesses to participate in the performance of state funded Consultant contracts. A list of DMBE certified SWaM firms is maintained on the DMBE web site (http://www.dmbe.state.va.us/) under the SWaM Vendor Directory link. Consultants are encouraged to take all necessary and reasonable steps to ensure that SWaM firms have the maximum opportunity to compete for and perform services on the resultant contract, including participation in any subsequent supplemental contracts. If the Consultant intends to subcontract a portion of the services on the Project, the Consultant is encouraged to seek out and consider SWaM firms as potential Sub-Consultants. The Consultant is encouraged to contact SWaM firms to solicit their interest, capability and qualifications. Any agreement between a Consultant and a SWaM firm whereby the SWaM firm promises not to provide services to other Consultants is prohibited.

49 CFR Part 26 requires VDOT to collect certain data about firms attempting to participate in VDOT approved and locally administered contracts like this Project. This data must be provided on the attached Firm Data Sheet. (Attachment 3).

VDOT is also required to capture DBE and SWaM payment information on all professional services contracts. As this Project is both state and federally funded, the successful Consultant awardee shall complete VDOT form C-63 for this Project on quarterly basis.

Any DBE or SWaM firm must become certified (with DMBE) prior to the submission of an Offeror’s response. If a DBE or SWaM firm is the Consultant awardee, the firm will receive full credit for planned involvement of their own forces, as well as the work that they commit to be performed by DBE or SWaM Sub Consultants. DBE or SWaM prime Consultants are encouraged to make the same outreach efforts as other Consultants. DBE or SWaM credit will be awarded only for work actually being performed by them. When a DBE or SWaM Consultant subcontracts work to another firm, the work counts toward DBE or SWaM goals only if the other firm is itself a DBE or SWaM. A DBE or SWaM Consultant awardee must perform or exercise responsibility for at least thirty percent (30%) of the total cost of its contract with its own force.

DBE or SWaM certification entitles Consultants to participate in VDOT’s DBE and SWaM programs. However, this certification does not guarantee that the firm will obtain VDOT work nor does it attest to the firm’s abilities to perform any particular work.

Business Opportunity and Workforce Development (BOWD) Center - The BOWD Center is a VDOT developmental supportive services program and partnering initiative funded by the Federal Highway Administration (FHWA) for selected DBE firms of various skill and
competence levels interested in entering, enhancing or expanding highway contracting opportunities with prime Consultants. The partnering initiative between prime Consultants and BOWD DBE firms provides the opportunity for the further development of DBE firms through performance on contracts and guidance from prime Consultants. The intent of this partnering initiative is to increase capacity by perfecting existing skills and knowledge, expanding into new work areas, and prime Consultant joint venturing with DBE firms. The Offerors are encouraged to achieve all or a percentage of the required DBE participation/goals determined for this Project by the utilization of BOWD approved firms. To assist Offerors in taking advantage of this opportunity for utilization of approved BOWD firms, please contact the BOWD Center for additional information, details, resources and support. For further information on the BOWD Center and to view the DBE profiles, go to www.virginiadot.org/business/BOWD.asp. The BOWD Center can be contacted at (804) 662-9555 or via email to BOWDCenter@vdot.virginia.gov.

As part of this contract, the Consultant shall comply with additional requirements as detailed in Attachment 4, Attachment 5, and Attachment 6 of this RFP.

I. Overall quality and completeness of proposal (and interview, if short listed). (10 points)

Proposal will be reviewed for: completeness, attention to detail, clarity and organization, design logic, appearance, inclusion of sustainable projects.

6.4 Development of the Shortlist.

Once the PAG has read and evaluated each proposal, a composite preliminary ranking will be developed which indicates the group’s collective ranking of the highest rated proposals in a descending order. The preliminary rating will be used to select offerors for further consideration – the short-list. Thereafter, the PAG will conduct interviews and have discussions with only the top ranked offerors.

Since this is a federal-aid project, a minimum of three consultants must be selected for further evaluation and technical presentation. If less than three expressions of interest are received, the County must contact the VDOT
Project Coordinator to determine if the selection may continue. VDOT will obtain concurrence from FHWA to proceed with the selection process.

6.5 Negotiations with the Top Ranked Firm.

   A. After the interviews and discussions are completed, the PAG will finalize the rankings and select a top ranked firm. A detailed scope of services will be provided only to the top ranked firm.

   B. Final negotiations for a binding estimate of cost will begin after the top ranked firm has reviewed the detailed scope and terms and conditions acceptable to the County have been negotiated.

The Agreement for Service (“Contract” or “Agreement”) with the successful offeror will contain the Terms and Conditions from Section 8.0 of the RFP. If the Top Ranked Offeror intends to take exception to these Terms and Conditions or propose additional or alternative language, they must:

1. Identify with specificity the Terms and Conditions to which they take exception to or seek to amend or replace and provide their additional or alternate terms and conditions to the County within five (5) business days after being notified of being the Top Ranked Offeror;

2. Failure to both identify with specificity those terms and conditions the Top Ranked Offeror takes exception to or seeks to amend or replace as well as to provide Offeror’s additional or alternate terms and conditions may result in termination of negotiations.

While the County may accept additional or different language if so provided during negotiations, the Terms and Conditions marked with an asterisk (*) in Section 8.0 of the RFP, are mandatory and non-negotiable.

C. Final negotiations with the top ranked offerors for a binding fee/rate schedule.

1. All firms submitting Proposals must have internal control systems in place that meet federal requirements for accounting. These systems must comply with requirements of 48 CFR 31, “Federal Acquisition Regulations, Contract Cost Principles and Procedures,” and 23 CFR 172, “Administration of Negotiated Contracts.” All firms selected for contract award must submit its FAR audit data to the County within ten (10) business days, to prevent the County from terminating negotiations, and inviting the next qualified firm to begin negotiations.

D. The County assures compliance with Title VI of the Civil Rights Act of 1964, as amended. The consultant and all subconsultants selected for this project will be required to submit a Title VI Evaluation Report (EEO-D2) within ten (10) business days of notification of selection when requested by the County. This requirement applies to all consulting
firms when the contract amount equals or exceeds $10,000.

E. If a contract containing both terms and conditions acceptable to the County and a price considered fair and reasonable by the County cannot be negotiated, negotiations shall be terminated with the top-ranked offeror and negotiations will be conducted with the next-ranked offeror, and so on. The PAG will conduct all subsequent negotiations and will make a recommendation to the Board of Supervisors for the resulting contract award.

F. VDOT’s Assurance and Compliance Office (ACO) will conduct a pre-award evaluation for consultant “professional services” cost proposals having a value greater than $200,000 prior to their execution. The consultant is required to submit a Federal Acquisition Regulations (FAR) audit meeting the requirements of Part 31 of Title 48 of the Code of Federal Regulations when a prime or combined prime and sub-consultant cost proposal has a value of $200,000 or more. Pre-award evaluations are not required for off right-of-way Transportation Alternatives Projects.

8.18 Payments to Subconsultants

Within seven (7) days after receipt of amounts paid by the County for work performed by a subconsultant under this Contract, the Consultant shall either:

A. Pay the subconsultant for the proportionate share of the total payment received from the County attributable to the work performed by the subconsultant under this Contract; or

B. Notify the County and subconsultant, in writing, of his intention to withhold all or a part of the subconsultant's payment and the reason for non-payment.

The Consultant shall pay interest to the subconsultant on all amounts owed that remain unpaid beyond the seven (7) day period except for amounts withheld as allowed in item B. above.

Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Consultant shall include in each of its subcontracts a provision requiring each subconsultant to include or otherwise be subject to the same payment and interest requirements as set forth above with respect to each lower-tier subconsultant.

The Consultant's obligation to pay an interest charge to a subconsultant pursuant to this provision may not be construed to be an obligation of the County.

8.19 Substitutions

NO substitutions, additions or cancellations, including those of key personnel, are permitted after Contract award without written approval by the Division of Procurement. Where specific employees are proposed by the Consultant for the work, those employees shall perform the work as long as that employee works for the Consultant, either as an employee or subconsultant unless the County agrees to the substitution. Requests for substitutions will be reviewed by the County and approval may be given by the County at its sole discretion. The County shall be notified immediately by the Consultant when the substitution of key personnel or those identified in the proposal may
be necessary. The substitution process shall be complete within fourteen (14) calendar days of the Consultants notification to the County.

8.20 Assignment

The Agreement may not be assigned in whole or in part without the prior written consent of the Division of Procurement. The rights and obligations of the Consultant are personal and may be performed only by the Consultant. Any purported assignment that does not comply with this provision is void. This Agreement is binding upon and inures to the benefit of the parties and their respective permitted successors and assigns.

8.21 Termination

Subject to the provisions below, the Contract may be terminated by the County upon thirty (30) days advance written notice to the Consultant; but if any work or service hereunder is in progress, but not completed as of the date of termination, then the Contract may be extended upon written approval of the County until said work or services are completed and accepted.

A. **Termination for Convenience**

The County may terminate this Contract for convenience at any time in which the case the parties shall negotiate reasonable termination costs.

B. **Termination for Cause**

In the event of Termination for Cause, the thirty (30) days advance notice is waived and the Consultant shall not be entitled to termination costs.

C. **Termination Due to Unavailability of Funds in Succeeding Fiscal Years**

If funds are not appropriated or otherwise made available to support continuation of the performance of this Contract in a subsequent fiscal year, then the Contract shall be canceled and, to the extent permitted by law, the Consultant shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract.

8.22 Contractual Disputes

The Consultant shall give written notice to the Purchasing Agent of intent to file a claim for money or other relief within ten (10) calendar days of the occurrence giving rise to the claim or at the beginning of the work upon which the claim is to be based, whichever is earlier.

The Consultant shall submit its invoice for final payment within thirty (30) days after completion or delivery.

The claim, with supporting documentation, shall be submitted to the Purchasing Agent by US Mail, return receipt requested, courier, or overnight delivery service, no later than sixty (60) days after final payment. If the claim is not disposed of by agreement, the Purchasing Agent shall reduce his/her decision to writing and mail via U.S. mail or otherwise forward a copy thereof to the Consultant within thirty (30) days of the County’s receipt of the claim.
The Purchasing Agent’s decision shall be final unless the Consultant appeals within thirty (30) days by submitting a written letter of appeal to the County Administrator, or his designee. The County Administrator shall render a decision within sixty (60) days of receipt of the appeal.

No Consultant shall institute any legal action until all statutory requirements have been met. Each party shall bear its own costs and expenses resulting from any litigation, including attorney’s fees.

8.23 Prime Consultant Responsibilities

The Consultant(s) shall be responsible for completely supervising and directing the work under the resulting Contract(s) and all subconsultants that they may utilize. Subconsultants who perform work under the resulting Contract shall be responsible to the prime Consultant. The Consultant agrees to be fully responsible for the acts and omissions of their subconsultants and of persons employed by them.

8.24 Ownership of Documents

Any reports, specifications, drawings, blueprints, negatives, electronic files or other documents prepared by the Consultant in the performance of its obligations under the Contract shall be the exclusive property of the County, and all such materials shall be returned to the County upon completion, termination, or cancellation of this Contract. The Consultant shall not use, willingly allow, or cause such materials to be used for any purpose other than performance of all Consultant’s obligations under the resulting Contract without the prior written consent of the County. However, the Consultant may retain file copies which cannot be used without prior written consent of the County. The County agrees that the Consultant shall not be liable for damages, loss, or injury resulting from the future use of the provided documents for other than the project specified, when the Consultant is not the firm of record.

8.25 Submissions

All Project correspondence, design/review documents, reports etc., prepared by the Consultant shall be distributed to the County’s Construction Manager for each major phase and sub phase of the Project in the quantities as directed. Within thirty (30) days of Project completion of each phase submit a Project completion report with Project close out documents to the County’s Construction Manager.

8.26 Responsibility for Claims and Liabilities

The County’s review, approval, or acceptance of, or payment for, any services required shall not be construed to operate as a waiver by the County of any rights or of any cause of action arising out of the Contract. The Consultant shall be and remains liable to the County for the accuracy and competency of plans, specifications, or other documents or work and Consultant is responsible to the County for any costs incurred resulting from any errors, acts or omissions in the performance of any services furnished.
8.27 Severability
In the event that any provision shall be adjudged or decreed to be invalid, by a court of competent jurisdiction, such ruling shall not invalidate the entire Agreement but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

8.28 Governing Law/Forum
This Agreement shall be governed and construed in all respects by its terms and by the laws of the Commonwealth of Virginia, without giving effect to its conflicts of law’s provisions. Any judicial action shall be filed in the Commonwealth of Virginia, County of Loudoun. Consultant expressly waives any objection to venue or jurisdiction of the Loudoun County Circuit Court, Loudoun County, Virginia. Consultant expressly consents to waiver of service of process in an action pending in the Loudoun County Circuit Court pursuant to Virginia Code Section 8.01-286.1.

8.31 Authority to Transact Business in Virginia

A Consultant organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law. Any business entity described herein that enters into a Contract with the County pursuant to the Virginia Public Procurement Act 2.2-4300 et seq. shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50 of the Code of Virginia, to be revoked or cancelled at any time during the term of the Contract. The County may void any Contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

8.32 Counterparts

This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

8.33 No Smoking

Smoking in all County buildings is prohibited. The County may designate a smoking area outside County facilities. Contractor shall only use those designated smoking areas. Certain County facilities, both inside and outside, may be entirely smoke free. Contractor shall inquire of the Contract Administrator or designee if a facility is entirely smoke free. Failure to adhere to the County’s no smoking policies may lead to removal of Contractor employees and possible Contract termination.

8.34 Confidentiality

A. Consultant Confidentiality

The Consultant acknowledges and understands that its employees may have access to proprietary, business information, or other confidential information belonging to the County. Therefore, except as required by law, the Consultant agrees that its employees will not:

1. Access or attempt to access data that is unrelated to their job duties or authorizations as related to this Agreement.
2. Access or attempt to access information beyond their stated authorization.
3. Disclose to any other person or allow any other person access to any information related to the County or any of its facilities or any other user of this Agreement that is proprietary or confidential. Disclosure of information includes, but is not limited to, verbal discussions, FAX transmissions, electronic mail messages, voice mail communication, written documentation, “loaning” computer access codes and/or
another transmission or sharing of data.

The Consultant understands that the County, or others may suffer irreparable harm by disclosure of proprietary or confidential information and that the County may seek legal remedies available to it should such disclosure occur. Further, the Consultant understands that violations of this provision may result in termination of the Agreement.

The Consultant understands that information and data obtained during the performance of this agreement shall be considered confidential, during and following the term of this Agreement, and will not be divulged without the Purchasing Agent’s written consent and then only in strict accordance with prevailing laws. The Consultant shall hold all information provided by the County as proprietary and confidential, and shall make no unauthorized reproduction or distribution of such material.

B. County Confidentiality

The County understands that certain information provided by the Contractor during the performance of this Agreement may also contain confidential or proprietary information. Contractor acknowledges that this Contract and public records (as defined by §2.2-3701 of the Virginia Freedom of Information Act) provided pursuant to this Contract are subject to the Virginia Freedom of Information Act §§2.2-3700 et seq. and the Virginia Public Procurement Act §2.2-4342 of the Code of Virginia.

8.35 Force Majeure

A party is not liable for failure to perform the party’s obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its subcontractors or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this contract, interruption or failure of electricity or telephone service.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this contract and that party must use its reasonable efforts to mitigate the effect of the event of force majeure upon its or their performance of the contract and to fulfill its or their obligations under the contract.

An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured
prior to the occurrence of that event.

The Consultant has no entitlement and County has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the contract price during an event of force majeure; and (2) any delay costs in any way incurred by the Consultant due to an event of force majeure.

8.36 Survival of Terms

Upon discharge of this Agreement, Sections (Notice, Hold Harmless, Governing Law/Forum, Contractual Disputes) of these Terms and Conditions continue and survive in full force and effect.

8.37 Non-Waiver

No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of this Agreement constitute a continuing waiver unless otherwise expressly provided.

8.38 Mandatory Federal-Aid Professional Services Provisions:

General Terms and Conditions

The following provisions shall be incorporated in the Agreement for Services between the Consultant and the County of Loudoun without modification.

COMPLIANCE WITH LAWS AND REGULATIONS

The Consultant shall keep fully informed of all federal, state, and local laws, ordinances, and regulations, and all orders and decrees of bodies or tribunals having any jurisdiction or authority, which in any manner affect those engaged or employed on this Agreement, or which in any way affect the conduct of the services provided by the Consultant. It shall at all times observe and comply with, and shall cause its agents, subcontractors and employees to observe and comply with, all such laws, ordinances, regulations, orders, and decrees; and shall protect and indemnify the County of Loudoun and its employees and appointees against any claim or liability arising from or based on the violation of any such law, ordinance, regulation, order, or decree, whether by itself or its agents, subcontractors or employees. If any discrepancy or inconsistency is discovered between this Agreement and any such law, ordinance, regulation, order, or decree, the Consultant shall immediately report the same to the Department in writing.

VIRGINIA PROHIBITED EMPLOYMENT DISCRIMINATION

The Consultant, its agents, employees, assigns or successors, and any person, firm, or agency of whatever nature with whom it may contract or make an agreement, shall comply with the provisions of the Section 2.2-4311 of the Code of Virginia (1950), as amended. During the performance of this Agreement, the Consultant agrees as follows:

a. The Consultant will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal
operation of the Consultant. The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

b. The Consultant, in all solicitations or advertisements for employees placed by or on behalf of the Consultant, will state that the Consultant is an equal opportunity employer.

c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

The Consultant will include the provisions of the foregoing paragraphs “a”, “b” and “c” in every subcontract or purchase order of over ten thousand dollars, so that such provisions will be binding upon each subcontractor or vendor.

**NON-DISCRIMINATION PROVISION**

The Consultant agrees to abide by the provisions of Title VI and Title VII of the Civil Rights Act of 1964 (42 USC 2000e), which prohibits discrimination against any employee or applicant for employment, or any applicant or recipient of services, on the basis of race, religion, color, sex or national origin; and further agrees to abide by Executive Order No. 11246 entitled “Equal Employment Opportunity,” as amended by Executive Order No. 11375 and as supplemented in the Department of Labor Regulations (41 CFR Part 60), which prohibit discrimination on the basis of age. Section 49 CFR 21 is incorporated by reference in all contracts and subcontracts funded in whole or in part with federal funds. The Consultant shall comply with the Americans with Disabilities Act (ADA), and with the provisions of the Virginians with Disabilities Act, Sections 51.5-40 through 51.5-46 of the Code of Virginia (1950), as amended, the terms of which are incorporated herein by reference.

In the event of the Consultant’s noncompliance with the nondiscrimination provisions of this Agreement, the County of Loudoun shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including but not limited to:

a. withholding of payments to the Consultant under this Agreement until the Consultant complies; and/or

b. cancellation, termination or suspension of this Agreement, in whole or in part.

**TITLE VI OF THE CIVIL RIGHTS ACT OF 1964**

During the performance of this Agreement, the Consultant, for itself, its assignees and successors in interest (herein referred to as “the Consultant”), agrees as follows:

a. Compliance with Regulations: The Consultant will comply with the Regulations of the U.S. Department of Transportation relative to nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation (Title 49), Code of Federal Regulations,
Part 21, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Agreement.

b. Nondiscrimination: The Consultant, with regard to the services provided by it after award and prior to completion of this Agreement, will not discriminate on the grounds of race, religion, color, sex, national origin, age or handicap in the selection and retention of Subconsultants, including procurements of materials and leases of equipment. The Consultant will not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the services cover a program set forth in Appendix B of the Regulations.

c. Solicitations for Subconsultants: In all solicitations, either by competitive bidding or negotiation made by the Consultant for work to be performed under a subcontract, including procurements of materials or equipment, each potential subcontractor or supplier shall be notified by the Consultant of the Consultant’s obligations under this Agreement.

d. Information and Reports: The Consultant will provide all information and reports required by the Regulations, or orders and instructions issued pursuant thereto, and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Department or the Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of the Consultant is in the exclusive possession of another who fails or refuses to furnish this information, the Consultant shall so certify to the Department, or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information. Consultants and Subconsultants with 15 or more employees will submit an updated Title VI Evaluation Report (EEO-D2) annually as long as the consultant or subconsultant is performing in accordance with this Agreement.

e. Sanctions for Noncompliance: In the event of the Consultant’s noncompliance with the nondiscrimination provisions of this Agreement, the Department shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including but not limited to:

1) withholding of payments to the Consultant under this Agreement until the Consultant complies, and/or

2) cancellation, termination or suspension of this Agreement, in whole or in part.

f. Incorporation of Provisions: The Consultant will include the provisions of paragraphs “a” through “f” in every subcontract of $10,000 or more, including procurements of materials and leases of equipment, unless exempt by the Regulations, order or instructions issued pursuant thereto. The Consultant will take such action with respect to any subcontractor or procurement as the County of Loudoun or the Federal
Highway Administration may direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, in the event the Consultant becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the Consultant may request the County of Loudoun to enter into such litigation to protect the interests of the County of Loudoun and, in addition, the Consultant may request VDOT and the United States to enter into such litigation to protect the interests of the Commonwealth and United States.

CERTIFICATION REGARDING NON-SEGREGATED FACILITIES

By the execution of this Agreement, the Consultant certifies that it does not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not permit its employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it will not permit its employees to perform their services at any location under its control, where segregated facilities are maintained. The Consultant further certifies that no employee will be denied access to adequate facilities on the basis of sex or disability. As used in this certification, the term “segregated facilities” means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color, national origin, age or handicap, because of habit, local custom or otherwise. It agrees that, except where it has obtained identical certification from proposed subcontractors and material suppliers for specific time periods, it will obtain identical certification from proposed subcontractors or material suppliers prior to the award of subcontracts or the consummation of material supply agreements exceeding ten thousand dollars, and that it will retain such certifications in its files.

DISADVANTAGED BUSINESS ENTERPRISES/SMALL, WOMAN AND MINORITY BUSINESS

The Consultant, its agents, employees, assigns, or successors, and any person, firm or agency of whatever nature with whom it may contract or make an agreement, shall comply with the provisions of 49 CFR Part 26, as amended, which is hereby made part of this Agreement by reference. The Consultant shall take all necessary and reasonable steps in accordance with 49 CFR Part 26, as amended, to ensure that DBE firms have the maximum opportunity to compete for and perform contracts and subcontracts under this Agreement. Subpart E of 49 CFR 26, Section 26.13 requires each contract signed with a contractor (and each subcontract the prime contractor signs with a subcontractor) must include the following assurance:

The contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract.
The contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate.

A DBE goal has been established for this project. The DBE goal is 12%. As such, the awarded Consultant agrees to provide the County of Loudoun with the dollar amount contracted and name of each subcontractor which identifies itself as a DBE, in order to demonstrate compliance with this DBE goal.

VDOT is also required to capture DBE and SWaM payment information on all professional services contracts. Therefore, the prime consultant will be required to complete the DBE and SWaM Payment Compliance Report, C-63 form on a quarterly basis.

In the event of the Consultant’s noncompliance with the DBE/SWaM participation for the services indicated in Expression of Interest in response to the RFP, Attachment D, Scope of Work and Fee Proposal of this Agreement, the County of Loudoun shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including but not limited to:

a. withholding of payments to the Consultant under this Agreement until the Consultant complies, and/or

b. cancellation, termination or suspension of this Agreement, in whole or in part.

**TDD/TTY EQUIPMENT FOR THE DEAF**

When seeking public participation through the maintenance of a toll free hot line number and/or publishing project-related materials, the Consultant agrees to ensure that all citizens have equally effective communication. The Consultant agrees to provide or identify a telecommunications device for the deaf/teletypewriter (TDD/TTY) or acceptable means of telephone access for individuals with impaired speech or hearing. The Consultant will provide notice of a TDD/TTY number whenever a standard telephone number is provided.

**IMMIGRATION REFORM AND CONTROL ACT OF 1986**

By signing this Agreement, the Consultant certifies that it does not and will not during the performance of this Agreement violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.

**OCCUPATIONAL SAFETY AND HEALTH STANDARDS**

The Consultant shall not require any individual employed in the performance of this Agreement to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to health or safety as determined under the Occupational Safety and Health Standards promulgated by the United States Secretary of Labor. This provision shall be made a condition of any subcontract entered into pursuant to this Agreement.
In addition, the Consultant shall abide by the Virginia Occupational Safety and Health Standards adopted under Section 40.1-22 of the Code of Virginia (1950), as amended, and will fulfill the duties imposed under Section 40.1-51.1 of the Code of Virginia. Any violation of the aforementioned requirements or duties which is brought to the attention of the Consultant by any person shall be immediately abated.

CERTIFICATION REGARDING DEBARMENT

By the execution of this Agreement, the Consultant certifies to the best of its knowledge and belief, that it and its principals:

a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

b. Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; and have not been convicted of any violations of federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;

c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and

d. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

CORRECTION OF ERRORS

The Consultant shall check for accuracy any reports, and the design, drafting and details of final plans prior to submission. The Consultant will be required, without additional compensation, to correct any errors, including but not limited to omissions, discrepancies and ambiguities, in any services performed in fulfillment of the obligations of this Agreement, and shall also reimburse the County of Loudoun for any costs incurred. Acceptance of the plans or reports by the County of Loudoun shall not relieve the Consultant of the responsibility of subsequent correction of errors.

PAYMENT TO SUBCONTRACTORS

In accordance with Article 4 of the Virginia Public Procurement Act (Sections 2.2-4342 through 2.2-4356 of the Code of Virginia (1950), as amended), the Consultant shall make payment to all subcontractors within seven (7) days after receipt of payment from the County of Loudoun, or shall notify the County of Loudoun and subcontractor in writing of the intention to withhold all or a part of the amount due along with the reason for nonpayment.
In the event payment is not made as noted, the Consultant shall pay interest at the rate of one percent per month to the subcontractor, unless otherwise provided in this Agreement, on all amounts that remain unpaid after seven (7) days except for the amounts withheld according to this Agreement.

The County of Loudoun does not require retainage to be withheld by the Consultant on any subcontracts. If the Consultant elects to withhold retainage on subcontracts, prompt payment of the retainage shall be made to the subcontractors within the later of 60 days after the final billing is received by the Consultant from the subcontractor or the satisfactory acceptance of the services by the Department. The County of Loudoun will notify the Consultant and the subcontractor in writing when the services have been satisfactorily accepted. If the retainage is not promptly paid, the Consultant shall notify the Department and the subcontractor in writing as to the reasons for not making payment.

These same requirements shall be included in each subcontractor agreement and shall be applicable to each lower-tier subcontractor.

**COMPLIANCE WITH LOBBYING RESTRICTIONS**

By signing this Agreement, the Consultant certifies that:

a. Since promulgation of the federal requirements implementing Section 319 of PL 101-121, no federal appropriated funds have been paid and none will be paid, by or on behalf of the Consultant, to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of a federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement;

b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the Consultant shall complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions; and

c. The Consultant shall require that the language of this certification be included in all subcontracts at all tiers, and that all subcontractors shall certify and disclose accordingly.

**RECORDS**

The Consultant and subcontractors shall retain all books, documents, papers, accounting records and other evidence supporting the costs incurred, for three (3) years after payment of the final estimate or final audit, whichever is later. Such evidence shall be made available at the Consultant’s offices at all
reasonable times and will be subject to audit and inspection by the County of Loudoun, VDOT or any authorized representatives of the Federal Government.

Evidence of costs incurred by a subcontractor shall be made available at its office at all reasonable times during the contract period between the Consultant and the subcontractor and for three (3) years after written acceptance by the Consultant, for audit and inspection by the County of Loudoun, VDOT or any authorized representatives of the Federal Government. It shall be the Consultant’s responsibility to notify the County of Loudoun, in writing, of the completion of that subcontractor’s portion of the services so that the records of the subcontractor can be audited within the three-year retention period. Failure to do so may result in the Consultant’s liability for any costs not supported by the proper documentation for the subcontractor’s phase of the services. Final payment for the subcontractor’s phase of the services will be made after total costs are determined by the final audit of the subcontractor.

**DRUG-FREE WORKPLACE**

During the performance of this contract, the Consultant agrees to:

a. Provide a drug-free workplace for the consultant’s employees

b. Post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the consultant’s workplace and specifying the actions that will be taken against employees for violations of such prohibition

c. State in all solicitations or advertisements for employees placed by or on behalf of the consultant that the consultant maintains a drug-free workplace

d. Include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purpose of this section, “drug-free workplace” means a site for the performance of work done in connection with a specific contract awarded to a consultant, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.
