Silver Line Metro Connection Bus Routes
South Riding

This expanded bus service through neighborhoods around the South Riding community replaces the current Route BBX that provides service to Wiehle-Reston East Metro Station from the East Gate Park and Ride Lot. A separate service in Stone Ridge will replace the bus service to/from the Dulles South Park and Ride Lot and StoneSprings Hospital. The new South Riding route will connect the new Loudoun Gateway Metro Station with the business community around Mercure Circle, East Gate Park and Ride, South Riding Market Square, and the Dulles South Recreation and Community Center, along with neighborhoods along Tall Cedars Parkway, and Loudoun Valley Estates. This service is planned to operate during peak commuting times, 5 a.m. - 9 a.m. and 3 p.m. - 11 p.m. weekdays. Two buses will be used to increase trip frequencies to approximately every 25-30 minutes in the morning and afternoon. After 8 p.m., one bus will continue to operate the route until 11 p.m. with trips departing every 50-60 minutes.
