Silver Line Metro Connection Bus Routes

Quantum - Pacific - Gateway Loop  (Replaces 990/992)

This route replaces the current Route 990/992 with service to Loudoun Gateway Metro Station. The route provides morning and afternoon service for the businesses along Pacific Boulevard and at Quantum Park. Hours of operation will be the same as the current Route 990/992, with morning service from 6:30 a.m. to 9:30 a.m. and afternoon service from 3:30 p.m. to approximately 7:00 p.m. Monday through Friday. By moving the bus service to the new, closer Metro station, trip departures will increase to approximately every 25-40 minutes.
