Event Details:

PRCS will host a one-day festival (the "event") Saturday, May 14, 2022, at Segra Field and Phillip A. Bolen Park in Leesburg. The free event, LoCo Food Truck Festival, has the capacity to host over 20 vendors, with an anticipated crowd of 700 attendees. Food and beverage vendors, which can include food, nonalcoholic beverages, craft services, entertainment, organizations and businesses, will be highlighted throughout the festival.

Scope & Specifications of Services:

All vendors are expected to operate only within the space provided. All spaces will be assigned solely by the PRCS Special Events Team based on the dates of completed applications. PRCS does not provide tents, tables or chairs. Any tents provided by vendors must have a flame-resistant treatment and vendors are responsible for providing a fire extinguisher in accordance with Loudoun County Fire Marshal regulations. Vendors are solely responsible for securing tents to the ground with weights, sandbags or water barrels.

This event will only be canceled for extreme weather. Vendors should plan for protection against the elements (e.g., sun, rain, wind). Setup begins at 7 a.m. The vendor area must be cleared of all vehicles by 10:30 a.m. Vendors must be fully set by 10:45 a.m. and must remain operational for the five-hour event from 11 a.m. to 4 p.m. (Acceptance is contingent upon a vendor's ability to participate for the entire festival.) Breakdown must be complete, with all vendor vehicles and personnel cleared from Segra Field - by 6 p.m.
