

Fiscal Planning Subareas & 2019 General Plan Policy Areas

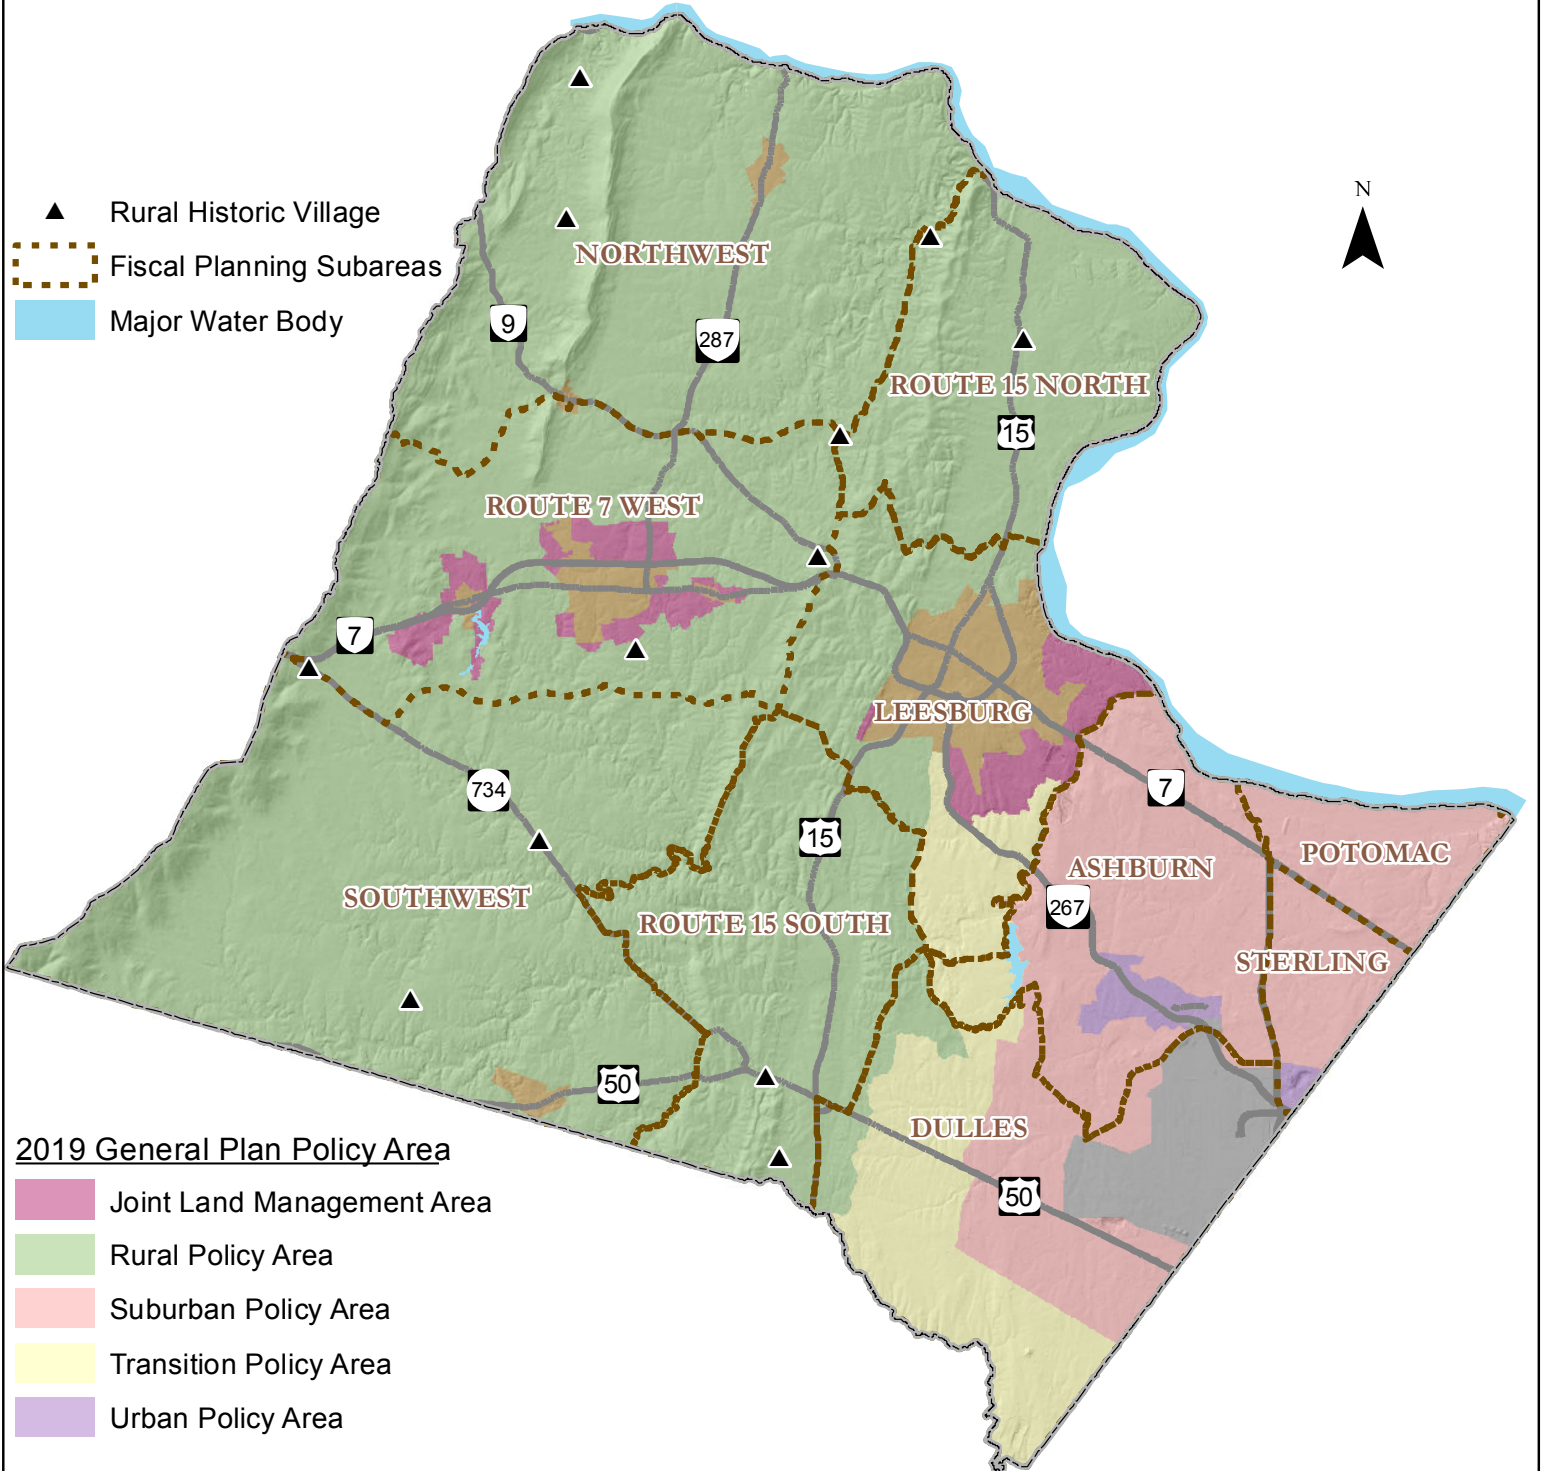

Notes

1) Fiscal Planning Subareas

The Capital Needs Assessment (CNA) divides the County into ten planning subareas (service delivery areas) to help identify the type & quantity of facilities needed in each subarea.

2) 2019 General Plan Policy Areas

These areas are the framework for land planning in Loudoun County and represent distinct planning communities with specific policies, strategies, and actions to guide land uses, growth, and the built environment.

2019 General Plan Policy Area

- Joint Land Management Area
- Rural Policy Area
- Suburban Policy Area
- Transition Policy Area
- Urban Policy Area
