Disclaimer: This list is not all-inclusive. Inclusion on this list does not imply an endorsement of the organization or their services by the Loudoun County Department of General Services, Waste Management Division. Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

A to Z Local Recycling Resources

Aluminum Beverage Cans

- Aluminum beverage cans are accepted at the [Loudoun County Recycling Drop-Off Centers](#) (free)
- Check the yellow pages under "scrap metal."

Antifreeze

- Used antifreeze is accepted at the [Loudoun County Solid Waste Management Facility Recycling Center](#) (free).

Appliances

- If they are still operating, refer to yellow pages under "churches" and "thrift shops."
- If they are not working, appliances may be disposed of at the [Loudoun County Solid Waste Management Facility](#) (for a fee).
- Disposal of Refrigerators, Freezers, Air Conditioners & Dehumidifiers
 - These appliances cannot be thrown away and contains a chemical coolant or refrigerant that is toxic and considered an ozone depleting substance.
 - The refrigerant must be removed by a certified technician using certified equipment prior to disposal.
 - Refrigerant-containing appliances may be brought to the [Loudoun County Solid Waste Management Facility](#) (for a fee; surcharge also applies for removal of refrigerant).
 - Call your Town office or HOA and arrange to speak to the solid waste collector.
 - Arrange transport with the collector.
 - The refrigerant must be removed prior to disposal.
 - Call an appliance store or the manufacturer of the appliance for refrigerant removal services (for a fee).

Bags, Plastic Grocery

- Plastic grocery bags are accepted at most grocery stores.
- Washington Post newspaper delivery bags are also accepted at Giant, Safeway, and Shoppers Food Warehouse.
- For more information on plastic bag, film, and wrap recycling visit www.loudoun.gov/recycle and the "Plastic Bag Recycling" tab.

Disclaimer: This list is not all-inclusive. Inclusion on this list does not imply an endorsement of the organization or their services by the Loudoun County Department of General Services, Waste Management Division. Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

A to Z Local Recycling Resources

Batteries

- Automotive batteries are accepted at the [Loudoun County Solid Waste Management Facility Recycling Center](#) (free)
- You may also return a used auto battery to the place where you are purchasing a new battery.
- Rechargeable batteries are accepted at Home Depot store entrance. Visit the [Rechargeable Battery Recycling Corporation](#) for additional collection locations.
- Alkaline batteries (AA, AAA, C, D, etc.) are accepted at County Household Hazardous Waste Events for recycling (residents only), free of charge. Businesses may participate in the [Business Hazardous Waste Program](#) to recycle alkaline batteries for a fee. Other recycling services such as [Battery Solutions](#) and [Big Green Box](#) are available online for a fee. Visit [Call2Recycle](#) to set up your own collection program.
- Button batteries, such as those used in hearing aids and wrist watches may be returned for recycling at the Wal-Mart jewelry counter, or they may be brought to the County's [Household Hazardous Waste Collection Events](#) (if they are from a household). [Battery Warehouse](#) in Leesburg also accepts these for recycling at no charge.

Bicycles

- Web-search for "Bicycle Recycling" to look for donation or recycling options.

Books

- Hardcover and paperback books are accepted for recycling at each of the [Loudoun County Recycling Drop-Off Centers](#).
- Books are accepted by many used book dealers. Refer to yellow pages under "book dealers - used and rare."
- The [Loudoun Library Foundation](#) (703-779-2252) accepts used books.
- [Adopt-a-Library](#) is dedicated to encouraging and helping people recycle books.
- Pro Quo Books (410-663-0410) buys large quantities of used books, such as those remaining after library book sales.

Bottles & Cans

- Commingled glass bottles and jars, aluminum / steel cans, and plastic bottles are accepted at each of the [Loudoun County Recycling Drop-Off Centers](#).

Disclaimer: This list is not all-inclusive. Inclusion on this list does not imply an endorsement of the organization or their services by the Loudoun County Department of General Services, Waste Management Division. Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

A to Z Local Recycling Resources
