Specifically, Loudoun County, may not, through its contractual and/or financial arrangements, directly or indirectly avoid compliance with Title II of the Americans with Disabilities Act, Public Law 101-336, which prohibits discrimination by public entities on the basis of disability. Subtitle A protects qualified individuals with disability from discrimination on the basis of disability in the services, programs, or activities of all State and local governments. It extends the prohibition of discrimination in federally assisted programs established by the Rehabilitation Act of 1973 Section 504 to all activities of state and local governments, including those that do not receive federal financial assistance, and incorporates specific prohibitions of discrimination on the basis of disability in Titles I, III, and V of the Americans with Disabilities Act. 5.17 **Substitutions**

NO substitutions, additions or cancellations, including those of key personnel, are permitted after Contract award without written approval by the Division of Procurement. Where specific employees are proposed by the Contractor for the work, those employees shall perform the work as long as those employees work for the Contractor, either as employees or subcontractors, unless the County agrees to a substitution. Requests for substitutions will be reviewed by the County and approval may be given by the County at its sole discretion.

5.18 **Condition of Items**

All items shall be new, in first class condition, including containers suitable for shipment and storage, unless otherwise indicated herein or as may be agreed to by the parties in a written amendment to this Agreement. Oral or written but unsigned agreements to the contrary will not be recognized.

5.19 **Workmanship and Inspection**

All work under this Contract shall be performed in a skillful and workmanlike manner. The Contractor and its employees shall be professional and courteous at all times. The County reserves the right to require immediate removal of any Contractor employee from County service it deems unfit for service for any reason, not contrary to law. This right is non-negotiable and the Contractor agrees to this condition by accepting this Agreement. Further, the County may, from time to time, make inspections of the work performed under the Agreement. Any inspection by the County does not relieve the Contractor of any responsibility in meeting the Agreement requirements.

The Contractor will have all employees working at County sites have photo identification (frontal face). This identification must be prominently displayed at all times.

5.20 **Exemption from Taxes** *

Pursuant to Va. Code § 58.1-609.1, the County is exempt from Virginia State Sales or Use Taxes and Federal Excise Tax, therefore the Contractor shall not charge the County for Virginia State Sales or Use Taxes or Federal Excise Tax on the finished goods or products provided under the Contract. However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use on a construction project. Nothing in this section
shall prohibit the Contractor from including its own sales tax expense in connection with the Contract in its Contract price.

5.21 Ordering, Invoicing and Payment

All work requested under this Contract shall be placed on a County issued Purchase Order. The Contractor shall not accept credit card orders or payments.

Contractor shall submit invoices in duplicate at the end of each calendar month, such statement to include a detailed breakdown of all charges and shall be based on completion of tasks or deliverables and shall include progress reports.

Monthly invoices with service details shall be emailed to:

Catherine.Motivans@loudoun.gov;
MaryFrances.Forcier@loudoun.gov

Upon receipt of invoice and final inspection and acceptance of the equipment and/or service, the County will render payment within thirty (30) days unless any items thereon are questioned, in which event payment will be withheld pending verification of the amount claimed and the validity of the claim. The Contractor shall provide complete cooperation during any such investigation.

Unless invoice items are questioned, the interest shall accrue at the rate of one percent (1%) per month for any late payments.

Individual contractors shall provide their social security numbers, and proprietorships, partnerships, and corporations shall provide their federal employer identification number on the pricing form.

5.22 Payments to Subcontractors *

Within seven (7) days after receipt of amounts paid by the County for work performed by a subcontractor under this Contract, the Contractor shall either:

A. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Contract; or

B. Notify the County and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment and the reason for non-payment.

The Contractor shall pay interest to the subcontractor on all amounts owed that remain unpaid beyond the seven (7) day period except for amounts withheld as allowed in item B. above.

Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment
and interest requirements as set forth above with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this provision may not be construed to be an obligation of the County.

5.23 Assignment *

The Agreement may not be assigned in whole or in part without the prior written consent of the Division of Procurement. The rights and obligations of the Contractor are personal and may be performed only by the Contractor. Any purported assignment that does not comply with this provision is void. This Agreement is binding upon and inures to the benefit of the parties and their respective permitted successors and assigns.

5.24 Termination

Subject to the provisions below, the Contract may be terminated by the County upon thirty (30) days advance written notice to the Contractor; but if any work or service hereunder is in progress, but not completed as of the date of termination, then the Contract may be extended upon written approval of the County until said work or services are completed and accepted.

A. Termination for Convenience

The County may terminate this Contract for convenience at any time in which the case the parties shall negotiate reasonable termination costs.

B. Termination for Cause

In the event of Termination for Cause, the thirty (30) days advance notice is waived and the Contractor shall not be entitled to termination costs.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years

If funds are not appropriated or otherwise made available to support continuation of the performance of this Contract in a subsequent fiscal year, then the Contract shall be canceled and, to the extent permitted by law, the Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract.

5.25 Contractual Disputes *

The Contractor shall give written notice to the Purchasing Agent of intent to file a claim for money or other relief within ten (10) calendar days of the occurrence giving rise to the claim or at the beginning of the work upon which the claim is to be based, whichever is earlier.
The claim, with supporting documentation, shall be submitted to the Purchasing Agent by US Mail, courier, or overnight delivery service, no later than sixty (60) days after final payment. If the claim is not disposed of by agreement, the Purchasing Agent shall reduce his/her decision to writing and mail or otherwise forward a copy thereof to the Contractor within thirty (30) days of the County's receipt of the claim.

The Purchasing Agent's decision shall be final unless the Contractor appeals within thirty (30) days by submitting a written letter of appeal to the County Administrator, or his designee. The County Administrator shall render a decision within sixty (60) days of receipt of the appeal.

No Contractor shall institute any legal action until all statutory requirements have been met. Each party shall bear its own costs and expenses resulting from any litigation, including attorney's fees.

5.26 Severability *

In the event that any provision shall be adjudged or decreed to be invalid, by a court of competent jurisdiction, such ruling shall not invalidate the entire Agreement but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

5.27 Governing Law/Forum *

This Agreement shall be governed and construed in all respects by its terms and by the laws of the Commonwealth of Virginia, without giving effect to its conflicts of laws provisions. The County may void any Contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

5.31 No Smoking
Smoking in all County buildings is prohibited. The County may designate a smoking area outside County facilities. Contractor shall only use those designated smoking areas. Certain County facilities, both inside and outside, may be entirely smoke free. Contractor shall inquire of the Contract Administrator or designee if a facility is entirely smoke free. Failure to adhere to the County’s no smoking policies may lead to removal of Contractor employees and possible Contract termination.

5.32 Background Checks
The Contractor shall obtain background checks on all personnel who will be assigned to County buildings working in any capacity including supervision. The background check MUST be completed and received by the County Contract Administrator before any personnel can work on County property.
The Contractor should have enough qualified people with current background checks so as to be able to provide a replacement within twenty-four (24) hours. It is recommended that the Contractor keep on file with the Contract Administrator a list of persons who may work at County properties so that replacements can be quickly made. Should a replacement take longer than twenty-four (24) hours, this may be cause for termination of the Agreement. Should the Contractor assign someone who has not had a background check, that person will be immediately ordered off of County property and the Contractor may not bill the County for any hours worked. A. Contractor Confidentiality

The Contractor acknowledges and understands that its employees may have access to proprietary, business information, or other confidential information belonging to the County of Loudoun. Therefore, except as required by law, the Contractor agrees that its employees will not:

1. Access or attempt to access data that is unrelated to their job duties or authorizations as related to this Contract.

2. Access or attempt to access information beyond their stated authorization.

3. Disclose to any other person or allow any other person access to any information related to the County or any of its facilities or any other user of this Contract that is proprietary or confidential. Disclosure of information includes, but is not limited to, verbal discussions, FAX transmissions, electronic mail messages, voice mail communication, written documentation, “loaning” computer access codes and/or another transmission or sharing of data.

The Contractor understands that the County, or others may suffer irreparable harm by disclosure of proprietary or confidential information and that the County may seek legal remedies available to it should such disclosure occur. Further, the Contractor understands that violations of this provision may result in Contract termination.

The Contractor further understands that information and data obtained during the performance of this agreement shall be considered confidential, during and following the term of this
Contract, and will not be divulged without the Purchasing Agent’s written consent and then only in strict accordance with prevailing laws. The Contractor shall hold all information provided by the County as proprietary and confidential, and shall make no unauthorized reproduction or distribution of such material.

B. County Confidentiality

The County understands that certain information provided by the Contractor during the performance of this Agreement may also contain confidential or proprietary information. Contractor acknowledges that this Contract and public records (as defined by §2.2-3701 of the Virginia Freedom of Information Act) provided pursuant to this Contract are subject to the Virginia Freedom of Information Act §§2.2-3700 et seq. and the Virginia Public Procurement Act §2.2-4342 of the Code of Virginia.

5.34 Counterparts

This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

5.35 Force Majeure

A party is not liable for failure to perform the party's obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its subcontractors or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this contract, interruption or failure of electricity or telephone service.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this contract and that party must use its reasonable efforts to mitigate the effect of the event of force majeure upon its or their performance of the contract and to fulfill its or their obligations under the contract.
An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured prior to the occurrence of that event.

The Contractor has no entitlement and County has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the contract price during an event of force majeure; and (2) any delay costs in any way incurred by the contractor due to an event of force majeure.

5.36 Survival of Terms

Upon discharge of this Agreement, Sections (Notice, Hold Harmless, Warranties, Governing Law/Forum, Contractual Disputes) of these Terms and Conditions continue and survive in full force and effect.

5.37 Non-Waiver

No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of this Agreement constitute a continuing waiver unless otherwise expressly provided.

6.0 EVALUATION OF PROPOSALS: SELECTION FACTORS

The criteria set forth below will be used in the receipt of proposals and selection of the successful offeror.

The County Proposal Analysis Group (PAG) will review and evaluate each proposal and selection will be made on the basis of the criteria listed below. The offerors submitting proposals shall include with that proposal statements on the following:

A. Proven availability of qualified experienced captioners, to include credentials and related experience. (40 points)

B. Quality control procedures to ensure accuracy level. (20 points)

C. Acceptance of the County’s Contract Terms and Conditions. (5 points)

D. Cost of Services; i.e., all-inclusive hourly rates. (35 points)

The PAG will collectively develop a composite rating which indicates the group's collective ranking of the highest rated proposals in a descending order. The PAG may then conduct interviews with only the top ranked offerors, usually the top two (2) or three (3) depending upon the number of proposals received. Negotiations shall be conducted with offerors so selected. The PAG may request a Best and Final Offer(s) (BAFO) and/or make a recommendation for the Contract award.

7.0 PROPOSAL SUBMISSION FORMAT

Offerors are to make written proposals that present the offeror’s qualifications and understanding of the work to be performed. Offerors shall address each of the specific evaluation criteria listed below, in the following order. Failure to include any of the requested information may be cause for the proposal to be considered nonresponsive and rejected.
The Contractor shall include with their proposal the following information:

7.1 Table of contents, to include all proposal subsections.
7.2 Cover letter.
7.3 Method of operation, to include all applicable tasks.
7.4 Company information, to include company history; years in business performing this type of work; ownership; qualifications; relevant experience and office locations.
7.5 Client references, to include at least five (5) references similar to the scope of this RFP. References should include: clients name, contact, telephone number, email address, approximate contract value, approximate contract date and a brief description of the work performed. Offeror hereby releases listed references from all claims and liability for damages that may result from the information provided by the reference. Also include the interfaces in which your firm had to use (i.e., cable providers). Failure to include references may be cause for rejection of proposal as non-responsive.
7.6 A sample of previous comparable work (e.g., broadcast quality video of a board meeting, public hearing, etc.).
7.7 Contract pricing, day and evening hourly rates, to include all costs on the County's pricing proposal form. (Rates shall be firm for at least the initial contract period.) What increment does your firm bill, i.e., quarter hour, half hour, etc.? Are there any minimum hour guarantees that your firm requires?
7.8 Describe your firm's quality control methods to ensure required accuracy levels.
7.9 State your firm's compliance with the terms and conditions as stated in Section 5.0. Specifically list any deviations and provide justification.

8.0 INSTRUCTIONS FOR SUBMITTING PROPOSALS
8.1 Preparation and Submission of Proposals
A. Before submitting a proposal, read the ENTIRE solicitation including the Terms and Conditions. Failure to read any part of this solicitation will not relieve an offeror of the Contractual obligations.
B. Pricing must be submitted on RFP pricing form only. Include other information, as requested or required.
C. All proposals must be submitted to the Division of Procurement in a sealed container. The face of the sealed container shall indicate the RFP number, time and date of opening and the title of the RFP.
D. All proposals shall be signed in ink by the individual or authorized principals of the firm.
E. All attachments to the RFP requiring execution by the offeror are to be returned with the proposal.
F. Proposals must be received by the Division of Procurement prior to 4:00 p.m., local Atomic time on April 23, 2019. An atomic clock is located in the Division of Procurement and can also be verified by visiting http://www.time.gov/timezone.cgi?Eastern/d/-5/java. Requests for extensions of this time and date will not be granted, unless deemed to be in the County's best interest. Offerors mailing their proposals shall allow for sufficient mail time to ensure receipt of their proposals by the Division of Procurement by the time and date fixed for acceptance of the proposals. Proposals or unsolicited amendments to proposals received by the County after the acceptance date and time will not be considered. Proposals will be publicly accepted and logged in at the time and date specified above.

G. Proposals may be submitted via US Mail to PO Box 7000, Leesburg, Virginia 20177-7000; or hand delivered or private carrier (UPS/FedEx) to 1 Harrison Street, S.E., 4th Floor, Leesburg, Virginia 20175. Faxed and e-mailed proposals will not be accepted. (Please note: Offerors choosing to submit proposals via US Mail should allow at least an additional twenty-four (24) hours in the delivery process for internal County mailroom distribution).

H. Each offeror shall submit one (1) original and four (4) copies of their proposal to the County's Division of Procurement as indicated on the cover sheet of this RFP.

8.2 Questions and Inquiries

Questions and inquiries, both oral and written, will be accepted from any and all offerors. However, when requested, complex oral questions shall be submitted in writing. The Division of Procurement is the sole point of contact for this solicitation unless otherwise instructed herein. Unauthorized contact with other Loudoun County staff regarding the RFP may result in the disqualification of the offeror. Inquiries pertaining to the RFP must give the RFP number, time and date of opening and the title of the RFP. Material questions will be answered in writing with an Addendum provided, however, that all questions are received at least twelve (14) days in advance of the proposal opening date or by noon, April 8, 2019. It is the responsibility of all offerors to ensure that they have received all Addendums and to include signed copies with their proposal. Addendums can be downloaded from www.loudoun.gov/procurement.

8.3 Inspection of Site

It is strongly recommended that all offerors make an on-site inspection of the location where the work will be performed to become completely familiar with the existing conditions. Failure to comply with this requirement will not relieve the successful offeror of his obligation to carry out the scope of the resulting contract. Inspections may be arranged by contacting the Contracting Officer.
8.4 **Completion**
Proposal must show number of calendar days required to complete the project or services under normal conditions. Failure to state completion time obligates offeror to complete the project according to the County’s schedule. Unrealistically short or long completion promised may cause proposal to be disregarded.

8.5 **Firm Pricing for County Acceptance**
Proposal pricing must be firm for County acceptance for a minimum of ninety (90) days from proposal receipt date. “Discount from list” proposals are not acceptable unless requested.

8.6 **Unit Price**
Quote unit price on quantity specified and extend and show total. In case of errors in extension, unit prices shall govern.

8.7 **Quotations to be F.O.B. Destination - Freight Prepaid and Allowed**
Any goods to be delivered to a County location shall be coordinated with the Contract Administrator prior to delivery. Such goods shall be delivered F.O.B. Destination, freight prepaid, and allowed. COD deliveries shall be denied. The cost of freight, insurance, and all other delivery related costs shall be included in the cost of performing the work proposed in the price proposal.

8.8 **Proprietary Information**
Trade secrets or proprietary information submitted by an offeror in connection with this solicitation shall not be subject to disclosure under the Virginia Freedom of Information Act; however, pursuant to § 2.2-4342 of the Code of Virginia, the offeror must invoke the protections of this section prior to or upon submission of the data or other materials, and must clearly identify the data or other materials to be protected and state the reasons why protection is necessary. Failure to abide by this procedure may result in disclosure of the offeror’s information. Offerors shall not mark sections of their proposal as proprietary if they are to be part of the award of the contract and are of a "Material" nature.

8.9 **Authority to Bind Firm in Contract**
Proposals MUST give full firm name and address of offeror. Failure to manually sign proposal may disqualify it. Person signing proposal will show TITLE or AUTHORITY TO BIND THE FIRM IN A CONTRACT. Firm name and authorized signature must appear on proposal in the space provided on the pricing page. Those authorized to sign are as follows:

   If a sole proprietorship, the owner may sign.
   If a general partnership, any general partner may sign.
   If a limited partnership, a general partner must sign.
   If a limited liability company, a "member" may sign or "manager" must sign if so specified by the articles or organization.
If a regular corporation, the CEO, President or Vice-President must sign. Others may be granted authority to sign but the County requires that a corporate document authorizing him/her to sign be submitted with proposal.

8.10 Withdrawal of Proposals

A. All proposals submitted shall be valid for a minimum period of ninety (90) calendar days following the date established for acceptance.

B. Proposals may be withdrawn on written request from the offeror at the address shown in the solicitation prior to the time of acceptance.

C. Negligence on the part of the offeror in preparing the proposal confers no right of withdrawal after the time fixed for the acceptance of the proposals.

8.11 County Furnished Support/Items

The estimated level of support required from County personnel for the completion of each task shall be itemized by position and man days.

The offeror shall indicate the necessary telephones, office space and materials the offeror requires. The County may furnish these facilities if the County considers them reasonable, necessary, and available for the Contractor to complete his task.

8.12 Subcontractors

Offerors shall include a list of all subcontractors with their proposal. Proposals shall also include a statement of the subcontractors' qualifications. The County reserves the right to reject the successful offeror's selection of subcontractors for good cause. If a subcontractor is rejected the offeror may replace that subcontractor with another subcontractor subject to the approval of the County. Any such replacement shall be at no additional expense to the County nor shall it result in an extension of time without the County’s approval.

8.13 References

All offerors shall include with their proposals, a list of at least three (3) current references for whom comparable work has been performed. This list shall include company name, person to contact, address, telephone number, fax number, e-mail address, and the nature of the work performed. Failure to include references shall be cause for rejection of proposal as non-responsible. Offeror hereby releases listed references from all claims and liability for damages that result from the information provided by the reference.

8.14 Use of Brand Names

Unless otherwise provided in a Request for Proposal, the name of a certain brand, make or manufacturer does not restrict offerors to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County, in its sole discretion, determines to be the equal of that specified, considering quality,
workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. Any catalog, brand name or manufacturer's reference used in the RFP is descriptive -- NOT restrictive -- it is to indicate type and quality desired. Proposals on brands of like nature and quality will be considered. If offering on other than reference or specifications, proposal must show manufacturer, brand or trade name, catalog number, etc., of article offered. If other than brand(s) specified is offered, illustrations and complete description must be submitted with proposal. Samples may be required. If offeror makes no other offer and takes no exception to specifications or reference data, he will be required to furnish brand names, numbers, etc., as specified. Offerors must certify that item(s) offered meet and/or exceed specifications.

8.15 Samples
Samples, if required, must be furnished free of expense to County on or before the date specified; if not destroyed in examination, they will be returned to offeror, if requested, at offeror's expense. Each sample must be marked with offeror's name and address, RFP number, and opening date. DO NOT ENCLOSE SAMPLE IN OR ATTACH SAMPLE TO PROPOSAL.

8.16 Late Proposals
LATE proposals will be returned to offeror UNOPENED, if RFP number, acceptance date and offeror's return address is shown on the container.

8.17 Rights of County
The County reserves the right to accept or reject all or any part of any proposal, waive informalities, and award the contract to best serve the interest of the County. Informality shall mean a minor defect or variation of a proposal from the exact requirements of the Request for Proposal which does not affect the price, quality, quantity, or delivery schedule for the goods, services or construction being procured.

8.18 Prohibition as Subcontractors
No offeror who is permitted to withdraw a proposal shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn proposal was submitted.

8.19 Proposed Changes to Scope of Services
If there is any deviation from that prescribed in the Scope of Services, the appropriate line in the scope of services shall be ruled out and the substitution clearly indicated. The County reserves the right to accept or reject any proposed change to the scope.
8.20 Work Plan
The offeror must provide a detailed work plan in calendar days describing the individual tasks to be performed and the relative scheduling of those tasks including a detailed listing of County and offeror resources, according to skill level. All deliverable items should be identified and described.

8.21 Miscellaneous Requirements
A. The County will not be responsible for any expenses incurred by an offeror in preparing and submitting a proposal. All proposals shall provide a straight-forward, concise delineation of the offeror's capabilities to satisfy the requirements of this request. Emphasis should be on completeness and clarity of content.

B. Offerors who submit a proposal in response to this RFP may be required to make an oral presentation of their proposal. The Division of Procurement will schedule the time and location for this presentation.

C. Selected contents of the proposal submitted by the successful offeror and this RFP will become part of any contract awarded as a result of the Scope of Services contained herein. The successful offeror will be expected to sign a contract with the County.

D. The County reserves the right to reject any and all proposals received by reason of this request, or to negotiate separately in any manner necessary to serve the best interests of the County. Offerors whose proposals are not accepted will be notified in writing.

8.22 Notice of Award
A Notice of Award will be posted on the County's web site (www.loudoun.gov) and on the bulletin board located in the Division of Procurement, 4th floor, 1 Harrison St, SE, Leesburg, Virginia 20175.

8.23 Protest
Offerors may refer to §§ 2.2-4357 through 2.2-4364 of the Code of Virginia to determine their remedies concerning this competitive process. Protests shall be submitted to the Director, Finance and Procurement.

8.24 Debarment
By submitting a proposal, the offeror is certifying that offeror is not currently debarred by the County, or in a procurement involving federal funds, by the Federal Government. A copy of the County's debarment procedure in accordance with § 2.2-4321 of the Code of Virginia is available upon request.

8.25 Proof of Authority to Transact Business in Virginia
An offeror organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 of the Code of Virginia shall include in its bid or proposal the identification number issued to it by
the State Corporation Commission. Any offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law shall include in its bid or proposal a statement describing why the offeror is not required to be so authorized. Any offeror described herein that fails to provide the required information shall not receive an award unless a waiver of this requirement and the administrative policies and procedures established to implement this section is granted by the Purchasing Agent or his designee. The SCC may be reached at (804) 371-9733 or at http://www.scc.virginia.gov/default.aspx.

8.26 Cooperative Procurement

As authorized in § 2.2-4304 of the Code of Virginia, this procurement is being conducted on behalf of and may be used by public bodies, agencies, institutions and localities of the several states, territories of the United States, and the District of Columbia with the consent of the contractor.

8.27 W-9 Form Required

Each offeror shall submit a completed W-9 form with their proposal. In the event of contract award, this information is required in order to issue purchase orders and payments to your firm. A copy of this form can be downloaded from http://www.irs.gov/pub/irs-pdf/fw9.pdf.

8.28 Insurance Coverage

Offerors shall include with their proposal a copy of their current Certificate of Insurance that illustrates the current level of coverage the offeror carries. The Certificate can be a current file copy and does not need to include any “additional insured” language for the County.
