III. EFFECT OF DISTRICT

A. All provisions of the Loudoun County Zoning and Subdivision Ordinances shall be applicable within the District, but only to the extent that such ordinances are not in conflict with the purposes of Title 15.2, Chapter 43 of the Code of Virginia (1950) as amended. All land use planning decisions, special exceptions, special use permits and variances affecting any parcel of land within or adjacent to the District shall take into account the existence of the District and purposes and policies of this Ordinance. It is further required that any subdivisions or adjustments to parcels in the District meet the current zoning requirements or a minimum of forty (40) acres, whichever is greater. Subdivision through clustering is prohibited for the term of the District.

B. Land used in agricultural and forestal production within the District shall automatically qualify for an agricultural or forestal value assessment on such land pursuant to Section 15.2-4312 of the Code of Virginia (1950), as amended, if the requirements for such assessment contained therein are satisfied, whether or not the Loudoun County Land Use Assessment Ordinance is in effect.

C. All other applicable provisions of Title 15.2, Chapter 43 of the Code of Virginia (1950), as amended, are incorporated in this Ordinance and made a part hereof.

IV. REVIEW OF ORDINANCE

The Board of Supervisors shall initiate review of the District at least ninety (90) days prior to December 7, 2021, in order to determine whether to terminate, modify or continue the District. The Board shall request the recommendations of the Planning Commission and the Agricultural District Advisory Committee in conducting such review.

V. DISCONTINUANCE OF ASSOCIATION IN DISTRICT

Any owner of land lying in the District may request, in writing, termination and withdrawal of his property in accordance with Section 15.2-4314 of the Code of Virginia (1950), as amended. If denied favorable action by the Board of Supervisors the landowner shall have an immediate right of appeal de novo to the circuit court. The termination of any owner's association in the District for any reason shall not in itself serve to terminate the existence of the District.

Any heir at law or devisee of any owner of land lying within the District shall as a matter of right, be entitled to withdraw from the District within two years of the date of death of the owner and upon written notice of withdrawal to the Board of Supervisors and the Commissioner of the Revenue.

When the District is reviewed by the Board of Supervisors at the end of the four (4) year period, land within the District may be withdrawn by filing a written notice before the Board of Supervisors acts to continue, modify or terminate the District.
