REHABILITATION OF STORM WATER MANAGEMENT DETENTION STRUCTURE AB1676A

1.0 PURPOSE

The Intent of this Invitation for Bid (IFB) is for the County of Loudoun, Virginia (County) to obtain the services of a qualified General Contractor to Rehabilitate of Storm Water Management Detention Facility Structure AB1676. Facility AB1676A consists of four 84" corrugated metal pipes (CMP) totaling approximately 1,400 linear feet. The CMP is galvanized steel and is formed by helical corrugations with a continuous locked seam. Field construction joints consist of external coupling bands between pipe segments and are welded at pipe intersections. Spacing varies, but they are typically 20’. The structure also contains a precast concrete vault. Cleaning is required to remove rust, scaling, debris etc. from the facility to prepare the surface for geopolymer lining. Small point repairs to fill voids and missing inverts will be required prior to geopolymer lining. One section that contains deformation beyond ten percent (10%) and support columns will require reinforcement prior to geopolymer lining. Reshaping and reinforcing the deformed section shall re-establish its ring strength and improve structural capacity in the pipe. Once all cleaning, debris removal, and surface preparation is complete, geopolymer material will be sprayed continuously throughout the facility, coating the entire structure. During the process, openings shall be temporarily capped so the material does not spray into the openings.

2.0 COMPETITION INTENDED

It is the County’s intent that this IFB permits competition. It shall be the bidder's responsibility to advise the Purchasing Agent in writing if any language, requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this IFB to a single source. The County does not discriminate against faith-based organizations.

13.0 EXEMPTION FROM TAXES
Pursuant to Va. However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use on a construction project. Nothing in this section shall prohibit the Contractor from including its own sales tax expense in connection with the Contract in its Contract price.

D. All sureties providing bonds shall give written notice to the County at least thirty (30) days prior to the expiration or termination of the bond(s).

E. If at any time, any surety or sureties become insolvent or are determined by the County to be unable to adequately secure the interests of the County, the Contractor shall within thirty (30) days after such notice from County to do so, substitute an acceptable bond(s) in such form and sum and signed by such other sureties as may be satisfactory to County. The premium on such bond(s) shall be paid by the Contractor at no additional cost to the County.
provided reasonable justification can be provided by the County for its determination.

16.0 CONSTRUCTION CONTRACT RETAINAGES

The Contractor shall be paid ninety-five percent (95%) of the earned sum when payment is due, with not more than five percent (5%) being retained to assure faithful performance of the Contract. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to, or perform any subcontract or other work agreement, for the person or firm to whom the Contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

18.14 Anti-Trust Violations
Tie bids may cause rejection of bids by the Division of Procurement and/or prompt an investigation for Anti-Trust violations.

18.15 Basis for Award
Contract award will be made to the lowest responsive and responsible bidder based upon the lump sum.

Whenever the lowest responsive and responsible bidder is a resident of a state other than Virginia and such state under its laws allows a resident Contractor of that state a percentage preference, a like preference shall be allowed to the lowest responsive and responsible bidder who is a resident of Virginia and is the next lowest bidder. If the lowest bidder is a resident Contractor of a state with an absolute preference, the bid preference shall not be considered.

18.16 Negotiation with the Lowest Responsible Bidder
Unless all bids are cancelled or rejected, the County reserves the right granted by § 2.2-4318 of the Code of Virginia to negotiate with the lowest responsive, responsible bidder to obtain a Contract price within the funds available whenever such low bid exceeds the available funds. Bid security shall be in an amount equal to at least five percent (5%) of the amount of the bid. Non-compliance with this provision requires that the bid be rejected unless it is determined that the bid fails to comply in a non-substantial manner the security requirements.
The apparent low bidder’s Contract Bid Security shall be subject to forfeiture if the apparent low bidder withdraws his bid prior to award, or fails to sign and return the County – Contractor Agreement. The Contract Bid Security shall be forfeited according to the forfeiture provisions in Code of Virginia (§ 2.2-4336) and the proposal guaranty.
