Re-applying for services will be required of each paratransit participant prior to expiration of his or her current eligibility period. The County will notify participants of the requirement at least 50 days prior to the expiration of their eligibility period.

FARES AND PAYMENT POLICY
Payment must be in exact cash or paid using a Loudoun County Transit Pass only. Section 131(c) of the USDOT’s ADA regulations states that the ADA Paratransit fare can be no more than twice the “full fare” (non-discounted fare) for a comparable trip made by the fixed route. Drivers will collect fares before customers board the vehicle and drivers are not permitted to make change. All customers have the right to travel with one personal care attendant (PCA) free of charge. Companions must also pay a fare. Due to limited space, each rider is allowed one companion per trip. You must reserve space for your companion, whether adult or child, when scheduling your trip. Seating for more than one guest is on a "space available" basis when scheduling your trips. Children age 10 and under travel free and must be accompanied by an adult. Drivers will only accept the fare for the ride that they are providing. Passengers are not allowed to pay in advance for their return trips.

Please note: Operators are not allowed to accept tips or gratuities.

WHAT TO EXPECT DURING YOUR TRIP
Travel time on paratransit is comparable to the amount of time it would take to make the same trip using our fixed-route bus with connections. The average trip length is between 30 and 60 minutes, and a trip may exceed or fall below that average depending on the circumstances.

Passengers must wear seat belts and shoulder straps, or have an exception on file, or they will not be transported. Posey belts, which help maintain an upright posture, are available but are not mandatory. For the safety of drivers and customers, personal stops are not allowed. We will not drop you off at a different location than the one you requested when you made the reservation. Drivers may carry a limited amount of packages for the customer. Packages are not to exceed 40 pounds and should be able to be transported in a single trip to the exterior door.

Customers may bring a respirator, portable oxygen or other life-support equipment, as long as it does not violate hazardous transportation laws. The equipment must be small enough to fit into the vehicle and be secured.

Customers are responsible to ensure brakes, batteries, and other parts of their mobility devices are in good working condition.

CANCELLING TRIPS
Loudoun County requests that customers call to cancel trips at least two hours before the beginning of their pick-up window whenever possible. Trips not cancelled within two hours are subject to the Late Cancel/No Show policy. If a customer does not take a trip, or "No-Shows" a trip, any subsequent trips are NOT automatically cancelled. Riders are responsible for cancelling any and all trips they will not take as soon as possible to allow other customers the use of the vehicles.

NO SHOW POLICIES
In any calendar month, any customer who has booked 10 trips or more and has "no showed", cancelled at the door or "late cancelled" at least 10% of those trips will receive a suspension notice. Additionally, to ensure that only habitual offenders are suspended, a customer will have to accumulate three or more penalty points to receive a suspension. A customer will be subject to suspension only if both the minimum number of trips booked and the minimum number of penalty points are reached during the calendar month. Penalty point values are as follows:

- Each No-Show is counted as one penalty point.
- Each Cancel at Door is counted as one penalty point.
- Each Late Cancellation is counted as one-half penalty point (less than two hours’ notice).

Loudoun County Transit is committed to the safety and security of its customers. If we provide transportation for a customer to a given location, we will make every attempt to provide the return trip, even if the customer fails to appear for boarding within the scheduled pickup window.

Return service will be provided as soon as possible but may be delayed depending upon prevailing traffic conditions and scheduling considerations. However, if a customer is a no-show for a trip originating from their home, no vehicle will be sent back to the home to perform the trip.

RULES OF CONDUCT
Riders are asked to follow these rules of conduct to ensure the safety and comfort of all riders and the operator:
