You may submit an exception request for administrative approval if you would like to be exempted from the prerequisites.

Exception Request

Please ensure that you hold the appropriate prerequisites needed to register for this course. If you do, click on “Exception Request”.

Exception Requests

Exception Requests are common communications with Cornerstone as the LMS cannot read pdf transcripts. The vetting of each student that receives an Exception Request gets approved or denied by the VDFP Division Office. Users wishing to take training that requires pre-requisites, may request exemption from the pre-requisites in order to register for an upcoming session. The Exception Request will register the student for the class, but final prerequisite determination will be made on a case-by-case basis by the appropriate VDFP Division Office.

Although students may have completed the appropriate prerequisite course(s), those courses may not have been posted to the students’ transcript board. Questions regarding the Cornerstone OnDemand Program should be directed to the VDFP Division 7 Office at 703-259-3232.

Notice: VDFP policy states that students need to be registered 7 days prior to day one of the course. Students who are not registered thru Cornerstone OnDemand at the beginning of the class will not receive credit for the course. VDFP’s stance also indicates that students who show up for a class who are not registered will be sent home by the instructor.
